Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, SAFARI!

Lincoln, Nico, and I did one final powerful energy slash that hit Safari hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Safari was on her last legs and she was really really mangled.

Then, Lincoln, Nico, and I punched Safari so hard in the face, she got two swollen black eyes and Lincoln tied her up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked her hard in the stomach and sent her flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Safari is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Volcanonoiraira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Volcanonoiraira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the

bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) (Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Lincoln: Now, Lynn, take it easy.

Then, the geode on my Phoenix United Harmony bracelet glowed, and something also appeared on Lincoln's Bracers of The Champions of The Universe, it's a pair of Harmony Bracelets: The Harmony Bracelet on his right Bracer is orange-colored with an orange Geode with rainbow colors and on the geode is a Rainbow Wolf and Rainbow Angel and The Harmony Bracelet on his left Bracer is rainbow-colored with a rainbow geode with rainbow colors and on it is a Rainbow Phoenix and Rainbow Thunderbird.

Me: Wow! Now, you also have a Harmony Bracelet just like me, Lincoln.

Twilight Sparkle: Two of them and the geodes: one has a Rainbow Wolf and Rainbow Angel on it, and the other has a Rainbow Phoenix and Rainbow Thunderbird.

Valerie Volcanonoiraira: That's really amazing.

Lincoln: The rest of us have to get Harmony Bracelets one day.

Me: Cool!

Gabriel: The more I see the consequences of my actions, the more grateful I am of you redeeming me.

Nico: Thank you!

Me: Lets talk more on Earth.

Nico: Good idea.

We went back to the ship and went home.

We arrived at the park later and we were sitting by the lake there.

Me: Ahh.

I took off my boots.

I then dumped out all the sweat in them.

SPLASH!

Me: WHOA! That's a lot of heat!

KRASPLASH!

MORE SWEAT POURED OUT OF THEM!

Nico: WHEW! That had to be the hottest planet we've been to.

Me: One of them. There are hotter ones than that.

Sunny Starscout: Here guys.

She gave us smoothies.

Me: Ah thanks Sunny.

We got smoothies and drank them.

Me: (SLURPS) Ahh! I needed that.

Nico: Me too.

Rolf: Rolf is happy to be better and healed and back.

Me: We're glad Rolf.

Nico: Yeah. Nice job Mareep.

Mareep: Thanks guys.

Poromon: Want some beer?

Mareep: Sure! Got anything from Germany?

Hunter: (German Accent) Oh ja ja!

Me: Ooh you like the real stuff from Germany! Nice!

Hunter got out a barrel and filled up a stein glass full of beer.

Mareep drank it all down.

Poromon: Wow! That is cool!

I put my feet in the water and steam came off them.

Me: Ahh!

Mareep belched!

BARNEY GUMBLE BELCH!

Barney Gumble: Welcome to the party! (BELCH)

Poliwag: Sing the ABC's!

Mareep: (DRUNK AND BURPING AND FARTING) ABCJANWJQJDANOLWPQPAOTWOJANCOWIPUQUOW!

WE LAUGHED HYSTERICALLY!

I reverted her back.

Me: That was funny!

Nico: YEAH! But man Gabriel I don't even want to think what would have happened if we hadn't shown up.

Me: Me neither. Seeing all those Akumas is like something Scrooge saw in A Christmas Carol.

Twilight Sparkle: Or like Snowfall Frost in A Hearthswarming Tale.

Ymir: A Hearthswarming Tale?

Me: It's like Equestria's version of Charles Dickens A Christmas Carol. It's about an Ebenezer Scrooge like pony named Snowfall Frost and she hated Hearthswarming Eve. Until 3 Spirits of the Past, Present and Future showed her the error of her ways.

Twilight Sparkle: I'll show you the book when we get back.

Ymir: Looking forward to it.

Me: Hearthswarming Eve is Equestria's founding. It's where Earth Pony's, Pegasi and Unicorns came together to fight off the eternal winter of the Windigos, The Malevolent Spirits of Ice and Cold and they found Equestria.

Brittney: It's true and it's amazing.

Ymir: Wow! Looking forward to it.

Luna Nightshroud: Me too. This will be interesting to see.

Iormu: You're in for a treat.

Poromon: We'll see Mr. Grouse later.

Me: I hope he's doing okay.

Poromon: Me too.

Lincoln: Yeah.

Ampfiban: I hope so too. We haven't seen him in a while since the time Poromon turned into a werewolf.

Ymir: Wait what?! Poromon turned into a werewolf?

Poromon: It's true.

Me: It's an incident we don't like talking about.

Ace Ukiyo: Yeah it was terrible. I heard about what was going on and it was bad.

Me: Yeah.

Ymir: What did he look like?

Poromon showed a picture of himself as a Werepup.

Ymir: You looked like that Poromon? Oh you were so cute.

Fluttershy: I thought the same thing myself too.

Me: Even though he was cute he was still a bloodthirsty killing machine.

Qin: Yeah.

Me: But we saved him from that curse.

Manaphy then bursted out crying.

Ampfibian: Oops.

Manaphy: (CRYING) I THOUGHT I WAS GOING TO LOSE POROMON THAT DAY!

Poromon comforted her.

Nico: Oh Ampfibian, what do you like to do in your free time?

Ampfibian: I haven't given it much thought about it. But if I have an idea I want to be a teacher and show everyone what my home planet Tesslos is like.

Ymir: What is it like?

Me: We've been there during one of the races we had last year. It's INTENSELY electrically charged.

Nico: It sure is.

Ymir: Wow!

Me: I know.

Ymir: Who was it that bit Poromon and made him a werewolf?

Alvin: It was our neighbor Mr. Talbot.

Simon: He is actually the Great Great Grandson of Lawrence Talbot.

Me: His Great Grandfather was also a werewolf and he was killed when they blew is brains out with silver bullets. The curse of the werewolf passed on to him and he was killing people left and right every night of the full moon. He woke up drenched in blood.

Poromon: Yeah I was in the wrong place at the wrong time when he came out.

Theodore: But I got through to Mr. Talbot and helped him use his power and he's in the M.O.E.

Ymir: Wow! How did you get through to him?

He showed a bite wound on his hand.

Theodore: I was bitten by him and I bit him and cured him before.

Me: It's a long story.

Alvin: Yeah it's true.

Poromon: Yeah.

Me: I was J.D. the Nocturnal the entire time of that night when we faced him. It was brutal.

Nico: It was. Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Return Card.

Nico: Uh oh!

Lincoln: Don't worry, she only uses her power on villains.

Me: Good. So Ampfibian, Punk Shock, Thunderbirdmon, Lola Amperi A.K.A. Sailor Tesslos, Chelsea Storm, Laney Simmons and Ra'ad are up And we are facing Another Jellyfish (Zak Storm), Spark-I, Zoos (Kirby), Jennifer Pierce A.K.A. Lightning (DC Comics), Living Lightning and Universe 666 Lightning.

Nico: Yep.

Me: Electrifying!

Qin: It sure is.

Nico: By the way J.D. how did you know about him being the Great Great Grandson of Lawrence Talbot?

Me: He told me so himself when we talked and I returned his Wolf Head Cane to him.

Nico: Oh right! Wow. What a scary truth.

Me: I know.

Nico: THERE THEY ARE!

We saw Another Spark-I, Zoos (Kirby), Jennifer Pierce A.K.A. Lightning (DC Comics), Living Lightning and Universe 666 Lightning!

Me: WHOA! What an electrifying bunch!

Qin: No kidding!

Another Spark-I: (In a girls voice) It sure will be shocking!

They reverted back and were the gene-slammers of Silent Magician and Sangen Kaiho!

Nico: Shyla Flores and Kira Kaiho!

Shyla wrote on a chalkboard.

Shyla: (Writes) Good to see you Nico.

Nico: You too.

Me: Oh she can't speak?

Nico: Shyla was born mute and she talks through writing on a chalkboard.

Me: Like how Jericho talks.

She nodded.

Me: I understand and also the gene-slammers of Silent Magician and Sangen Kaiho

Kira Kaiho: Yep and it's awesome.

Me: Cool. By the way girls are the rest of the Anothers friendly or hostile?

Shyla: (Writes) Friendly and one is extremely powerful and knows Zhuqiaomon.

Me: WHOA! I have a feeling it's going to be one of the desciples of the Sovereign. When we met Another Azulongmon it was one of the students he had.

Nico: WOW! This will be interesting. Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

Fast to sleep

Fast to sleep

Dark holoré in the Deep

Rise again holoré now

Spring abundant holoél

Spring abundant holoél

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for Backup! (TURNS DIAL) GORILLA MIRACLE FORCE!

She summoned Armored Gorilla, Miracle Matter (Rock Form), Miracle Matter (Bomb Form), Miracle Matter (Lightning Form), Miracle Matter (Cut Form) and Miracle Matter (Needle Form)!

Me: YEAH!

Nico: And now we wait.

Me: We don't have to wait long!

We saw Another Jellyfish and Zhuqiaomon!

Me: WHOA! This is gonna be hot and fiery!

Xenia: Yeah!

Another Jellyfish: (In a girls voice) It sure will.

She reverted back and it was the Avatar of the Return Card!

Lincoln: Rhonda Return!

Rhonda Return: Good to see you Lincoln.

Lincoln: Same here.

Nico: Care to introduce us?

Anna Anyanova: Sure. This is Rhonda Return, Avatar of The Return Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of teleportation and object transmigration, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Return Clow Card, and the magic of Clow Reed. She's The Return Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Rhonda Return is a master of the powers of The Return Clow Card and she's a powerful master of the powers of teleportation and object transmigration and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Rhonda Return came to Royal Woods where she met Lincoln, and she taught him how to master the powers of teleportation and object transmigration, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Return Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of teleportation and object transmigration, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Little Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers to send those five banshees back to their rooms locked up in cages after she caught them trying to kill Lincoln, and they hated her big time!

Me: WHOA! Awesome to meet you.

Rhonda Return: Same here.

Nico: Who's your friend?

Another Zhuqiaomon: (In a girls voice) A powerful fiery desciple of Zhuqiaomon.

She reverted back and it was a girl with red hair and orange braids and had red eyes and had Zhuqiaomon on her forehead and had a phoenix on her arm and had fire angel wings and had red and orange clothes and had a fire sword and had an intensely hot fiery red aura.

Zhuqiaomon: Savina Zhuqiao!

Savina Zhuqiao: Good to see you Master Zhuqiaomon.

Zhuqiaomon: Glad to see you too.

Me: I knew it was one of the Sovereign Desciples!

Nico: Yep.

Savina Zhuqiao: I trained under Zhuqiaomon and learned all his powers and moves and I have all his skills and more.

Me: WOW! When Takato and friends fought him the first time, he put up one helluva fight. Not even when they were Biomerged were they a match for the power of a Sovereign.

Savina Zhuqiao: I can see that.

Kaito: (gets out Megaranger gear) Did Swartz promise you anything?

Zocks: (gets out Gingaman gear) Because we can grant it instead.

They got weapons from said teams.

Rhonda Return: No he didn't because he was afraid of our power.

Savina Zhuqiao: It's true. And I burned him with intense flames and made him a black burned husk.

Sakura Knudson: That explains why I found Swartz burned and badly charred like that.

Me: Ouch! Too bad that didn't kill him back then.

Sougo: (gets out In Space Ridewatch) What are Sovereign Desciples?

Geiz: (Gets out Lost Galaxy Ridewatch) And have we seen any before?

Sougo got InSpaceRedArmor while Geiz got LostGalaxyRedArmor.

Me: Yes we have. Azulongmon's desciple was first.

Azure Azulong: Yep that's me. The Sovereign's Desciples are the students of the Digimon Sovereign. After the D-Reaper was eradicated the first time, the Sovereigns came to a huge decision to take in 4 girls from Earth for each of them to teach and bestow upon their power to protect the Human World too. That way the Digimon Sovereign can protect the Digital World and we can protect the Human World too.

Me: WHOA! So they can be in 2 places at once.

Nico: Amazing!

Qin: Yeah!

Savina Zhuqiao: That's right. I am the second one you met. I represent Suzaku the Vermillion Phoenix of The South.

Azure Azulong: And I represent Seiryu the Azure Dragon of The East.

Nico: That is cool!

Poromon: I bet we're meeting 2 more.

Me: All we have are Ebonwumon and Baihumon left.

Qin: The Black Tortoise of the North and the White Tiger of the West.

Nico: Yep.

Lincoln: Lets sepaate you girls first.

We did so.

Me: Lets make this electrifying!

Nico: (Gets out Jellyfish's Ridewatch) SHOCKING Isn't it!

May: (Gets out Zoos Ridewatch) Lights and Lightning!

Universe 666 May: (Gets out Lightning's ridewatch) LIGHTNING POWER!

Maria: (Gets out Living Lightning's ridewatch) LIGHTNING FURY!

Punk Shock: (Gets out Spark-I's Ridewatch) AMP IT UP!

They used the powers of Jellyfish (Zak Storm), Spark-I, Zoos (Kirby), Jennifer Pierce A.K.A. Lightning (DC Comics), Living Lightning and Universe 666 Lightning and blasted the Anothers all over!

Savina Zhuqiao: (Echoing) BLAZING HELIX!

She fired a massive blast of intense fire and it formed into a Chain of Fire and blasted Another Zhuqiaomon and I caught the Ridewatch and purified it!

Me: WHOA! Powerful!

Poromon: YEAH!

But then...

SMASH!

I was hit on the head with a barrel!

Me: OW!

Nico: WHO IS THE WISEASS!?

Me: YEAH!

Then our geiger counters went off!

Me: Uh oh! Radiation!

Then Furnace (Invincible), Manky Kong, Zingos, Universe 666 Nitro, Flame (Vrains) and Radiation Boy came!

Nico: WHOA! Nice team Furnace!

Furnace: Thanks Nico!

Nico: (DROOLS) ZINGOS! (SLURPS!)

Lola: Nice!

Nico: Who hit J.D.?!

Manky Kong: ME!

Paddy Tanniger: Yeah he hit J.D.! Big whoop! Wanna fight about it!?

Me: Paddy will you get outta here!?

NRG: (Russian Accent) I'll do it!

He fired a blast of energy and blasted him far away.

Me: I swear to god, Paddy is such an annoying shit!

Qin: No kidding!

Lola: Yeah!

?: That guy is a jerk!

Elemental HERO Burstinatrix came.

Me: WHOA! Elemental HERO Burstinatrix!

Jaden: Sweet!

Elemental HERO Burstinatrix: Looks like the fun is going to begin!

Nico: Pyra Burstinatrix! Wow!

She reverted back.

Pyra Burstinatrix: Good to see you Nico. I got this! FLARE STORM!

She fired a big fireball and it hit Another Jellyfish and exploded! I caught the ridewatch and purified it!

Me: YEAH!

Qin: Awesome!

Nico: Nice job!

Pyra Burstinatrix: Thanks! That was awesome!

Lola: It sure was!

Punk Shock: Yeah! Do you have a good memory of Nico?

Pyra Burstinatrix: I sure do. When me and Nico went and tested my family's forest fire simulator and it was awesome!

Nico: We pretended to battle it and absorbed all of the fire and it was cool.

Me: Wow! A Forest Fire Simulator! That is awesome!

Xenia: It sure is.

Nico: Yep.

They hugged.

Nico: I've missed you.

Pyra Burstinatrix: Me too Nico.

Me: You guys go on ahead and head back. I got to head to the Leaf and report what we found.

Nico: Okay then.

I teleported to the Leaf and everyone went back home.

We got a move-on, and we spotted our target: the clone of Inferno Terrorflame Dragon who has The Dark Return Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Return Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Return Card and he began sucking out all its temporal powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Return Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Return Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Return Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Inferno Terrorflame Dragon.

The clone of Inferno Terrorflame Dragon fired a massive blast of fire and darkness at Lincoln, but he absorbed it and it made him stronger.

Lincoln: Hah! Nice try, alright, let's get him.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clone, and Lincoln sucked out all of the clone's remaining energy in his soul and the clone faded away, and he let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha

Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nico: We did it, we took care of The Dark Return Card, and we took down the clone of Inferno Terrorflame Dragon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Burner on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Archer on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Burner, and she has a fire greatsword, and with her are the seventeen girls.

Lincoln: (GASPS) Enya Vulcania, Avatar and Gene-Slammer of Laval Burner.

Enya Vulcania: That's right, and I got them away from the clone of Inferno Terrorflame Dragon and The Dark Return Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Return Card when I sucked out its powers and absorbed the clone of Inferno Terrorflame Dragon. (To Enya Vulcania) And it's so good to see you again, Enya.

Enya Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Enya Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Enya Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Enya Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Enya Vulcania's waist and hugged her, and Enya

Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Enya Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Enya Vulcania, Avatar and Gene-Slammer of Laval Burner, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Burner. She's The Volcanic Lava Burn Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Enya Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Burner, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Burner, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Enya Vulcania hates Fifi Dufus with a passion because of everything she'd done to Lincoln and his family along with Myrtle in the past and leaving Lincoln with PTSD, and she swore to kill her if she ever broke out of prison.

Nico: We already got rid of that evil bitch months ago, and during Stella's big day against Bolhofner, we killed a Simulator version of her.

Enya Vulcania: I heard about it, and I also knew you guys killed Bolhofner, I hated that pig.

Lincoln: No one did, Bolhofner was a serial killer and an abusive monster, he had to die, and now that you're here, Enya.

Lincoln with his massive muscular arms still wrapped around Enya Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Enya Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Enya Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Enya Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Enya Vulcania.

Enya Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Enya Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Enya Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Enya Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Enya Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the seventeen girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the seventeen girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the seventeen girls are Circe, Express, Talon Feather, Thetis, Hraesvelgr, Angel, Alice, May, Tiamat, Draculina, Harpyia, Titania, Brunhild, Sengoku Kaen, Azazel, Saraqael, and Sleipnir from Last Origin.

Lincoln: And that means they're easy targets for those out to murder them. Are you girls okay?

Circe: Yes, we're okay thanks to you.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Hraesvelgr: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, seventeen Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Circe, Express, Talon Feather, Thetis, Hraesvelgr, Angel, Alice, May, Tiamat, Draculina, Harpyia, Titania, Brunhild, Sengoku Kaen, Azazel, Saraqael, and Sleipnir with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

Lincoln: And with Alecto finally dead, all that's left is to put an end to his plan.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long chocolate brown hair, chocolate brown eyes, she was dressed in a chocolate brown two-piece bikini, she has massive chocolate brown angel wings, and she has a chocolate greatsword in hand.

Lincoln: (GASPS) Calhie Chocolateyairaira, Queen of The Chocolateyairairans of Planet Chocolateyaira.

Nico: The only female Chocolateyairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Calhie Chocolateyairaira, Queen of The Chocolateyairairans of Planet Chocolateyaira, she's Lincoln's Guardian Angel from the planet of Chocolateyairaira in The Forbidden Zone, she's The Queen of The Chocolateyairairans who rules Chocolateyairaira, a planet of endless chocolate, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Chocolateyairaira where he would meet The Chocolateyairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Chocolateyairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of chocolate, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Chocolateyairaira and its core into his body and Chocolateyairaira's Sun into his body to preserve their legacy. Calhie Chocolateyairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of chocolate, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of chocolate, the ability to grow even stronger, and all the powers of The Chocolateyairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Chocolateyairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of chocolate, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Chocolateyairaira and its core and Heavenairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them imprisoned in chocolate prisons and banished forever to The Black Abyss with the power of Chocolateyairaira.

Me: That's incredible.

Calhie Chocolateyairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Chocolateyairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all chocolate, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Hellraira and its core and Chocolateyairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Calhie Chocolateyairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Hailey.

Nico: Wow...!

Calhie Chocolateyairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Calhie Chocolateyairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Calhie Chocolateyairaira with chocolate brown gems on the gold lightning bolts and chocolate brown crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Calhie Chocolateyairaira: That's my special gift to him: Chocolateyairaira's Blessing of Divine Chocolate Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Calhie Chocolateyairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Chocolateyairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Return Card of all its powers and absorbed the clone of Inferno Terrorflame Dragon after we took him down, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Enya Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Enya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Enya Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Enya Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Suddenly, the alarm sounded and a mirror formed, and we saw who it was that triggered the alarm: it was Bugsy Vile, Dog City's notorious crime lord, along with his moll Kitty, his hulking nephew Bruiser, the excitable Frisky, and the berserker Mad Dog.

Roxie Hart: Oh great, it's Bugsy Vile, Dog City's notorious crime lord, along with his moll Kitty, his hulking nephew Bruiser, the excitable Frisky, and the berserker Mad Dog. But, I thought you guys threw him in prison two years ago.

Lincoln: Looks like he's broken out of prison for revenge.

Zachary Hart: I'll deal with him.

Zachary Hart flew out and landed in front of Bugsy Vile, Kitty, Bruiser, Frisky, and Mad Dog.

Zachary Hart: I should've known you'd show up once again, Bugsy Vile.

Bugsy Vile: And do I know you?

Zachary Hart: (Thinking) Is he serious?! (Out Loud) Why don't you rewind to the day ten years ago in Dog City when you kidnapped and threw Michael and Karin Ramirez into the ocean!

Kitty: Wait, now I remember, you're that kid who came after us until we captured and shot you dead.

Bugsy Vile: And you've come back, and I like the new look. But, we'll make sure you stay down for good along with your sister and all of Team Loud Phoenix Storm.

Suddenly, Zachary Hart's red eyes turned neon red and he was surrounded by a black and crimson red, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, Satanic Magic, demons, demon hounds, phoenixes, and angels, and as he approached Bugsy Vile and his gang, he left black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, Satanic Magic, demons, demon hounds, phoenixes, and angels with every step.

Zachary Hart: I will never allow that to happen. You and your gang aren't going to hurt anyone else ever again, Bugsy Vile, this is where you gangsters meet your end.

Suddenly, Zachary Hart exploded with power and he was surrounded by a massive vortex of black and crimson red, white, golden yellow, and blue energy with stars, aura energy, white, golden yellow, and blue heavenly flames, black and red hellish flames, darkness, dark magic, black magic, and Satanic Magic surrounding the vortex, there are demons, demon hounds, phoenixes, and angels flying and running around the vortex, and in the vortex is a red phoenix with blood red eyes glaring at Bugsy Vile and his gang: the blood red eyes of eternal death, eternal damnation, and eternal judgement and we saw heavenly lights shining down on the vortex and demonic flames rising from the ground.

Then, as the vortex faded, Zachary Hart emerged, but he was changed forever.

Roxie Hart: Thank goodness you sent Bugsy and his gang back to prison, and knowing him, he had help in breaking out of prison.

Zachary Hart: He still has contacts in the area, but they won't be around for much longer.

Lincoln: Rosie and the cops are already on the move taking them down.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Ice Elemental Realm.

Braeden Carnes: This is our next stop: The Ice Elemental Realm.

Lincoln: Wow, it's really beautiful.

Rarity: You said it, Linky. So, who's our next target?

Braeden Carnes: That would be The Dark Dazzles: Sharkfest, Brian Peafowl, Glowstick, Longclaw Raven, Randy the Chameleon, Scorpinok the Fire Scorpion, Sixshot the Six

Changer Griffin, Rick Brawler, Saber Hard-Head, and Spider Dazzle.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: The Dark Dazzles: Sharkfest, a humanoid blue Tiger Shark-Octopus hybrid who has razor sharp teeth, three tentacles on each arm that he can form into whole arms and hands. There's also a fin on top of his shark-like head and dark blue spots all over his body. He wears dark blue swim trunks.

Brian Peafowl, a light blue peafowl with red and black eye spots who wears a white silk robe with an Air Element symbol on the back, and he also wore metal talons that served to protect his feet. He wields European flamberge, Throwing knives, and Air Cannons.

Glowstick, a small and slender human-sized fairy who has fair skin, pink lips, long purple/black hair tied to a high ponytail with a dark purple band, lavender eyelids, purple eyes, pointy ears, and yellow wings on her back. She wears a dark purple vest with pink feathers, both dark purple pants, and ballet flats.

Longclaw Raven, a large purple and blue Mechanical Humanoid two-headed Raven who has their heads covered by the masks with two bird's eye shapes (The Left Head is female and The Right Head is male).

Randy the Chameleon, a tall and lanky chameleon/gecko-like monster who has 3 fronds with pink tips, bright green skin, red eyes, 4 arms and legs, and a purple tail. he wears a two-piece mask that allows him to open his mouth and spit acid without taking it off, and he wears tribal clothes.

Scorpinok the Fire Scorpion, a humanoid indian red scorpion who has red skin, large pincer-like claws, and a large chain stinger tail. He wears a black and yellow ninja suit.

Sixshot the Six Changer Griffin, a crimson armored and mechanical Griffon, armed with turrets-like on his back and a cobra-head on the tail's end. He transforms into a Mechanical Humanoid, Fighter Jet, Battle Tank, Laser Sentry Turret, and Armored Car.

Rick Brawler, a middle-aged man who has a dark green military overcoat with a pair of dud grenades strapped via a sash. He wears dark brown camo pants and dark army boots, and a dark brown military helmet. He also has Missile Launchers and Claw Blades on his forearms, and Twin Devastating Cannons on his back.

Saber Hard-Head, a large heavily-built green and purple cybernetic rhinoceros beetle. His round bulky darkly-colored body is striped down the front with many different shades of deep green, dark purple and yellow-green. He is clad in armored garments, with thick spiny gauntlet-like cuffs on his wrists, and rather short, thin legs with large, bulky dark green pointed boots covering his feet. He appears to have large beetle-like wings that run down his back resembling a cape and he possesses the ability of flight. A long sharply-pointed regal-looking collar-like feature protrudes from each side of his neck and his arms and legs appear to be armored with protective plates. He has beady pale orange eyes with slit pupils and a rather large mouth lined with a row of straight blocky white sharp teeth. A single long dark purple antenna-like rhino beetle horn sticks up from the top of his head and extends out to the side. His rather square-shaped insectoid head is black and his face is pale light blue.

And Spider Dazzle, a young woman who has yellow skin with light purple markings, hot pink eyes with black eyeliner, purple lips, two gold horns, and orange and yellow streaked hair tied into a high curly ponytail with spiked hand band. She also has a yellow and light purple mermaid tail behind her, and six purple and black mechanical spider-like legs behind her back. She wears a spider-like spy goggles, a dark purple shirt with light purple sleeves, dark purple shorts, light purple lighter pants, and dark purple high heel boots.

Braeden Carnes: Sharkfest, Brian Peafowl, Glowstick, Longclaw Raven, Randy the Chameleon, Scorpinok the Fire Scorpion, Sixshot the Six Changer Griffin, Rick Brawler, Saber Hard-Head, and Spider Dazzle, The Dark Dazzles, I should've known.

Spider Dazzle: You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln: No, that's not happening, Dark Dazzles. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Sharkfest, Brian Peafowl, Glowstick, Longclaw Raven, Randy the Chameleon, Scorpinok the Fire Scorpion, Sixshot the Six Changer Griffin, Rick Brawler, Saber Hard-Head, and Spider Dazzle and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Sharkfest, Brian Peafowl, Glowstick, Longclaw Raven, Randy the Chameleon, Scorpinok the Fire Scorpion, Sixshot the Six Changer Griffin, Rick Brawler, Saber Hard-Head, and Spider Dazzle.

Sharkfest, Brian Peafowl, Glowstick, Longclaw Raven, Randy the Chameleon, Scorpinok the Fire Scorpion, Sixshot the Six Changer Griffin, Rick Brawler, Saber Hard-Head, and Spider Dazzle: You can't do this to us!

Then, The Dark Dazzles were sealed into the Traps that went back into Braeden's hand.

Spider Dazzle: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Spider Dazzle. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Glowstick: Maybe, I think it's time for a career change.

Spider Dazzle: Alright, fine.

They came back home.

Me: So, that was the sixth part down.

Lincoln: And six more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion are heading to Gelato Beach, and joining them are the rest of Lincoln's harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion and the rest of Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Plus, we found out Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion had feelings for Lincoln, and he also had feelings for them and he also saved them from an ambush by a group of musclebound criminals, and Lincoln sucked out their muscle mass, virility, testosterone, strength, blood, and lifeforce and he killed them all. Plus, Lincoln brought Amber the Fall Maiden back to life after we'd killed Cinder Fall.

Zoey Tavemeister: Wow, we're here in Gelato Beach, it's so beautiful.

Lincoln: You said it, Zoey, and it's perfect for our first date, but the next hypothetical Akuma clone is going to try to ruin our date and kill us.

Lincoln, Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion, and the rest of Lincoln's harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion, and the rest of Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, he did the same thing giving Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-

Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed. Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion and the rest of Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles.

Lily the Mermaid: (Swooning) He's still such a handsome and manly wolf hunk.

Suddenly, they saw the clone of Dark Spellweaver.

Anna Anyanova: Uh oh, is that...?!

Lincoln: The clone of Dark Spellweaver, Aqua's hypothetical Akuma.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the clone of Dark Spellweaver and he began absorbing him and he assimilated Dark Spellweaver's Omnipotent Powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from the clone's soul and the clone faded and Lincoln let out a loud and massive roar of dominance and power as he pounded his strong chest like an Alpha Male gorilla and fire and winds exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion and the rest of Lincoln's harem placed their hands on Lincoln's massive hairy pecs, but he wasn't done. Then, he had them lying down on a beach towel with him on top of them.

And then, they shared a passionate and romantic kiss and Lincoln slowly sank his fangs into their right trapezius and he began feeding on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them. They came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Me: (Whistles) Wow, it looks like you really had a good time at Gelato Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, fourteen Elemental Thunderbird Necklaces of Eternal Love appeared on the neck of Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklace of Shangdi along with fourteen white and gold-accented Elemental Thunderbird Chokers of Eternal Love on their necks.

Lily the Mermaid: And now, Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar Cookie, Silk the Spider, and Polaris the Scorpion are in your harem, Linky.

Meggy Spletzer, Zoey Tavemeister, Simulator Narusena, Neon Katt, Nekoba, Rabi-Chan, Armia, Amherst, Olivia Harper, Amber the Fall Maiden, Lisa Lavender, Agar Agar

Cookie, Silk the Spider, and Polaris the Scorpion showed the marks Lincoln made on the right side of their trapezius.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. The clone of Dark Spellweaver came after us.

WE GASPED!

Nico: The hypothetical Akuma of Aqua?! That little...!

Lincoln: Don't worry, I used my Cell stingers and absorbed her and assimilated all her powers. Then, I sucked out every bit of energy from his soul and the clone faded.

Me: Thank goodness.

Selene Arcangela: And with Alecto gone, we don't have to hear his screams of rage ever again.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Serena Logan: He really got that confident and bold. I think we made Lincoln into a really strong and powerful manly man.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: (Fiery Godly Voice) You know we made a clone of that mutant.

Lincoln: (Fiery Godly Voice) He's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely

powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another Skylanders adventure.

Nico: Who's next?

Me: Pohatu, Onewa, Cooper Daniels, Jen Tennyson, Maud Pie, Limestone Pie, Sprocket, Drill Sergeant, Spy Rise, Magna Charge, Bright Man and Fuse Man and we're going after Brawlrus next.

Qin: Cool!

Me: Nicole said the level we're going to is a surprise.

Nico: Lets go.

We went into the simulator and it activated!

(INTESTINAL DISTRESS - EARTHWORM JIM SPECIAL EDITION GAME OST PLAYS)

We were in the Intestinal Distress level of Earthworm Jim! AND IT SMELLED REALLY HORRIBLE!

Me: OH GOOD GOD! Not this level!

Qin: OH SICK!

Nico: OH YUCK!

We were inside a REALLY GIANT INTESTINE and it was awful and smelled REALLY BAD!

Nico: Nicole, what kind of surprise is this?!

Nicole: It was the first thing that came to my mind.

Nico: Oh.

Me: This is a nasty level but the music in this one always gave me the creeps!

Jamesdean5842: It gave me the creeps too. The heartbeats, psycho strings and organ music sent shivers down my spine.

Nico: I see what you mean.

Nicole: Also this was the level were Earthworm Jim fought Doc Duodenum.

Nico: Oh yuck!

LOUD NASTY FARTS!

We saw fart glands all over the place and they were farting all over!

LOUD FARTS!

Nico: Dear God!

LOUD NASTY HORRIBLE FARTS!

Me: OH MAN!

Earthworm Jim: Believe me guys, I hated this one.

Me: I can see that.

Twilight Sparkle: This is a gross place. But we can get through it.

But then...

LOUD NASTY VOMIT NOISE!

A MASSIVE STREAM OF REALLY GROSS SLIMY BLOOD BLASTED AND DRENCHED TWILIGHT AND FRIENDS IN REALLY NASTY HORRIBLE SMELLING BLOOD!

Me: OH SICK!

Qin: YUCK!

Rarity: (SCREAMS)

Fluttershy quivered in gross fright.

Lola: OH YUCK!

Me: OKAY WHO IS THE WISEASS!?

Nico: ASK THAT MONSTROSITY!

We saw a MASSIVELY HUGE WORM!

Lincoln: OH MAN! That's Earthworm Jim's Akuma, Trichinella Worm Jim! The Hypothetical Akuma of Earthworm Jim and he is a giant parasitic worm that is REALLY OUT for blood! He has REALLY NASTY BLOOD VOMITING powers and he throws up blood that is so rancid and vile and gross and it smells worse than Goreshark's blood! And he was made because of Psycrow killing Princess What's-Her-Name and he vowed to kill that freak!

WE GASPED!

Me: THAT Repulsive Psychotic Sack of Rotten Feathers!

Nico: He's Princess What's Her Name's target.

Me: I know!

He vomited more blood and it drenched Twilight and friends more!

SPLAT!

Me: OH SICK!

Nico: You need to really see a doctor about all that vomiting!

I smelled the blood.

Me: OH GOOD GOD! THAT SMELLS MORE HORRIBLE THAN STACY'S AKUMA!

Qin: YUCK!

Me: From an Earthworm to a Parasitic Worm! YUCK!

Ymir: What is Trichinella?

Nicole: It's a parasitic worm that is usually found in undercooked meats like pork and when they get inside you, they spread all over your body and can kill you by going into the intestines and the blood stream.

Ymir: YUCK!

Me: SICK!

He roared and I fired a wave of energy and blasted him all over the place!

Nico: And he can't talk

Me: Nope.

I fired waves of energy and blasted him.

Then he vomited more blood and then...

KRASPLAT!

IT SPLATERED ALL OVER NICO AND MAY!

Nico: OH SICK!

May: (SCREAMS) I HAVE BEEN BLOODVOMITED!

Nico: That's not even a word!

Me: But we understand what you mean!

Lori: Wait! Ozzy how did you get rid of Trichinosis?

Ozzy: Well in Hector we had to use Bicarbonate of Soda and it destroyed the worm no problem.

Lori: You hear that J.D.?

Me: I heard you loud and clear.

I pulled out a can of club soda and bicarbonate and shook it up and threw it and it went into its mouth.

He then was inflating like a balloon!

Me: HE'S GONNA BLOW!

Nico: HIT THE DECK!

We ducked behind a gland and then...

MASSIVE AND DISGUSTINGLY GROSS BLOODY AND NASTY EXPLOSION!

WE WERE ALL DRENCHED IN BLOOD AND GUTS AND BLOOD VOMIT!

Me: OH YUCK!

Nico: OH SICK!

Qin: OH THIS IS GROSS!

Me: We're going to really need a bath after this!

Maria: Here guys.

She cleaned us off. But then...

ZOOM!

RARITY RAN OUT OF THE SIMULATOR AND RAN TO HER BATHROOM!

Nico: I don't blame her.

Me: It wasn't her turn to trap Brawlrus anyway. But yeah.

Nico: But thanks Maria.

Maria: Anytime guys.

Brawlrus came!

Brawlrus: WHOA MAN! You guys alright?

Me: Other than having to deal with Earthworm Jim's Akuma that was a giant nasty blood vomiting parasitic worm, we're fine.

Nico: You weren't vomited on?

Brawlrus: No I was further down the intestine here. But you guys had it rough from what I heard.

Me: That is a big time understatement. At least it wasn't a shit monster or a toxic waste monster!

Brawlrus: Too true. Lets do this then!

Sprocket: THE FIX IS IN!

Drill Sergeant: (Techno Voice) LICENSE TO DRILL! HUP HUP HUP!

Spy Rise: IT'S CLASSIFIED!

Magna Charge: (Techno Voice) ATTRACT TO ATTACK!

Nico: Lets do it!

We fired waves of energy and rocks and blasted him.

Jen turned into NRG!

Female NRG: (Russian Accent) NRG!

She fired waves of fire and blasted him!

Pohatu and Onewa fired rocks and bashed him.

Nico: Lets do it!

We fired waves of energy and rocks and blasted him.

Jen turned into NRG!

Female NRG: (Russian Accent) NRG!

She fired waves of fire and blasted him!

Pohatu and Onewa fired rocks and bashed him.

Nico: Is it because NRG's team is next?

Female NRG: That's right.

Me: Cool! It'll be awesome to see what the rest of the Andromeda 5 will have as their teams.

Nico: Yep.

Cooper Daniels: Guys I need some metal and stuff.

Me: Way ahead of you Cooper!

I pulled out a scroll and unsealed a bunch of metal parts and stuff and he used his powers and made an amazing new bunch of blasters.

Me: WHOA!

Cooper Daniels: Elemental Crystal Laser Blasters.

Me: Sweet!

I fired mine and it blasted Brawlrus with fire!

Me: COOL!

Nico: I know!

Nicole: That was awesome!

Me: Lets end this guys!

Pohatu, Onewa, Cooper Daniels, Jen Tennyson, Maud Pie, Limestone Pie, Sprocket, Drill Sergeant, Spy Rise, Magna Charge, Bright Man and Fuse Man: TECHNO SKYLANDS BLAST STORM!

They fired waves of energy and metal and gears and blasted him down and he was down!

BRAWLRUS DEFEATED!

Me: You know what to do Pinkie!

Pinkie Pie: PARTY TIME!

She held up an orange trap and a vortex appeared!

Brawlrus: What is this, some kind of vortex? Well then, vortex hoooooooooo!

He got sucked into the vortex and got put into the trap!

Brawlrus:"What is this trap, some kind of trap? I've never been in a trap before. Been lost in tubes for some reason but never a trap!"

BRAWLRUS TRAPPED!

Pinkie Pie: Now you have to be a good guy now! And it will be party fun!

Brawlrus: "Well I guess the writing is on the wall here. Brawlrus is going good!"

Me: That's the ticket!

We left the simulator!

Me: WHEW! Glad that's over!

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Ymir: So lets see this story.

Twilight Sparkle: It's like A Christmas Carol. This is the story of a powerful unicorn named Snowfall Frost, who hated Hearth's Warming Eve. It all began many moons ago in Canterlot...

The story began in Canterlot long ago and it showed everything decorated all over for Christmas and it was so beautiful.

Twilight Sparkle: [narrating] Every home in Canterlot was filled with holiday spirit. Every home... except one.

That home belonged to Snowfall Frost. It was NOT decorated with one light or decoration and it was depressing. Starlight Glimmer was playing as Snowfall Frost.

Twilight Sparkle: It was said of Snowfall that she was almost as studied as Star Swirl the Bearded. Almost, since everypony knows that Star Swirl was an expert at everything from transfiguration, dimensional calibration, teleportation—

Spike: [narrating] We get it. Star Swirl's awesome.

Twilight Sparkle: [narrating] Right. The point is, Snowfall was also a powerful unicorn. She wanted to be perfect. Anything that got in the way of that was a waste of time.

[bells ringing]

Bells Rang outside and she had her spell disrupted.

Starlight Glimmer: [gasp] Well, that batch is ruined. Snowdash!

Twilight Sparkle: [narrating] Snowdash was Snowfall's loyal assistant.

Rainbow Dash was playing as Snowdash.

Rainbow Dash: What do you need?

Starlight Glimmer: Get this mess cleaned up. (Hands her a broom) Those foolish ponies were ringing those blasted bells outside the window and I lost my concentration!

Rainbow Dash: [under her breath] Whoa, ponies actually enjoying Hearth's Warming Eve. Where did they get that crazy idea?

Starlight Glimmer: Today is nothing to celebrate. Hearth's Warming Eve is a menace. A dangerous day for all of Equestria.

Rainbow Dash: Dangerous?! It's awesome! It's the day we remember how unicorns, Pegasi, and Earth ponies came together in friendship to defeat the windigos!

Starlight Glimmer: That silly legend is the problem! Telling everypony that "singing songs and being nice" will solve anything? I've spent years studying magic, and that's not how it works.

Rainbow Dash: I think you might be missing the point.

[magic zap]

She teleported in front of her.

Starlight Glimmer: Work hard, learn, and use your skills to better Equestria. That's a worthy goal for any pony. [sarcastically] But, by all means, if you want to go home early, ignore all of the work you have, and spend the rest—

Rainbow Dash: Sweet!

She left for her home.

Starlight Glimmer: Ugh!

She looked out the window and saw everyone having fun.

[crowd chattering]

Starlight Glimmer: I hate Hearth's Warming Eve! All of Equestria would be better off if we just skipped the day altogether.

She hated that holiday with a vengeance.

[Starlight Glimmer]

Happy Hearth's Warming, they say in the street

Happy Hearth's Warming, they think they're so sweet

Words said so often that they lack any meaning

Why should I join in when I could be intervening?

(She got two potions out)

Everypony loves this cursed holiday

But would they be better off with it out of the way?

(She was making a potion and it rumbled and bursted out smoke.)

Well, okay

Say goodbye to the holiday

With my magic, I'll erase it

(She takes down decorations)

The greatest gift that I give today

And everypony will have to face it

(She took a pony's toy)

No more little games for you to play

After you say goodbye to the holiday

(She went back into the house)

Goodbye, Hearth's Warming, you had a good run

Goodbye, Hearth's Warming, it's over, you're done

(She put the stuff in the brew)

Finally set free from your forced celebrations

No need to reply to your trite invitations

Calendar shorter by a single day

Is my magic up to the test?

Time to see, I can't delay

(She was forming a potion that would erase all of Hearths Warming forever.)

Say goodbye to the holiday

Prepare the spell, no hesitation

All memory shall fade away

See Equestria's new transformation

(She poured in potions and smoke ponies formed above)

No more shall anypony say

Happy Hearth's Warming...

[sinister laughter]

...after today!

After today...

UH OH!

Starlight Glimmer: Once the spell is cast, all of Equestria will be better off, and they'll have me to thank for it!

UH NO THEY WON'T!

Starlight Glimmer: Wait a minute. Snowfall doesn't like Hearth's Warming Eve so she decides to cast a spell to get rid of it altogether? That seems a little extreme.

Me: Yeah I agree.

Laney: That's going way overboard.

Applejack: I agree with y'all on that one.

Spike: [muttering] Says the pony who tried to make everypony the same by replacing their cutie marks with equal signs. [sips cocoa]

Me: You made your point Spike.

Twilight Sparkle: I think what Spike is trying to say is that everypony has their reasons for doing things. Even Snowfall. And if I could continue the story, we might just find out what they are.

Spike: Proceed.

Twilight Sparkle: Snowfall was all set to cast her spell that would erase Hearth's Warming Eve for all time...

She was about to cast her spell.

Twilight Sparkle: [narrating] ...when a voice from the hearth caught her attention.

Applejack: You sure you wanna go through with this?

Starlight Glimmer: Huh?! Who's there?!

A bubble came out of the brew.

[bubbling]

A ghost appeared and it was Applejack as the Ghost of Hearth's Warming Past.

Applejack: The Spirit of Hearth's Warmin' Past, that's who. And you and me have got to have us a little chat.

Starlight Glimmer: A spirit?! [suspiciously] I didn't cast any spirit summoning spell. What are you doing here?

Applejack: You don't think a spell like that would get by without some powerful forces noticin'? You've got our attention, Snowfall Frost, and we've got some pretty strong opinions on this spell of yours.

Starlight Glimmer: "We"?

Applejack: They'll be along in a bit. For now, it's just you and me. Let's get a move on. We got a ton to see and barely any time to see it.

The spirit opened a window.

Starlight Glimmer: I'm not going anywhere. I've got a spell to cast, and I don't need a history lesson about Hearth's Warming Eve.

Applejack: We aren't goin' to the past to learn about the holiday. We're goin' to learn about you.

She used her lasso and grabbed Snowfall Frost.

Starlight Glimmer: [yelps] [wailing]

They were off and flying through the air.

[Applejack]

As a young thing, life sure is somethin'

You go makin' choices large and small

(They arrived into the past in Snowfall's old village)

Always growin' like a seedlin'

And playin' is like dreamin'

And before you know it, big and tall

And every little bitty choice you make

Sends you down a path to who you are today

So let's take a little trip down memory lane

And see just what the past has to say

(They saw Snowfall Frost when she was younger and she was a well liked and spirited young girl with a love for Hearths Warming like everyone else.)

Aw, look how cute you were. Looks like you're not too upset it's Hearth's Warming Eve either.

The seeds of the past

They grow pretty fast

Just look at who you were back then

The seeds, as they grow

Look what they can show

Reveal the truth time and again

Young Snowfall came back into her school and she was starting to decorate the school

Professor Flintheart: Just what do you think you're doing, Snowfall?

Young Starlight Glimmer: Decorating the classroom for Hearth's Warming Eve, Professor Flintheart!

Professor Flintheart: You said you wanted to learn to be a powerful unicorn, did you not?

Young Starlight Glimmer: I do!

Professor Flintheart: And what is the way that one becomes a powerful unicorn?

Young Starlight Glimmer: [clears throat] Work hard, learn, and use your skills to better Equestria.

Professor Flintheart: And how do these help you to learn magic?

Young Starlight Glimmer: I want to be strong enough to stop windigos and help ponies!

Professor Flintheart: That's just a story we tell little ponies. Real magic takes time to learn.

[ornament shattering]

Professor Flintheart crushed an ornament.

WHAT A JERK!

Professor Flintheart: It's your choice. Spend your time learning to become a powerful unicorn or play with your toys and make nothing of yourself.

[Applejack]

Then some distress, words so careless

Standin' there, you don't know what to do

Feelin' helpless, you can't make it hurt less

So you go and change your point of view

(Snowfall Frost then became bitter and hated Hearths Warming with a vengeance)

And in that moment, though you didn't know it

Your defenses set up walls you built to last

Leading to the pony you've become today

And the spell you're about to cast

It all comes from your past

[Starlight Glimmer]

The seeds of the past

We grow up so fast

Some hurts never go away

[Applejack]

The seeds, as they grow

This we can't let go

All tied to this one holiday

She woke up back in her house.

[bubbling]

Starlight Glimmer: [gasps] Spirit? What am I supposed to—

She saw a huge present in her room and it opened.

[sound of confetti launching]

Out of the present with confetti blasting was Pinkie Pie as the Ghost of Hearth's Warming Present.

Pinkie Pie: [reverberating] Snowfall Frost! It is I, the Spirit of Hearth's Warming Presents!

Starlight Glimmer: Um, don't you mean "Present", like the time?

Pinkie Pie: No! Toys, Hearth's Warming doll... Here, want a cupcake?

She gave her all that.

Starlight Glimmer: Fine, "Presents". All of the pointless things ponies waste their time on.

Pinkie Pie: Oh, Snowfall, it's not what the gift is that matters, it's what the gift means!

Starlight Glimmer: It doesn't mean anything. It's just stuff!

Pinkie Pie: Exactly! Sometimes a cupcake means "I love you!" Or a toy means "Hi, how're you doing?" Sometimes a book means "Your mane looks amazing!" And sometimes a scarf means... Well, a scarf usually means you look cold. That one's easy.

Starlight Glimmer: I don't understand anything you're saying.

Pinkie Pie: Whoa! Whoa! [trembles]

She was shaking like a leaf.

Starlight Glimmer: What's happening to you?!

Pinkie Pie: My Spirit of Hearth's Warming Presents Sense is going off! That means a song is coming on!

[Pinkie Pie]

Take a look at everything around you

All the smells that surely will astound you

Open up your heart, it will surround you

In the magic of Hearth's Warming Eve

(She put a wreath around Snowfall)

(A pony gave a poor pony some cocoa)

The little things that make it better

(Little kids were singing carols for a nice old pony)

Little ponies spreading cheer

Give a toy, a hug, a sweater

Memories that last all year

The present's always filled with presents

Large, medium, and small

Sometimes the most important things

Aren't very big at all

[tap-dancing solo]

What a party, there's so much to see here

Can't believe you didn't want to be here

You'd have had a blast, I guarantee here

This is the spirit of Hearth's Warming Eve

(Snowdash and the versions of Rarity and Fluttershy were having fun)

Cider's flowing, this is living

(They clinked glasses and drank)

Come on and feel the beat

Life is better when you're giving

Each time you do it feels so sweet

The present's always filled with presents

So come on, open your eyes

Spend time with ponies just like you

And watch your spirits rise

The present's always filled with presents

Take a look around

The reason for the holiday

Is quite easily found

Yes, the reason for the holiday

Is quite easily found

And the reason is to be with your friends!

Twilight Sparkle: [singsong, as Pinkie Pie] And the reason is to be with your friends! [normal] What?

Starlight Glimmer: You know you're doing your Pinkie Pie voice, right?

Twilight Sparkle: I was not!

Me: I thought that was really cute.

Nico: Me too.

Lincoln: It was adorable.

Lola: Yeah it was.

Spike: [laughing]

Starlight Glimmer: So, what happens next?

Twilight Sparkle: Well, the party was—

Spike: Wait! Can we take a quick break? I need to refill my cocoa.

Me: All right. I needed to get some hot cocoa anyway.

Twilight Sparkle: [groans] Fine. But hurry up! We're almost to the best part!

We went to get some more cocoa and we had it.

Spike: [blows] Okay, I'm ready.

Me: We all are.

Twilight Sparkle: The party was in full swing.

Rarity: Snowdash!

Rainbow Dash: Hey, Merry.

Rarity: Why, whatever is the matter, darling?

Fluttershy: Was it the eggnog? Oh, I knew I put in too much cinnamon!

Rainbow Dash: Oh, no, the eggnog was awesome, Flutterholly, I'm just mad at somepony who was complaining about how awful Hearth's Warming Eve is.

Rarity: I don't suppose that pony's name starts with "Snow"?

Fluttershy: And ends with "Frost"?

Rainbow Dash: She said Hearth's Warming Eve is just an excuse to party, and we would all be better off spending time working to make Equestria a better place.

Crowd: [booing]

WHOO! They got that right.

Rarity: What does Snowfall think a better Equestria looks like?

Rainbow Dash: Ponies working hard, learning, and using their abilities for the benefit of Equestria.

Fluttershy and Rarity: [giggling]

[thunk]

A snowball hit the window.

[foals laughing]

Kids were building a snow pony that looked like Snowfall Frost.

Rarity: [muffled] It looks like we've got everything on Snowfall's list right here.

Fluttershy: I think a perfect Equestria looks a lot like a Hearth's Warming Eve party.

Pinkie Pie: Me too! Too bad it's going to be the last one ever! Ever! Ever! Ever! [echoes out]

An ominous fog rolled in.

Starlight Glimmer: Spirit? What do you mean? What's going to happen?!

[wind blowing]

Snowfall then met a hooded figure and it was Princess Luna as the Ghost of Hearth's Warming Yet To Come.

Starlight Glimmer: Who are you?

Princess Luna: I am the Spirit of Hearth's Warming Yet to Come.

Starlight Glimmer: Are you here to show me what future Hearth's Warming Eves are like?

Princess Luna: No, for there are no more Hearth's Warming Eves for me to show.

Starlight Glimmer: Why not?

Princess Luna: You will succeed in erasing the holiday, as you wished.

Starlight Glimmer: And what happens?

[Princess Luna]

I see a cold wind blowing through

(She showed her the future and it showed all of Equestria buried in snow and turned into a Frozen Hell)

I see days neither fun nor free

(No one was outside as they were all trapped in an ice age)

I see a future caused by you

I see a path not meant to be

(Snowfall backed up and a black wind blocked her path as she approached a cliff edge)

The future should be filled with magic

Dreams and wishes brought to life

(The spirit used her magic to make a Pony and a girl dancing)

But the days ahead are dark and tragic

No time for hope when all is strife

Whatever might have been

All the dreams that ponies share

Because of you, Snowfall Frost

Now the future is a cold nightmare

Two terrifying ice creatures called Windigos appeared.

Starlight Glimmer: Windigos?! They aren't real! It's just a little filly's story!

Princess Luna: They are all too real, Snowfall, and your actions will allow them to return. The future of Equestria shall be bathed in a blanket of eternal snow!

Because of Snowfall's spell she would turn all of Equestria into Hell on Earth! I was shivering with fright as we were hearing this part and ice was forming down my back.

Starlight Glimmer: No! I never meant for this to happen! I didn't understand! I didn't see how important Hearth's Warming Eve was! Please, spirit! I haven't cast the spell yet! Is there still time?! I'm sorry! [echoing]

She woke up and saw that she was back in her house.

[window opens]

She looked outside and saw that it was still Hearth's Warming.

[bell ringing]

Starlight Glimmer: There's still time!

She got ready and headed to the party.

[party crowd chattering]

[knocking]

[door opens]

They saw that Snowfall Frost was at the door.

Rarity: Oh, my.

Fluttershy: Snowfall Frost?

Starlight Glimmer: I was hoping I wasn't too late for the party? I brought gifts.

[record needle scratch]

Rainbow Dash: [spit-take] Boss?!

Starlight Glimmer: I was wrong earlier, about Hearth's Warming Eve. It's not all about singing and presents. The singing and presents are all about celebrating the ponies in our lives. The ponies we should listen to more often: our friends.

Snowfall Frost learned a huge lesson and she gave everyone presents.

Rainbow Dash: Wow.

[rip]

She was given a potion.

Rainbow Dash: Dragon toenail? Uh... thanks?

Starlight Glimmer: I was in a hurry. I'll do better next time.

Rainbow Dash: Ha. You kidding? No one's ever given me dragon toenail before! It's awesome! Now come get some eggnog!

Twilight Sparkle: [narrating] And from then on, it was always said of all the Hearth's Warming Eve celebrations, Snowfall's was the Hearth's Warmingest.

The story was done.

Twilight Sparkle: The end.

[book closes]

Me: That was a great story Twilight!

Nico: It sure was.

Laney: It was just like A Christmas Carol.

Brittney: I loved the part with the Future. That was cool.

Lucy Loud: It sure was.

LOUD NASTY SNEEZE!

Sam Sneezed.

Luna: Bless you Sam!

Sam Sharp Loud: This fucking sucks!

LOUD SNEEZE!

Me: Geez! Bless you.

Nico: Yeah I know.

Rarity was covered in scratches and scrape marks.

Varie was putting bandages on her.

Varie: Geez Rarity you really scrubbed yourself too hard.

Rarity: Ow ow ow ow. I know. But... ow!

She put iodine on Rarity.

Varie: Sorry.

Rarity: But it really was so gross darling.

Varie: I know.

Me: Man we're getting hurt and more!

Nico: No kidding!

Twilight Sparkle: That was the most disgusting adventure we had there wasn't it?

Nico: It was.

Qin: Personally I would rather thrash Crackhouse Goofy or Minnie than go through that.

Nico: I know.

Crackhouse Goofy: (OFFSCREEN) OH HELL NO!

Me: You poked a bear Qin.

Qin: Now it's my turn to thrash one of the Crackhouse Disney jerks.

We went to Mr. Grouse's house.

Poliwag: YEAH!

RIP!

CRACKHOUSE GOOFY SCREAMED IN AGONY!

HIS EARS AND TAIL WERE TORN OFF!

Nico: YIKES!

Me: OUCH!

Qin then tore Crackhouse Goofy apart like how Jimmy did to Double D!

When the dust settled, Crackhouse Goofy was REALLY MANGLED UP! His nose, ears and tail were ripped off and his teeth were knocked out and his fingers and legs were busted up and bones were sticking out of his body and limbs and he was bleeding profusely!

Me: TAKE THAT YOU STUPID SHIT-EATING COW!

Cammy Bolton: Gai, remember when we met you?

Gai Kurenai: I sure do and that was so fun.

Lynn: You bet it was!

Nico: What a beatdown!

Xenia: YIKES!

Qin then grabbed him.

Qin: Let me make one thing clear you ugly piece of trash! You are a stupid and worthless loser and your friends hates you because you abuse them and beat the crap out of them and you are a pathetic piece of garbage that only cares about control and taking over other people's lives and you abuse your friends and make them feel small when in truth, YOU are the one that's weak and small! YOU are a pathetic piece of dirt that doesn't care about anyone but yourself! You would rather make Mickey and your friends suffer and you would rather see him never be happy! He deserves to be happy! You don't! You ever do anything that hurts your friends again I will rip your head off and then rip your brains out and then shove them so far up your ass that you will poop out your brain! Then I will rip your heart out and then eat it and vomit it into your throat and then you will puke blood for the rest of your life! Then I will disembowel you and shove your intestines down your throat and make you pee and shit in your stomach! And then I will rip your lungs out and make you fart in them! And then I will throw your corpse into the sun and make you burn before sending you off to the Black Abyss myself! YOU UNDERSTAND ME!?

WE GASPED!

Sebastian Mendez did all kinds of Wild Takes! (EYE BULGE) (SCREAMS OF FRIGHT)

Sebastian Mendez: OH SWEET MERCIFUL NEPTUNE!

HE WENT TO THE DUMPSTER AND THREW UP A LOT!

Nico: BRUTAL!

May: (Faints)

FWOMP!

Luna: Puke storm! (FAINTS)

FWOMP!

Nico: HARSH!

Crackhouse Goofy was thrown to the hospital!

Me: BRUTAL!

We arrived at Mr. Grouse's house and knocked on the door and Loki answered it.

Me: Oh hello Lord Loki.

Loki (Marvel): (British Accent) Good to see you all here. Mr. Grouse is really in pain.

Me: Uh oh.

We went to see him.

Zhuqiaomon: Hi, Mr. Grouse.

We saw him on his bed in pain.

Me: Are you alright Mr. Grouse?

Mr Grouse: My back is really sore. I threw it out as I was trimming my hedges. I dropped my clippers and threw it out.

Me: Ouch!

Francesca: That had to hurt bad. Grandma Muriel had really bad back pain like that and we took her to a healing spring at the top of Mount Nowhere.

Lana: I remember that.

Bai Tza: Me too. That was rough there.

Mr. Grouse: I can tell.

Me: Maybe we can help you out. The mascots give good Massages.

We got out our stuff.

Minuette: We did good helping to take down some of your enemies

Twilight Sparkle: You guys had a lot of fun there.

Gai Kurenai: We sure did.

Sam sneezed.

Sam S.L.: (Sniffles) Sorry guys. I have a nasty case of hay fever.

Mr. Grouse: Oh yeah I heard the allergy levels were really bad.

Me: Yeah and Rolf hurt his back earlier.

Mr. Grouse: That was bad.

Me: Yeah.

Mr. Grouse: Oh man! Rarity what happened to you?

Rarity: I do NOT Want to talk about it darling.

Me: (Whispers in his ear) We had a really disgusting Skylanders adventure and Rarity got splattered in blood that smelled horrible. She scrubbed herself really raw and is hurting all over.

Mr. Grouse: Oh man that's awful.

We got to work.

The mascots did their stuff.

Soundwave: Time to help your back

Poromon: Yeah!

The mascots had a great massage session.

Poromon: Man you really stressed yourself.

Mr. Grouse: No kidding. (Groans) Ahh. Feels great!

Poromon: You don't have any back barnacles on you do you?

Mr. Grouse: Oh gross! No way.

Me: You don't want to know what those are.

Mr. Krabs: (LAUGHS) I made Squidward pop mine and it was nasty for him.

Squidward: (Cringing) I can still feel their squishy vileness!

Lynn: And we killed my Dark Self.

Anna Anyanova: We sure did. One of Lincoln's Guardian Angels enemies gone for good.

Gai Kurenai: Yeah no kidding.

Qin: Yep.

Mr. Grouse: Ahh that feels so awesome.

Loki: Didn't I tell you that they do good massages?

Mr Grouse: They sure do.

Blaster: They've had plenty of practice

Me: Yep.

Sam sneezed.

Luna gave her a tissue and she blew in it.

FOGHORN HONK!

Sam S.L.: Oh man.

Poromon: We're so sorry, Sam.

Sam S.L.: It's okay guys.

Me: When you have Hay Fever you can't help it.

Nico: Yeah.

Sam sneezed.

Luna: Bless you. At least you have me to take care of you.

Sam S.L.: Thanks Lunes.

Me: Aww.

Luna: Also at least you don't have bad allergies like Ed does.

Eddy: No kidding.

Double D: Qin, do you and the rest of the Underground Girls have old friends that might be jealous of you?

Qin: Hmm...

Sydney: Well now that you mention it... Yes we do.

Nanette: A lot of them.

Harriett McGee: We do have a few of them but we can't name all of them off the bat.

Me: They must really hold a grudge on you.

Laura Komodo: I don't know anyone that holds a grudge on me.

She was talking to a bunch of butterflies.

Laura Komodo: We are sure happy to be back home aren't we?

The butterflies nodded.

Fluttershy: Laura and I sure do have so much in common.

Eddy: You worry too much, Sockhead. What are they gonna do? Get themselves mutated into evil versions of their Underground Monster forms?

Me: Eddy don't give him any ideas!

Eddy: Sorry.

Edd: You're right. But the possibility is still out there.

Qin: Yeah.

Me: How do you feel Mr. Grouse?

Mr. Grouse: I feel really awesome.

He got up.

Mr. Grouse: I feel really great!

Me: We're happy for you Mr. Grouse.

Nico: Besides, we still haven't found all the undocumented ones

Me: Well we're doing good so far.

Qin: Yeah. We got 3 quarters of them fully covered.

Xenia: Yeah.

Nico: We've made really good progress.

But then there was a roar!

Me: Uh oh!

We went outside and saw a HUGE AND BIG POKEMON! It was a GIGANTAMAX GYARADOS!

Me: HOLY CRUD! Gigantamax Gyarados!

Eli: It's huge!

Qin: It must be over 80 feet long!

I looked it up and it was 82 feet long and weighs over 518 pounds.

Me: It's over 82 feet long and weighs over 518 pounds.

Eli: WOW!

Nico: Where did that come from?!

Me: Must be one of Dark Gale's work!

Sheena: Lets see.

She used her powers and gasped.

Sheena: Mero she is a girl named Aqua Triton.

Mero the Mermaid: That's my sister! Oh man!

Me: Let go help her then!

We went over to her.

Mero: Aqua calm down! It's me Mero!

She used Hydro Pump and fired water and we dodged it.

Me: WHOA!

Then she used Hyper Beam!

Me: Uh oh!

She fired a massive energy blast and I fired a Kamehameha Wave and the blasts collided and exploded with incredible power!

EXTREMELY MASSIVE AND POWERFUL FIERY EXPLOSION!

Me: WHOA MAN!

Nico: POWERFUL!

Me: Okay then.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and blue angel wings and had Gigantamax Gyarados on her forehead and had the symbol of Atlantis on her arm and she had a voluptuous body.

We wrapped her in a blanket and brought her over.

Me: Nice one Mero!

Mero the Mermaid: Thanks! Been a while.

Me: I know.

She woke up.

Aqua Triton: (Groans) What happened?

Mero: Aqua? Are you okay?

Aqua Triton: Mero!

She hugged her.

Aqua Triton: I'm glad you're okay.

Mero: Thanks to J.D. He saved me from McWolf and I'm now in his harem.

Me: Long story on that. You were turned into a Gigantamax Gyarados by Dark Gale.

Aqua Triton: Oh man! I was searching for Mero when it happened.

Me: Well she is in really good hands.

Ymir: How did you meet Mero?

Me: We met her in the world of Spyro and we met her in Luau Island.

Mero: I was held captive by McWolf and it was a great rescue.

Olivia Pensagammon: I remember that! Me and J.D. saved you.

Aqua Triton: I'm grateful for that.

Maria: Lets get you some new clothes. Rarity is in a lot of pain because of one of our adventures.

Me: Nasty story.

The Fashion Brigade gave her new blue clothes and a storm staff.

Aqua Triton: I look amazing.

Me: You sure do.

Rei Miyamoto looked at her breast size.

Rei Miyamoto: You are gigantic. Your breasts are bigger than mine.

Aqua Triton: Are they really? Wow!

Laura put on her jumpsuit. It was green.

Laura Komodo: I'm ready..

We got back to the estate.

We were watching TV.

Then Lego Luthor contacted us.

Lego Luthor: Hello, Nico. I hope the Anti Life Equation isn't giving you side effects.

Nico: Honestly, it isn't.

Lego Luthor: Don't get too attached to it. You won't have it for very long.

Nico: Relax. I know that.

Lego Luthor: Good. When you're ready, head to Wayne Tower. Batman, Bronze Tiger, and Two Face are already there.

Carnivac: We're right on it.

Me: Yep.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Steppenwolf, and he was out to find The Anti-Life Equation. When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud, Steppenwolf is on the move to find The Anti-Life Equation!

Eli: Darkseid's now on the attack!

Lincoln: We need to take care of Steppenwolf immediately before he finds The Anti-Life Equation.

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Steppenwolf, and he's out to find The Anti-Life Equation.

EVERYONE GASPED!

Zhuqiaomon: Oh, this is not good! We need to stop him!

Me: And we're going to do just that, Zhuqiaomon.

Nico: That's for sure, this is the prelude to the ultimate battle that'll seal Darkseid's fate forever. Alright, team, let's go, it's time to put an end to Steppenwolf once and for all.

Lincoln: This monster doesn't deserve to live not after what he's done in Darkseid's name.

The previous group came.

Xigbar: Can me, Larxene, Zexion, Marluxia, Leonard, King Hiss, Shiv, Webstor, Vexen and Firefly go with you guys?

Nico: Yes you all can come with us.

Qin: Yep.

Alice Gehabach: Nico, which Gene Slammer do you think you'll meet next?

Hydranoid: It should be another Elemental Hero.

Nico: It is. Elemental HERO Clayman next.

Me: Earth power.

Qin: Nice.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and

Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was The Absolute Being and The Rulers, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt from Solo Leveling, and they're coming to destroy us and all of mankind. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got some serious trouble!

Me: Oh man, was that...?!

Lincoln: The Absolute Being and The Rulers, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt from Solo Leveling, and they're coming to destroy us and all of mankind.

Laura Daniels: We got to stop them, and Lincoln, I hope you absorb them.

Lincoln: Of course, Laura, that's what I intend to do.

Nico: The Absolute Being is known as a Supreme Being, and he's really strong, and Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt are also strong as well, but they're in for quite a huge surprise. Alright, team, let's get going and put an end to Steppenwolf.

Lincoln: That monster and servant of Darkseid is going to pay for everything he's done, and once we get done with Steppenwolf, you're next, Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt.

Laura Daniels: You have caused enough chaos for the final time, Absolute Being, you and the Rulers are going to pay for all of your crimes.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed out to destroy Steppenwolf before he gets his hands on The Anti-Life Equation for Darkseid, and once we get done with him, Laura Daniels and Lincoln are going o destroy The Absolute Being and The Rulers, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt from Solo Leveling and Lincoln's going to absorb them.

We were off.

We arrived.

Me: Bruce Wayne's tower in the Lego World.

Camie: Yeah no kidding.

Marluxia: Let's call Pyros.

Me: Good idea.

We did so.

Pyros: MELT ZEUS!

We saw Lego Batman.

Lego Batman: Thank you for coming.

Chan Lee: Our pleasure. So, what's the plan?

Lego Batman: We're still figuring that out. But in the meantime, we need to get Nico inside before Darkseid and his remaining forces find him.

Fourtress: It's your building. Lead the way

Me: Right.

We followed him.

We went into the elevator as it went up.

King Hiss: Nice elevator music.

Lincoln: I've had it with Steppenwolf to last a fucking eternity.

Lego Bronze Tiger: Ok, I think fighting Team Buktu and the Crime Syndicate has made you paranoid. In here, we're completely safe.

Me: Actually, I'm the one that should be saying that because I killed Darkseid before.

Nico: Yeah.

But just then, we saw Parademons roaring outside before the elevator stopped and the power went out

Me: Uh oh!

We teleported out of the elevator and I blasted the Parademons and I used my tails and used Cell's Stingers and killed the Parademons.

Battletrap: Two Face, what does your coin say we should do now?

Lego Two Face flipped his coin and it landed on the unscarred side.

Lego Two Face: It says we should find another way up to the top floor!

Me: Stay close to me.

I used Instant Transmission and teleported all of us there.

Lego Two Face: Wow! That worked!

Webstor: Ok. NOW we're completely safe.

Me: Yep.

Qin: Yeah no kidding.

Plitheon: Yeah. We're safe. For now, anyway.

Jesse Glenn: But sooner or later, events will happen that will move this main act along

Me: Yeah. Anyway lets begin the analysis.

We got to analyzing Nico to make sure the Anti-Life Equation isn't affecting him.

Specifically, it was Lego Cyborg who was analyzing Nico.

Firefly: What does your analysis say?

Lego Cyborg: Nico's powers are really strong and they are too strong for the Anti-Life Equation to affect him in any way. His powers are containing it.

Me: Looks like our hypothesis on that is right.

Nico: Yep.

Lego Bronze Tiger: But are they giving you any additional powers?

Nico: I don't really know.

Me: I'm not really sure what kind of powers it can give him.

Qin: Yeah.

Nico: And I don't plan to find out. I'm keeping it just long enough to...tweak it a bit.

Laney: We have a plan for that.

Me: Long story.

Lego Luthor: Good idea.

We saw Lego Penguin outside killing Parademons with his umbrella.

Static: At least the others are keeping the Parademons busy

Me: That's good.

Laney: Yeah.

Lincoln: I'll make shadow clones to help out.

Lincoln did so and they killed Parademons by the thousands.

Lego Two Face: I don't need the coin to know that Steppenwolf is eventually gonna find his way up here.

Me: Well Steppenwolf will pay for everything too.

Xenia: Yeah.

Lego Batman: Maybe we should take the battle against him to somewhere else so the building doesn't get damaged.

Nico: Would the nearby monorail count?

Me: That works.

Qin: Good idea.

But then...

(PHOENIX CRY)

Me: WHOA LOOK!

We saw a HUGE PHOENIX IN A MASSIVE FIREBALL!

Me: WHOA!

Lincoln: Oh man! That's Zhuqiaomon's Akuma, InfernoSuzakumon! The Hypothetical Akuma of Zhuqiaomon and a deadly master of Phoenixes and intense fire and flames. He is one of the Dark Sovereigns of Destruction and is the Dark Sovereign of the South.

WE GASPED!

He showed a sketch and it was intense!

Me: WHOA! That is one INFERNAL phoenix!

Zhuqiaomon: But it's fitting for me because I am a Phoenix.

Lync Volan: How did he get created?

Me: Lincoln's premonition doesn't really say.

Lincoln: Yeah.

Gabriel: I would have been too scared to find a probable cause for him. The Sovereigns are that powerful and intense.

Me: He does have a good point.

Nico: Maybe he was created because of the scumbags who hurt the Digital World.

Me: That's something Kurata would have done. My guess is he was made because of the D-Reaper causing destruction.

Nico: That is more like it.

Me: Whatever the cause, lets go stop him!

Nico: We don't even know where he is.

Me: We don't have to look far.

We saw him over us and he landed and blasted the rest of the Parademons.

Me: WOW!

We felt his heat and it was UNBELIEVABLE!

Me: WHOA! His heat is intense!

We opened the windows and he saw us.

Me: Wow! Zhuqiaomon you look more awesome than ever.

InfernoSuzakumon: I sure do.

Me: Funny thing too, we faced a clone of you earlier on one of Lincoln's rescues.

InfernoSuzakumon: That is a coincidence.

Vexen: Zhuqiaomon? Is that you?

InfernoSuzakumon: Yes it's me Vexen.

Me: You don't have to worry about the D-Reaper anymore though. It's gone for good.

InfernoSuzakumon: I'm glad it is. (To Jeri) And Jeri you have my sincerest condolences and sympathies for all the pain you endured because of it.

Jeri Katou: I am grateful for that.

Lego Two-Face: What happened to Jeri?

Me: She has a really dark past because of her mother dying of a terminal illness and the trauma she endured because of the D-Reaper and Losing Leomon to Beelzemon.

Ace Ukiyo: Yeah she went through a nightmare. Poor kid.

InfernoSuzakumon: I can see that. Just because I was made like this doesn't mean I still have a heart of stone. I am a sovereign.

Me: That is true.

Pyros: You need to calm down.

InfernoSuzakumon: Now that the D-Reaper is gone, I will after you beat me.

Me: Not a problem then.

I flew out.

I fired a massive blast of energy and it hit him and exploded!

Pyros vomited a massive torrent of lava and drenched him.

InfernoSuzakumon: My turn! (ECHOING) ARMAGEDDON DOOMHELIX!

He fired a massive and intensely powerful blast of fire and it formed into a deadly helix chain! I fired a Kamehameha Wave and it slammed into the blast and then...

EXTREMELY MASSIVE AND INCREDIBLY POWERFUL FIERY EXPLOSION OF NOVA POWER!

The explosion knocked him down!

He as knocked out!

Me: WHOA!

Nico: THAT WAS INTENSE!

Lena Isis: Good thing nothing was damaged.

Phosphos: Now, let's find a nearby train.

Me: There's one there.

We saw it.

Nico: Perfect.

Lincoln: Okay, before we go after Steppenwolf, here's my attack plan on them.

Lincoln pulls up a hologram of the next world and zoomed in on one particular area.

Lincoln: Now, we already know Steppenwolf is here, and not only is he causing havoc, but he's here to get The Anti-Life Equation for Darkseid, and since he's the supreme military commander of the Apokoliptian military, he's gonna have the last remaining Parademons, so like I'd done in the past few days, I'm gonna drain the last remaining Parademons of their lifeforces, and there is no doubt Darkseid is gonna send Parademons to kill us and them as well.

Shiv: A train's coming right now!

Me: Lets go!

We flew out, and we saw Steppenwolf causing havoc, and we saw massive hordes of Parademons there as well.

Lincoln: There he is.

Nico: This guy really pisses me off.

Me: Same here.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive hordes of Parademons with Steppenwolf and the next massive hordes of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Lincoln: That's the Parademons out of the way. Now, for Steppenwolf.

KRABOOM! SLASH!

Then, we looked to see Zachary Hart, Alexander Michaelson, and Adrian Acmetropolis taking down Steppenwolf's troops with their drill lance, greatsword, and death scythes, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight Steppenwolf.

Me: And that's the signal!

Nico: Let's get in there and end that monster.

Master Seraphim Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) It is time for our entrance.

Suddenly, the spirits of The DC Heroes appeared and they attacked Steppenwolf with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and a massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Steppenwolf: Knudson! You dare to show yourself! (ENRAGED SCREAM)

Steppenwolf charged at me, but I blocked his axe with my massive greatsword, and we were clashing like crazy as fires sparked all over the place, but I overpowered him and slashed him hard which broke his axe in half.

Steppenwolf: How?! How have you gotten that much stronger?!

Me: Years of constant training and being purified did just that, Steppenwolf, and I knew one day your uncle would return along with you and the others, but we were ready for you.

Lincoln: And we're gonna make sure Darkseid dies for good along with all of Apokalips, and we'll start by getting rid of you.

Steppenwolf: You've just boarded your last train!

Tricloid: It's our first time fighting on top of one!

Me: Time for you to die Steppenwolf! Too bad your little fuckbuddy 2016 Lex Luthor isn't here to see you die!

Steppenwolf: What do you mean?

Nico: I put a bullet in his head and blew him to pieces!

Steppenwolf: Give me the Anti Life Equation and I'll spare your lives!

Leonard: Alright! (gives him the empty Mother Box)

He opened it but it was empty!

Me: Surprise!

I punched him in his face!

Nico: If you want the real thing...

Nico pointed to himself!

Nico: It's inside me. Come and get it!

Hotlink punched a few Parademons off the train.

Lincoln killed them too.

I punched and kicked Steppenwolf and fired massive energy blasts.

Zhuqiaomon faced him.

Zhuqiaomon: You want to get to Nico you got to go through me.

Steppenwolf: With pleasure.

He jumped at him.

Zhuqiaomon: (Echoing) PHOENIX FIRE!

He fired a powerful blast of fire from his mouth and blasted him down!

Steppenwolf punched at him but his punches weren't having any effect. And his hands were getting burned by his intense heat!

Zhuqiaomon: You should know better than to attack a Sovereign.

Hotlink: Go, Zhuqiaomon!

Zhuqiaomon: (ECHOING) SONIC ZEPHYR!

He fired a massive sonic blast from his wings and blew Steppenwolf into the air!

I fired waves of fire and blasted Steppenwolf all over!

Steppenwolf came back and I flew at him and punched him in his face!

WE REALLY WENT AT EACH OTHER AND I PUNCHED AND KICKED HIM FEROCIOUSLY!

Zexion: Bronze Tiger?

Lego Bronze Tiger: I'm on it!

He jumped and kicked Steppenwolf in his face.

Me: SUPER KAIO KEN!

I flared up an intense red aura and flew at him and smashed him on his back with devastating force!

I caught him and threw him down.

He got up.

Me: That was for starters!

I went at him with incredible speed!

Me: SUPER DRAGON FIST!

I flared up a Dragon Fist and then...

KRASMASH!

I punched him square in his torso!

Nico: WHOA!

And then...

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

I PLOWED ALL THE WAY THROUGH HIM WITH INCREDIBLE AND DEVASTATING FORCE AND HE HAD A MASSIVE AND HUGE HOLE ALL THE WAY THROUGH HIS CHEST AND BACK!

Ymir: HOLY TITAN PUNCHES!

Camie: WHOA MAN!

Goku: WHOA! WAY TO GO J.D.!

Vegeta: HEH! He's lost a few pounds on that one!

Luna Nightshroud: That was intense! Well done!

Aqua Triton: YEAH!

Lobo: I wonder where my Lego self is in all this.

Nico: Does it matter?!

Steppenwolf belched up a huge amount of blood!

Me: Lost your lunch on that Steppenwolf?

Larxene: How about you lose your life?

Lego Two Face: Time for the coin to decide your fate.

He flipped the coin and it landed on the scarred side.

Lego Two Face: Sorry. Looks like we gotta kill you. (fires gun)

BANG!

Me: It's going to take more than bullets to kill him.

I fired waves of intense energy and blasted him.

Nico: You know the funny thing Steppenwolf, I remember it took the combined efforts of all the heroes to destroy you!

But we saw that one bullet hit one of his eyes!

He was screaming in agony from that!

Me: Nice one!

Nico: WOW! Nice sharpshooting!

Xenia: Let me do the other eye!

She fired an arrow!

ZING!

She hit the other eye!

SQUELCH!

Me: Nice shot Xenia!

Hawkeye: Nice one!

Maria: In case I forget. (TURNS DIAL) SLIMES OF DOOM!

She summoned Slime Monster (TTG), Dimitri (Yugioh GX), Slime Mutant (Scooby Doo), PuruPuru, Hollywood Wolf and Alcatraz Jailbird (Looney Tunes) and they blasted him all over!

Qin: TAKE THAT!

Mega Moltres charged at him and fired massive blasts of fire!

Zhuqiaomon: (ECHOING) BLAZING HELIX!

He fired a massive blast of fire and it formed into a helix chain and it slammed into Steppenwolf and blasted him and burned him!

Me: YEAH!

Savina Zhuqiao: Taste this! (Echoing) BLAZING HELIX!

She fired a massive blast of fire and it formed into a helix too!

Azure Azulong: (Echoing) AURORA FORCE!

She formed a huge ball of lightning and energy and fired a massive blast!

The blasts combined and they slammed into Steppenwolf and exploded with incredible power!

EXTREMELY MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSION OF INCREDIBLE AND UNBELIEABLE POWER!

Steppenwolf had his arm and a leg blasted off and was burned REALLY BAD!

Me: WHOA! HOLY COW! That was powerful!

Nico: No kidding!

Laura Komodo charged at him and fired waves of fire and blasted him!

Qin: YEAH!

She fired waves of fire gel and burned him all over the place!

Nico: Take that!

Lincoln: Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Steppenwolf began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Steppenwolf: (Groans) They're sucking me dry, I can't take much more of this!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, Steppenwolf was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was really pissing Steppenwolf off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Lincoln, Nico, and Me: NOW, GO STRAIGHT TO HELL FOR ALL ETERNITY, STEPPENWOLF!

Lincoln, Nico, and I attacked Steppenwolf with a last and powerful downward swing of our massive greatswords and that caused a massive explosion to erupt and the chains broke and Steppenwolf was on his last legs as Lincoln and I landed in front of the team, and it also exposed The Absolute Being and The Rulers, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt from Solo Leveling, our secondary target who was then put into suspended animation until later.

Ed Cowart proceeds to insults Steppenwolf!

Ed Cowart: You're as ugly and dull as you are stupid! You suck worse at execution than Ronan the Accuser! I bet you look better in pink clothing cause that outfit is ugly beyond all reason! Prepare your ass for defeat and one last thing?

Ed Cowart punched Steppenwolf and messed up his face, then he dropped a giant log on Steppenwolf's head which bonked him, and then, the log split clean in half. Then, he wedgied Steppenwolf and pulled his underwear over his head.

Ed Cowart: WEDGIE!

Then, he threw another giant log at Steppenwolf's crotch which smashed his nuts.

Steppenwolf: OUCH!

And he finished by dressing Steppenwolf in a pink beaver costume with pink tutu.

Laura was surprised as her body started trembling. She yelled out in surprise as her body started expanding.

Same with the rest.

Aqua Triton: NO! We control the power. It doesn't control us!

They concentrated and reigned in the powers of their Pokemon and monster forms and they transformed and blasted him all over the place!

Qin: Take that!

Xenia: YEAH!

As the train was still going, Nico grabbed Steppenwolf and let his face slam into many buildings that we passed

SMASH SMASH SMASH SMASH SMASH SMASH SMASH!

Me: YEAH! Watch this one! I learned this one on your fight with Zod!

I kicked him into the air and grabbed him by his leg and used Dragonthrow and spun him around and threw him and he plowed through 9 buildings!

KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH KRASMASH!

I teleported and punched him back and Nico kicked him down and smashed onto the train!

Lego Batman threw a Batarang at him and bashed him.

I fired waves of energy and blasted him.

Qin fired waves of fireballs and blasted him.

Laney fired waves of leaves and slashed him.

Camie used her quirk and fired Aurora blasts.

Lincoln fired lightning blasts and electrocuted him.

Nico threw a Parademon at him. It embedded itself through the huge gaping hole in his chest and he screamed in agony!

Qin: Nice one!

Lola: 2 Points!

We fired a lightning net and tied him down.

Then Pinky & The Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Jack O Lantern, Toad and Melter came

Nico: Pinky & The Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Jack O Lantern, Toad and Melter.

Black Adam: You guys did a number on him.

Me: Well that was only on Steppenwolf. Be prepared for what we are going to do to Darkseid.

Camie: Yeah!

Jet: At least he's not ordering us around.

Black Adam: Never did like him.

Kite Man: Me neither.

Me: I don't think any of you liked him.

Mole Man: (to Nico) We heard you fought Safari.

Nico: We sure did.

Pinky: (to Superman) I hope you take care of that Mareep

Superman: I will.

?: Awesome.

Jeramie: Oh no. I know that voice.

Out came Nephila!

2,000 years ago, amidst the war between humans and Earth Empire Bug Naraku on Chikyu, Nephila met and fell in love with one of the six heroes of mankind. They fled the war and settled in a snowy mountain area, where they gave birth to their son Jeramie. She was also the original owner of Venomix Shooter.

Although she killed Deathblow Shogun Daigorg in attempt to prevent civil war, she then got brutally ambushed by her own race and succumbed to her wound. Before dying in front Jeramie, Nephila gave her son the Venomix Shooter.

Return After 2000 Years

During the battle between King-Ohgers and Glodi, Nephila appeared and kicked Glodi away and struck each of the King-Ohgers bar Jeramie whom she hugged which left Jeramie shocked and confused. Nephila told him that she needed his help. She returned as a giant on Dagded's order but was beat by King-Ohger. She later helps in the final battle against Dagded, joining Jeramie and the Bug Naraku family fight Kamejim and a puppet Glodi.

Jeramie: Mother!

Nephila: Hello son.

Me: I remember you Nephila!

Nephila: I'm glad you do J.D. and you have my thanks for destroying Dujardin.

Me: That was a really epic battle.

Lana: Boy it sure was!

May: We had fun on that one.

Starfire: It was glorious.

Nephila: I come several light years away and I don't get that big of a greeting? Come and give your mother a hug!

Me: Actually it was 90,000 light-years away. Also I was kind of expecting you to go after the mascots beer.

Nephila: I heard about that! And to be honest I don't drink beer.

Poromon: Oh that's a relief.

Poliwag did the puppy eyes on her.

Poliwag: Aww pwetty pwease?

Nico: Poliwag that's enough but only do that to fellow mascots.

Poliwag: Oh sorry.

Nephila: Nice try though pipsqueak.

Jeramie: Aww.

He gave her a hug.

Me: Aww.

Steppenwolf: I think I'm going to be sick!

Me: Shut up!

I blasted his other leg off!

Nico: LETS GET IT ON!

Me: COME ON YOU APES! YOU WANNA LIVE FOREVER!?

We got the battles underway!

Superman, Tyrranax Rex, Shizuka of Nadeshiko, Shifu, Alita (Panzer Dragoon OVA), Kyle (Panzer Dragoon OVA), Blau (Panzer Dragoon OVA), Twilight Sparkle, Stellar Sparkle, Harmony Sparkle, Starshine Sparkle, Magic Skylanders, Catilla and Carnivac VS Pinky and The Brain, Copper Cranium, Unicorn Fart Master, Universe 666 Supergiant, Universe 666 Ronan the Accuser, Universe 666 Cull Obsidian, Mr. Ratwell and Chicken Boo 2020 (Theme including Tyrranax Rex) - Nico's rescue on the planet Volcanonoiraira and we battled Safari there

---

Pinky & The Brain were first

Brain (to Superman): Nico's rescue was on the planet Volcanonoiraira. He battled Safari there.

Superman: We sure did and it was intense!

Brain: Before we continue on that topic, is Rolf okay?

Superman: Well that is a funny story. After breakfast we went to Rolf's house and found out what was wrong with his mattress. J.D. felt it and it was REALLY hard and bumpy like there was something in it. And he opened it and shook it out and in it was a bunch of REALLY HUGE real diamonds!

Pinky: Diamonds in Rolf's mattress!? EGAD!

Brain: GEEZ! That must've hurt him but now he is rich!

Superman: It did! J.D. used Clockwork's powers to rewind the clock to when they got there and found out that it was an old enemy of the mascots and Nico and Qin that put them htere. Her name is Eilene Vagaros.

Copper Cranium: Eilene Vagaros!? I've heard of her! She's one of the most notorious diamond and jewelry thieves of all! She's also known as the Eyeless Bandit! She is called that because she lost her eyes in an accident!

Superman: Nico said it was NO accident! He said that when she was in school with Qin, him and the mascots, they got into a fight and Qin punched her in the face so hard that she punched out both of her eyes and destroyed her ability to see forever.

THEY GASPED!

Brain: WOW! That is powerful! She must've trained herself to use sound to get around.

Superman: That's right! She was wanted by the FBI and police for robbing 7,000 jewelry shops and stores and banks in 31 states. And she hid billions of dollars in jewels and diamonds and jewelry in Rolf's mattress over the years and no one ever suspected a thing! But Sheila and tom arrested her last week before she could come and get her loot and she is going to spend the rest of her life in prison.

Brain: My goodness! So Rolf had no idea he was sleeping on a treasure trove of stolen jewels! His mattress was REALLY STUFFED to the brim with them! No wonder his back was in a lot of pain!

Superman: Yeah! That is for sure! You should have seen how much jewelry and jewels were in it!

Brain: WOW! More jewelry than anyone knows what to do with!

Superman: I know! At least now we know what was the source of Rolf's pain. Next we went to the Forbidden planet of Volcanonoiraira. It was a volcanic world and we battled Safari there. She was the 2nd Akuma of Nathalie. She is also a very skilled and powerful huntress able to materialize any kind of weapon ever known. Kraven the Hunter said she was someone he would be proud of.

Tyrranax Rex: On a volcanic planet like Volcanonoiraira there were no trees or forests or anything. Just mountains and volcanoes and rivers of red hot molten lava!

Shizuka: Yeah no kidding and you should have seen what it was like there. It was INTENSELY hot! It was over 3,120° Fahrenheit and it was intensely hot and stormy with lightning and lava and everything!

Brain: WHOA! It was hotter than Valmorg! That is a completely inhospitable world!

Twilight Sparkle: It sure was! But we have handled hotter temperatures than that but we were really sweating like pigs.

Stellar Sparkle: WHEW! You're not kidding there!

Harmony Sparkle: That was the hottest planet we've ever been to.

Starshine Sparkle: No wonder it's one of the Forbidden Planets.

Spyro: No kidding there and it was intense.

Brain: Wow! Thank goodness you guys survived.

Pinky: But they are immortal.

BLANG!

Brain bashed him on the head with a crowbar!

Pinky: (LAUGHED STUPIDLY AND CRAZILY) NARF!

WHAT AN IDIOT!

Brain: Shut up you brainless dope. Lets do it!

Batman: That's right. She is a very gifted girl there. Also we met the gene-slammers of Shiny versions of Galarian Articuno, Zapdos and Moltres. The Shiny Galarian Articuno was Yamiko Yuki, she is Haku Yuki's sister and has a really powerful Ice Style Power. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brow wolf tails and stabbed them into the chests of The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt and he began absorbing them, and he assimilated The Absolute Being's Nigh-omnipotence absorbed and converted by Lincoln's True Omnipotence, Creation of all life, and omnipotent supreme godly powers, Antares' High Intelligence, Knowledge of the human world, Charisma, Immense speed, Superhuman strength, Immense reflexes, Swordsmanship, Weapon creation, Dragon transformation, Telepathy, Fire breath, Mana manipulation, and Nigh-invulnerability absorbed and converted by Lincoln's True Invulnerability, Baran's Immense strength, Immense durability, Army summoning, Lightning breath, and Spiritual body manifestation, Rakan's Immense strength, Immense mobility, Great dexterity,

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln.

Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt: (Groans) He's sucking us dry, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt, and Lincoln sucked out all of the remaining energy in the souls of The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt and banished them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Laura Daniels' new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Laura Daniels: And this where it ends for you, Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt, and this is goodbye and good riddance. Thanks for helping me get rid of The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Laura.

Me and Nico: Our pleasure, Laura.

Suddenly, Laura Daniels wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Laura Daniels' face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Laura Daniels sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Nicole: I can't believe The Absolute Being, Antares, Baran, Rakan, Silad, Tarnak, Legia, Querehsha, and Yogumunt showed up to destroy us.

Lincoln: Sung Jinwoo and Ashborn had trouble with them in the past. But, they can finally take it easy hearing they're gone.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Cannon.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Cannon.

Adara Vulcania: There's only one person who fits this: Brigid Vulcania, Avatar and Gene-Slammer of Laval Cannon, and you guys are going to love meeting her, Brigid Vulcania, Avatar and Gene-Slammer of Laval Cannon, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Cannon. She's The Volcanic Lava Cannon Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Brigid Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Cannon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Cannon, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Brigid Vulcania despises her parents who were actually racist assholes and monsters who hated their kids because of their powers with a blazing passion, because before the parents got killed, it turns out they hated Lincoln with a blazing passion and they knew if he gets married to The Volcanic Laval Masters of Courage, they would lose their punching bags and lose out on their chance to take out even more of their hatred and anger on them!

WE GASPED!

Me: Oh man, so all this time...!?

Lincoln: I knew your parents were nothing but scum, Adara, they hated you girls because of your powers and you were stronger than your heartless parents who wanted to kill you by abusing you, and they knew if I were to get married to you all in the future, if I ever saw them try to abuse or kill any of you, I would slaughter them.

Nico: Damn straight. Looks like those shitheads did one good thing: get rid of another pair of toxic future in-laws.

Lincoln: True. But, I still hated them with a passion. Now, tomorrow is the big day.

Me: Yep.

My eyes, Lincoln, Nico's, and Eli's eyes turned crimson red.

Me, Lincoln, Nico, and Eli: We're coming for you, Darkseid, your days of causing havoc in your search for The Anti-Life Equation ends here!

Golden Glider: I can tell that it's been a while since you guys killed anyone from Darkseid's group.

Me: It has been a long time. 3 years.

Magneto: And now, all that's left is Darkseid himself.

Jack O Lantern: Don't forget Desaad.

Toad: He won't a problem.

Me: Nope. Desaad will go into the M.O.E. But Darkseid will die along with all of Apokolips.

Melter: We're coming for that son of a bitch tomorrow

Me: Yep.

Nico: Great job today everyone.

Lola:Yeah!

Nico: (To the viewers) Darkseid's doom is coming folks.

Qin: Yep.

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Steppenwolf is finally gone forever!

Anna Anyanova: Now, all that's left is to destroy Darkseid once and for all, along with Apokalips.

?: That's for sure.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: So far so good. We took down The Dark Return Card, but tomorrow, I got a feeling we're going to take on the dark version of The Shot Card, this thing really caused trouble for Sakura and injured Li Syaoron, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was still on. Steppenwolf is finally gone and we kept The Anti-Life Equation away from him, and now, tomorrow, we were going to make Darkseid pay for all his crimes and destroy him and Apokalips forever!

WE'RE COMING FOR YOU, DARKSEID! YOU'RE FINISHED ONCE AND FOR ALL!

DC SUPERVILLAINS PART 12: FINALE

Part 12: Finale

WAR WITH DARKSEID

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless burritos, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of burritos, fire, flames, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Burritolairaira, a planet of endless burritos and protected by powerful omnipotent angels known as The Burritolairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Chocolateyairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Burritolairaira and its core into his body and Burritolairaira's Sun into his body to preserve their legacy.

Lincoln: That's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Burritolairaira.

Lincoln landed on Planet Burritolairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Burritolairaira, it truly is a planet of endless burritos.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as tasty as ever.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with an orange brown sun and moon on his chest, he has long orange hair going down to his shoulders, orange eyes, chocolate brown angel wings, he has on an orange loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Braxton Burritolairaira, King of The Burritolairairans of Planet Burritolairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Bianca Burritolairaira. (GASPS) Now, I remember, I've been here before to Burritolairaira eight years ago.

Then, all of the other male Burritolairairans came to Lincoln.

Braxton Burritolairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Braxton Burritolairaira chuckled.

Lincoln: And there's something I need to tell you.

Braxton Burritolairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Braxton Burritolairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Braxton Burritolairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Braxton Burritolairaira and the other septillion male Burritolairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has an orange aura with flames surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and

confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Burritolairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Burritolairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Burritolairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And

you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) (Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Burritolairaira, a planet of endless burritos and protected by powerful omnipotent angels known as The Burritolairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Chocolateyairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Burritolairaira and its core into his body and Burritolairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! So, there was a planet of endless burritos in The Forbidden Zone! Wow!

Braxton Burritolairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Burritolairaira eight years ago, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Braxton Burritolairaira! Your Majesty, it's been vast eons since we last met.

Suddenly, we saw that Lincoln's harem had been getting tons of weapons ready for today.

Lily the Mermaid: This is it, today is the day Darkseid is going to be destroyed.

Me: Yep.

Nicholette Torrington: So, we're getting ready for the big day.

Suddenly, Lily the Mermaid got sick and she barfed out powerful blasts and massive streams of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions and they hit the training dummies in the corner and exploded!

Me: HOLY JUMPING BUTT BURPS!

Varie: WHOA! WHAT THE?!

Nico: HOLY COW!

Lincoln: OH MAN! Lily, are you okay?

Lily the Mermaid: Oof, I don't know, something just hit me hard in the stomach, and...! (GASPS) Wait, does this mean...?!

Varie sensed it, along with Sakura.

Varie: It is! Lily, you're pregnant!

Lincoln: (SHOCKED WITH AWE) WAIT, WHAT?! YOU'RE PREGNANT!

Lily the Mermaid: I'M PREGNANT! (SCREAMS OF JOY) YES! YES!

Lincoln and Lily the Mermaid hugged!

Me: Congrats, you two!

Ronnie Anne: That's so awesome! Plus, that was one wild morning sickness symptom.

Lily the Mermaid: (Suddenly feels something) Uh oh, I think that wild morning sickness symptom you guys saw is also causing something to happen as well.

Suddenly, Lily the Mermaid's blue eyes turned neon blue, and she's surrounded by a rainbow and ocean blue, white, golden yellow, and blue energy aura with stars, aura energy, white, golden yellow, and blue heavenly flames, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, sea creatures, mermaids, phoenixes, and angels!

Suddenly, Lily the Mermaid wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Lily the Mermaid's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Lily the Mermaid sucked in and absorbed the elemental forces and the display vanished.

Lily the Mermaid holstered her massive greatsword on her back and powered down, and her new body, clothes, weapons, jewelry, Third Eye, longer blue mermaid's tail, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold ocean wave ring-shaped frame around it with embedded ocean blue gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold ocean wave ring-shaped frames around them with embedded ocean blue gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large ocean blue planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller ocean blue planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized ocean blue planets orbiting around her wrists and ankles, and enormous light brown angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large light brown angel wings underneath her enormous light brown angel wings are permanent.

Me: After we kill Darkseid, we're going to the hospital, and we're going to find out how many kids you're going to have.

Lily the Mermaid: Good idea, and I want all of you with us.

Nico: Ooh, okay.

Aquaman was in his room with Mera and they were on a bed in the middle of a swimming pool.

Qwilfish came and jumped in.

SPLASH!

Aquaman woke up and saw Qwilfish staring at him.

Qwilfish: Morning Arthur! Morning Mera!

Aquaman: Morning Qwilfish.

Mera: Morning.

Qwilfish: Time for breakfast!

They went and got up and got dressed and went to the table.

Me: Morning Arthur. Morning Mera.

Aquaman: Morning guys.

Chloe: Oh great, Queen Banana, my Akuma is here!

Adrien: Oh boy. And where is she at?

Lincoln: Oh crud, she's on Terrorvonairaira, the planet of eternal darkness, terror, and nightmares in The Forbidden Zone.

Me: Another nightmare Forbidden Zone Planet?! YIKES!

Lincoln: This means my Guardian Angel is also there, and it also means another Forbidden Zone planet for me to absorb after I meet her dad once again and absorb him and the septillions of male Heavenairairans into my body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and incredible godly powers and immense virility and male fertility, and finally, absorb Terrorvonairaira and its core into my body and Terrorvonairaira's Sun into my body to preserve their legacy.

Nico: After we take down Queen Banana, then you can absorb Terrorvonairaira and its' Sun into your body, but we are going to see the rite of you absorbing the septillions of male Terrorvonairairans into your body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and incredible godly powers and immense virility and male fertility, Lincoln.

Lincoln: And it's gonna be intense, Nico, so you're gonna have to brace yourself. Alright, now let's finish breakfast and head to Terrorvonairaira and hunt down Queen Banana.

Me: We better brace ourselves because once we get to Terrorvonairaira, we're gonna be in for a real nightmare!

Nico: (GULPS) This is gonna be intense.

We finished our breakfast and we headed out to Terrorvonairaira to help Night Glider unlock her Rainbow Power and take down Queen Banana.

Nico: We were on a train the entire fight.

Me: Like something out of an action movie.

Qin: Yeah.

Nico: That was intense. And J.D. really overpowered him with intense power.

Me: That was only 15% of my power on him. Now I can really go all out and unleash the full extent on Darkseid.

Nico: WHAT!? That was only 15%?! Holy shit! Wow!

Poromon: We caused damage to lots of buildings that we passed.

Me: At least we fixed them all.

Nico: True.

Poromon: Yeah. But wow that was awesome!

Qin: Yep.

Zhuqiaomon: And my Akuma was really hot and powerful!

Me: We sure did. Wow!

Nico: Now besides the Parademons, Darkseid only has Desaad left.

Nico: Yeah I agree.

Me: Yep.

Qin: Yeah me too.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a scary black planet.

Me: WHOA! That must be it.

Lincoln: Yep. Terrorvonairaira.

Me: Creepy. At least this one isn't as hot as the last one.

Xenia: Thank goodness.

We got to landing.

We arrived on Terrorvonairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Terrorvonairaira, man this place is really scary and nightmarish!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

Lincoln: You said it.

Nico: (GULP) It sure is frightening!

The mascots were shaking in fear.

Horsea was shivering.

Horsea: It's scary!

THUNDERCLAP!

Horsea: (SCREAMS)

Maria: I'm right here for you Horsea.

Lana and Lola were hugging each other.

Brittney: I would love coming to this planet. It's perfect for me and the Goths of Darkness.

Lucy: Perfect for me too.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a crimson red sun and moon on his chest, he has long black hair going down to his shoulders, crimson red eyes, massive black angel wings, he has on a crimson red loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Malachi Terrorvonairaira, King of The Terrorvonairairans of Planet Terrorvonairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Morrigan Terrorvonairaira, I've been here before to Terrorvonairaira eight years ago.

Then, all of the other male Terrorvonairairans came to Lincoln.

Malachi Terrorvonairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Malachi Terrorvonairaira chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long black hair with red streaks, red eyes, she was dressed in a black and red two-piece bikini, she has massive black angel wings, and she has a darkness greatsword in hand.

Lincoln: (GASPS) Morrigan Terrorvonairaira, Queen of The Terrorvonairairans of Planet Terrorvonairaira.

Me: You know her, Lincoln?

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, everyone, this is Morrigan Terrorvonairaira, Queen of The Terrorvonairairans of Planet Terrorvonairaira, she's Lincoln's Guardian Angel from the planet of Terrorvonairaira in The Forbidden Zone. She's the Queen of The Terrorvonairairans who rules Terrorvonairaira, a planet of eternal darkness, nightmares, and endless terror, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Terrorvonairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Terrorvonairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Terrorvonairaira and its core into his body and Terrorvonairaira's Sun into his body to preserve their legacy. Morrigan Terrorvonairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and all the powers of The Terrorvonairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Terrorvonairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Terrorvonairaira and its core and Terrorvonairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and Morrigan Terrorvonairaira hates all of Lincoln's enemies with a blazing passion, and she swore to have them destroyed by the nightmare monsters of Terrorvonairaira and banished forever to The Black Abyss with the power of Terrorvonairaira.

Me: Whoa pleasure to meet you.

Lincoln: And there's something I need to tell you.

Malachi Terrorvonairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Malachi Terrorvonairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Malachi Terrorvonairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Malachi Terrorvonairaira and the other septillion male Volcanonoirairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, The Dark Arts, Dark Magic, Black Magic, Satanic Magic, and the immense omnipotent powers of nightmares and terror times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a crimson red and black aura with shadow wisps surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Malachi Terrorvonairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Morrigan Terrorvonairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Hailey.

Nico: Wow...!

Morrigan Terrorvonairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Morrigan Terrorvonairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Morrigan Terrorvonairaira with crimson red gems on the gold lightning bolts and black crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Morrigan Terrorvonairaira: That's my special gift to him: Terrorvonairaira's Blessing of Divine Dark Terror Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Morrigan Terrorvonairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Terrorvonairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Me: Lincoln has another one of his Guardian Angels with us.

May: He sure does.

Manaphy: At least Mama wasn't attacked yesterday.

Me: Don't jinx it Manaphy.

Manaphy: Sorry.

May: Yeah.

Me: Yeah. Also Lincoln is going to be in for another love session.

Lincoln: That'll be for much later. Okay, guys, we're in for one intense battle, we're here on the nightmare planet of Terrorvonairaira to help Night Glider unlock her Rainbow Power and take down Queen Banana.

Nico: It's been a long time since I last fought her, but she's in for a much worse surprise if she thinks I'm still the same person from long ago.

Me: That's for sure.

Gabriel (sighs): Yet another Akuma I would cause even if I had continued my plans as Hawk Moth

Me: We'll find out more soon.

Qin: Yeah.

As we walked to find Queen Banana, my sword started glowing.

Me: My sword is reacting to something!

Eli: Whoa! Wait! I sense a disturbance in the Force.

Me: Uh oh.

We saw a swirl of green fire coming and it came to us. Then it revealed itself! IT WAS QUEEN CHRYSALIS!

WE GASPED!

Me: CHRYSALIS!

Twilight Sparkle: You have a lot of nerve showing yourself!

Me: WAIT GUYS! Something is telling me she doesn't want to fight.

Chrysalis: That's right. I just want to talk.

Rainbow Dash: AND WHY SHOULD WE TRUST YOU!?

Me: Guys let her speak.

Chrysalis: I overheard you guys talking to that Akuma on that volcanic planet. Is it true? Is there another that shares my name?

Me: I'm afraid so.

Chrysalis: I see.

Me: Also I'm glad we found you. We want to know something from you.

I went over to her.

Me: Are you familiar with an Alicorn by the name of Opaline Arcana?

Chrysalis: Hmm... Remind me what she looked like.

Me: White hair, piercing blue eyes, purple fur and had a Fire Crown Cutie Mark.

Chrysalis: Ah yes! She came to me and asked me to make her an army for her. An Army of Changelings.

Me: Did she offer you anything in exchange?

Chrysalis: Yes. She promised to give me my ponyhood back. I was cursed by a mysterious spell that made me into this.

Me: And you believed her?

Tirek, Sombra, Cozy Glow and the Sirens came to her.

Tirek: Chrysalis you have to understand. Opaline never intended to hold up to her end of the deal. She only was using us!

Cozy Glow: It's true. She lied to us!

Sombra: She was only using us in exchange for power to rule over Equestria. She only wanted power.

Tirek: She played all of us for fools. She never intended to live up to her end of the bargain.

Adagio Dazzle: It's true Chrysalis. We were duped.

Chrysalis was shocked and she couldn't believe it! All this time she was fighting for the wrong purpose!

Chrysalis: NO! This can't be!

Eli: Search your feelings for you know it to be true.

Chrysalis: THAT MONSTER! She lied to me!

Tirek: She lied to all of us! We were merely pawns in her plans.

Chrystine Mirage went up to her.

Chrystine Mirage: Hello mother.

Chrysalis: (GASP) Chrystine? Is that you?

Chrystine Mirage: It's me mother.

She hugged her.

Chrystine Mirage: I'm happy to see you. But mother I have been searching all this time to help save you from what you became. You are not this monster that Opaline made you to be. You are the most wonderful and amazing pony and mother ever. You are my mother and you are better than this. I love you mother.

She hugged her and the darkness left Chrysalis and was banished to the Warp till Rainbow Dash's day.

Chrysalis: Oh my daughter. Thank you all for freeing me. Opaline actually poisoned me with dark magic and it turned me into the Queen of the Changelings.

WE GASPED!

Me: OH MAN!

Sebastian Mendez: (ENRAGED) WHY THAT EVIL POWERHUNGRY DERANGED PSYCHO! EVERY SINGLE DARK REVELATION WE WIND UP DIGGING UP ABOUT QUEEN OPALINE, THE MORE I WANT TO THROW A NUCLEAR BOMB DOWN ON HER CASTLE AND BLOW HER TO KINGDOM COME!

Me: Same here! But wait until the prophecy comes. We don't know how much time we have but it'll come soon.

Nico: That's right.

Chrysalis: Thank you all and I'm sorry for everything I did.

Me: We now know it wasn't your fault Chrysalis. Opaline will pay for this.

Nico: Yeah no kidding.

Troy heard a Pokemon cry.

Troy: Look guys!

We saw a Wigglytuff!

Me: A Wigglytuff! Cute!

Ymir: Aww so adorable!

Troy: It sure is.

Wigglytuff: This place is scary!

Me: I know.

Troy: Here.

He gave it apples and she ate them.

Wigglytuff: Ahh thank you.

Troy: You're welcome. Want to come with me?

Wigglytuff: Sure!

Me: Awesome!

But then I felt a rumble and the ground was rising under me!

Me: What the!?

Then...

POP!

Out came a HUGE MOLE LIKE CREATURE! I was standing on its head!

Me: WHOA! You are a big mole!

Pan: That is one big gopher!

Lola: WHOA! That's Molemoth!

Shanan: HOLY CRUD! She's a Talpidaian Bubonrattus. They come from the sister planet of Poiana Lüncas called Talpida and they have the power to dig through anything. Even solid bedrock and diamond. And they also have deadly gravity beams that can blow rocks apart like how King Ghidorah can do.

Armadrillo: OH MAN! That is amazing!

2012 Mikey and 2003 Mikey screamed like little girls!

Ed turned into Edzilla!

Edzilla: ED SMASH!

Eddy: At least let J.D. get clear first lumpy!

He went at her and I jumped off!

She went back underground!

She popped up agaiin in another mound and Ed smashed at her again.

But she ducked again!

Me: Get me a big mallet!

Tenten: Here J.D.!

Tenten gave me one.

Me: Thanks Tenten.

She popped up in another mound!

I swung it on her head!

KRASMASH!

She went down and popped up over and over and I bashed her all over the place with the mallet!

Nico: I LOVE WHACK A MOLE!

Ed punched her!

BASH SMASH WHAM!

We bashed her all over!

Then I took a vial and injected her and she reverted back!

She has black hair and purple eyes.

I wrapped her in a blanket and we brought her over.

Me: I hope she doesn't have a concussion from all that.

Nico: Me too.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Eddy: (LAUGHS) YOU TELL HER LUMPY!

Poromon: YEAH!

Then she woke up.

Girl: (Groans) What hit me? OW! MY HEAD! What really hit me!?

Me: (Whistles)

Nico: Are you okay?

Girl: I will be later. I have a REALLY bad headache.

Nico: What's your name?

Mae Teipei: Mae Teipei.

Me: The Famous Construction Girl! You and your family built all kinds of amazing super tall buildings all over the world.

Mae Teipei: That's right. Me and my family are from Taiwan and we built all kinds of awesome buildings.

Me: Wow that is cool!

Shanan: You were turned into what's called a Talpidaian Bubonrattus. They come from the sister planet of Poiana Lüncas called Talpida.

She showed a hologram of one.

Mae Teipei: Oh man! I was working on my next project when everything when black.

Me: You got ambushed by the Shredder's men.

Sydney: That's right. But I'm glad you're okay Mae.

Mae Teipei: Me too Sydney. Where am I? This place is scary!

Me: You're on the nightmarish planet of Terrorvonairaira.

Nico: Long story.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new purple clothes.

Mae Teipei: I look amazing.

Me: You sure do.

Nico: The High Mage is dead, BTW.

Me: We didn't kill him though.

Mae Teipei: Oh wow! I'm glad he is dead though.

Lola: Long story on that but it's best you don't know about it.

Mae Teipei: Okay then.

Nico: Good.

But then...

KRASPLASH!

May and Manaphy got drenched in water!

May: HEY! (SPITS) Oh just water.

Manaphy: Who got us wet!?

Maria: Wasn't me!

Lana: It was from that!

We saw a Mega Simipour!

Me: WHOA! A Mega Simipour!

It fired more water and drenched May and Manaphy more!

KRASPLASH!

May: (SPITS) HEY!

It was laughing at them!

Nico: Look on the bright side, Manaphy. At least you got hit with May.

Manaphy: True. BUT GET US WET WILL YA! YOU BIG JERK!

Me: Must be one fo Dark Gale's work.

Sheena: Lets see.

She used her powers.

Sheena: Whoa! Her name is Mei Hozuki.

Me: (GASP)

Suigetsu: My sister! Oh man!

Me: Lets go help her then!

We went over to her.

Suigetsu: Mei calm down. It's me Suigetsu!

She used Water Gun and splashed me all over with water!

Me: (SPITS) HEY! Don't hit me! Hit Nico!

Nico: HEY!

She did so and drenched him!

SPLASH!

Nico: (SPITS)

Nico growled!

Nico: THANKS A LOT!

Me: Sorry! It's what you get for eating my hidden donut stash!

Nico: Sorry!

Me: Okay then!

I fired waves of lightning and blasted her.

Suigetsu: WATER STYLE: WATER DRAGON!

He fired a wave of water and it formed into a dragon and smashed her down!

I snapped my fingers and she reverted back and she was a girl with blue hair and purple eyes and had blue angel wings and had Mega Simipour on her forehead and had the Hozuki Clan symbol in a water drop and had the Mist Symbol on her arm as a cutie mark.

I wrapped her in a blanket and we brought her over.

She woke up.

Mei Hozuki: (Groans) What hit me?

Suigetsu: Sis are you alright?

Mei Hozuki: Suigetsu!

She hugged him.

Mei Hozuki: I thought you were dead!

Suigetsu: I wasn't killed Mei. I was taken by Orochimaru.

Me: Nasty story on that. But yeah. You were turned into a Mega Simipour by Dark Gale.

Mei Hozuki: Oh man. I was on a mission to find bases of Orochimaru. Then everything went black.

Me: Well at least you're okay though.

Manaphy hopped over to her.

She had a nasty glare on her face!

Mei Hozuki: Cute Manaphy.

Manaphy: YOU GOT ME AND MAMA WET!

KRABLAM! KRASPLASH!

She punched her face in but her face turned into pure water and she reformed!

Me: WHOA! You have the same powers as Suigetsu!?

Mei Hozuki: Yeah conventional methods don't work on me.

Manaphy got out a chainsaw!

WE SCREAMED!

But she cut her and it turned her into water and she wasn't even moved!

Me: WHOA!

Mei Hozuki: You're going to have to do better than that.

Suigetsu: That's my sister.

Me: Manaphy you're going to have to be more creative than that. Besides, I did the same thing to Suigetsu and conventional methods don't work. The only thing that will hurt him though is energy blasts.

Suigetsu: He's right on that.

Manaphy: Oh man.

May picked her up.

Manaphy: Sorry about that.

Mei Hozuki: No worries.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new clothes and they were blue and she had a water sword.

Mei Hozuki: I look amazing.

Me: You sure do.

Mei Hozuki: Also I didn't get my powers like Suigetsu did from Orochimaru. I'm also a Water Elemental.

Me: Whoa! That explains it.

Nico: Where did you get the chainsaw?!

Manaphy: Uh... Hehehe. From our gardening shed.

Nico: Gardening shed?

Me: It's our shed we have in the Estate Park.

Nico: Oh that thing.

Me: Manaphy calm down. At least it was water and not energy.

Manaphy: True.

Me: Anyway we got a job to do now.

Chloe: Time to kick my ass.

Me: Lets do it!

I took a step and then...

SQUISH!

I stepped on a banana peel!

SLIP!

Me: WHOA!

CRASH!

I crashed onto the ground!

Me: Ow!

I saw the peel

Me: What the?

Nico: Are you alright?

Me: Yeah.

I got up.

Me: She can't be too far away.

Lincoln: (Sensed for Queen Banana) AHA! Gotcha! I just spotted Queen Banana, she's 20 yards away and she's fighting some of the werewolves that live on Terrornovairaira.

Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) Let's do it.

We took off to get after Queen Banana and take her down.

We were flying in the air.

Nico: Where is she?

Me: There!

We saw Queen Banana, Chloe's Akuma, but she's fighting the many werewolves and vampires that live on Terrorvonairaira and she's hiding inside a really menacing castle and there were three massive pools of blood surrounding it.

Vampirairan True Seraphim God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) There's Queen Banana.

Me: And she's in there, but how can we get in? The place is surrounded by three massive pools of blood.

We landed, and Lincoln made the werewolves and vampires back down.

Eli: Wow, they backed down.

Lincoln: They're actually pretty nice once you get used to seeing them. Now, for the pools of blood, and I hadn't sucked in any pools of blood in a long while.

Lincoln dipped the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into the three massive pools of blood and he began sucking all of the blood into his body, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged out even more as more veins formed and they glowed neon red, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, sweat was coming off of him like he was already doing his workouts in the gym. Then, when he was done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a blood red aura with blood drops surrounding him as he pounded his chest like a gorilla and his veins were still glowing neon red.

Lincoln: (GROWLS) That felt so good! (MASSIVE AND LOUD WOLF ROAR)

Lucy Loud: Gasp!

Morrigan Terrorvonairaira: Lincoln's gotten used to feeding on blood long before you got turned into a vampire, Lucy.

Me: Same with me ever since my transformations and evolutions, now I can easily find out the taste of someone's blood.

Luna: Now, for Queen Banana.

Lincoln formed and fired a massive ball of darkness and blood at Queen Banana and forced her out of her lair which also got destroyed by the massive ball of darkness and blood Lincoln fired at her.

Queen Banana: (Growls) How dare you get in my way, Team Loud Phoenix Storm?!

Me: Time to pay, you banana puking Akuma. KIBAL, LET'S HOWL!

Me: And we're not going to let you run loose again.

Queen Banana: You will not stand in my way!

Chloe: My God. I can't believe I was ever like you!

Me: You were made because you never learned your lesson right?

Queen Banana: And I never will! Because I don't need your pity or support!

Nico: You don't need any of that. I think that what you need is a friend.

Me: Because that's all you need. And I know you are hurting because of everything that happened to you.

Queen Banana: HOW WOULD YOU KNOW!? I LOST EVERYTHING BECAUSE OF HER! (Points to Marinette) I LOST MY FAMILY, MY FRIENDs, MY SCHOOL, MY HOME, EVERYTHING!

I was shocked! She was really hurting inside!

Audrey knew Chloe was hurting big time.

Audrey then got on her knees and started crying.

Audrey: This is all my fault! (Crying) I made her this way because I was always busy with my work! Oh Chloe! What have I done to you!?

Me: Audrey.

Audrey: (guilty) Listen, Chloe. I know part of it is my fault. And I'm sorry. I'm so sorry Chloe! I was always putting my work first and I never paid attention to you at all! I failed you Chloe! I'm a terrible mother! I've never been a good mother to you and I always took you for granted and for that I am so sorry! I Don't expect you to forgive me!

Gabriel: Okay, I'm shocked that this is another Akuma I made if I continued on my slippery slope. But I don't think I'm directly involved in this

Me: No you aren't this time Gabriel. This is an Akuma made by you but she was created because of all the neglect and hardships she went through in that timeframe.

Gabriel: Oh man. Poor girl. I didn't know she was going through all that. I love my son and I would never abandon him like that.

Me: That's good.

Chloe Bourgeois: Yeah it is.

Me: (To Queen Banana) Chloe listen to me, Your mother's apology was very legit and heartfelt. She is really sorry for everything she did to you.

Audrey: And I enabled you to become like this and I was never there to give you the love and kindness you deserved. And I am so sorry!

Before Queen Banana could do anything, Audrey hugged her.

Audrey was crying hard.

Queen Banana: Oh mom!

She hugged her and cried too.

Zoe Lee: (jokingly) What am I, chopped liver?

?: No that's what I am.

She turned and saw a jar of Chopped Liver on a rock.

RIMSHOT!

Nico: You're part of the family too

Me: That's right.

Audrey: They are right Zoe.

Zoe hugged them too.

Me: Aw.

Chloe: So awesome.

Paddy Tanniger: Yeah you're part of the family. Big Whoop! Wanna fight about it?

Me: Paddy would you get outta here!?

Bullfrag: I'll get him out of here.

Bullfrag did so.

Me: I swear he is a nuisance.

Stewie: Yeah you just have to put up with it.

Me: I see. Sorry to interrupt the moment but we have a job to do.

Audrey: Oh right. Chloe I'm sorry.

Queen Banana: I know mom. I know. But lets get it on.

Me: Gladly!

I fired waves of energy and blue fireballs and blasted her all over.

Wigglytuff charged at her And used her song on her.

She then fell asleep.

We covered our ears and Queen Banana fell asleep.

Me: Whoa!

She was out cold.

Me: Wow she is out like a light.

Queen Banana: (Snoring)

Me: HEY WAKE UP! Sleep time is over! Buttkicking time is now!

Nico: Should've attacked her while she was asleep...

Me: Nico that is a cowardly way to attack someone. That's something Nira would have done. I was taught never to attack someone while their back is turned or they are sleeping.

Nico: Okay okay okay you're right. Lets wake her up.

Luna: I got this!

She clashed cymbals!

CRASH!

Queen Banana screamed and woke up.

Me: Wakey wakey sleeping beauty!

Queen Banana: Whoa did I fall asleep?

Me: Welcome to the world of Jigglypuff.

Ash: Jigglypuff drew on our faces when it made us fall asleep.

Queen Banana: You should've just attacked me while I was sleeping!

Nico: I know, right?

Me: Hey I may be a warrior but I am not a coward!

I fired waves of blue fire and blasted her all over!

She then fired waves of bananas!

I took my scythe and slashed the bananas all over and kicked them back at her!

SPLAT SPLAT SPLAT!

Poromon pecked her.

POINK POINK POINK POINK POINK!

Brawler Doomlander: UNLEASH THE MONKEYS!

MONKEY HOOTS!

Queen Banana: What?!

Me: It's a really cheesy catchphrase.

Brawler Doomlander fired energy fists and bashed her all over.

Poliwag slapped her with his tail.

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Superman, Batman, Green Lantern, Martian Manhunter, Wonder Woman, Flash, Hawkgirl, Aquaman, Green Arrow and Supergirl Got out their sentai rings and they fired waves of energy and blasted her all over.

Qin: Take that!

Horsea squirted ink and blinded her.

Chrysalis then turned into Queen Banana!

Queen Banana gasped!

Me: (RUBS EYES) Boy it's like looking at yourself in the mirror!

Nico: Ironic given what we learned recently.

Me: Yeah.

Queen Banana and Chrysalis moved and copied each other and even did the Macarena dance. Then Chrysalis turned into Rainbow Dash and kicked her square in the crotch!

KRASMASH!

WE WINCED!

Me: WHOA! Nice one!

Rainbow Dash: Awesome!

Chrysalis changed back.

Me: Never underestimate the shapeshifting powers of the Changelings.

Gatomon then poured salt on Mevya.

Mevya: HEY STOP THAT!

Kari: Gatomon cut it out!

Gatomon: Sorry.

Me: How about this?

I put Queen Banana in an ice cream bowl and then I fired waves of chocolate syrup and drenched Queen Banana!

SPLAT!

Eli: Add Chocolate, Vanilla and Strawberry ice cream!

Eli covered her in that!

Laney: Whipped cream!

SPLAT!

Qin: Sprinkles!

She put those on.

Me: And a cherry on top!

I put it on her.

Me: A Banana Split Sundae!

Nico: (DROOLS)

Qin: UH OH!

Nico: BANANA SPLIT!

Nico went and ate it!

BUZZSAW NOISES!

Nico ate it all down!

Nico: (BURPS)

Queen Banana: (MUFFLED) HEY! GET ME OUTTA HERE MONKEY BOY!

Nico saw that he accidentally ate Queen Banana too! He was inside his huge stomach!

Me: Geez!

Grim Reaper: (Jamaican Accent) Here Nico. This will help mon.

Grim put his magic zipper on Nico's stomach and opened it.

ZIP!

SPLAT!

Nico: WHAT THE FUCK!

Queen Banana: OH THAT WAS DISGUSTING!

Grim zipped him back up.

Nico burped!

LOUD HUGE BELCH!

Qin: Nice one.

Me: Boy that was funny!

Nico: Yeah it was!

Manaphy: You hogged it all to yourself. Shame on you!

Nico: Sorry!

Poromon: I wanted to eat some!

Me: Now now guys. I'll make another bowl later.

Nico: Good idea.

Me: Lets just finish this first.

Mei Hozuki: You got it! Lets do it!

Mei and Suigetsu: WATER STYLE NINJA ART: 5-HEADED WATER DRAGON!

They fired a massive blast of water and it formed into an intensely huge five headed water dragon and it went at her and smashed her down with intense power!

Me: HOLY SHIT!

Qin: WOW! That was awesome!

Nico: YEAH!

Donkey Kong went up to her.

Donkey Kong: I like eating bananas and collecting them for my hoard!

He fired coconuts and bashed her all over!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH 20 COCONUTS!

Lola: (LAUGHS) That is funny!

Me: You know how I like my bananas?

I pulled out a Mississippi Queen drink and drank it all down.

Me: Ah. Spicy and creole flavor in banana pudding! FIRE IN THE HOLE!

I pointed my butt at her and then...

LOUD MASSIVE FIERY FART!

I blasted her down and smashed her down!

Spidermonkey went up to her!

Spidermonkey: I love bananas as much as I love eating flies!

He wrapped her in webbing!

Me: YEAH!

Shanan: Arachnichimps eat bugs and bananas.

Nico: Oh wow!

Timon: Welcome to the bug eating party pal!

Muscle Man: You know who else likes eating bananas? MY MOM!

We laughed!

Lincoln: That's for sure. Let's do this. UNIVERSE 666 KIBAL, LET'S HOWL!

Suddenly, Lincoln was surrounded by an immense black and purple aura with darkness surrounding him and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use an elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 地獄と天の闇に呼びかけ、この忌まわしき悪を滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌によって天の審判を招き、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (I call upon the darkness of Hell and The Heavens to bring down this terrible abomination of evil and send her to her place of eternal damnation! Let the souls of the blessed rise and take the form of mighty wolves that bring the damned her eternal punishment and send her to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to her eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and darkness formed behind Lincoln and formed into black wolves with glowing purple markings on their paws that look like shadow wisps and they ran at Queen Banana and attacked her with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: Uh oh..!

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into orange wolves with glowing golden yellow markings and they ran at Queen Banana and attacked her with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Queen Banana, and they collided and exploded as they hit her, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT QUEEN BANANA AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HER AND SHE GOT BURNED!

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

Lincoln, Nico, and I attacked her with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, SAFARI!

Lincoln, Nico, and I did one final powerful energy slash that hit Queen Banana hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and

Lincoln, Nico, and I landed and Queen Banana was on her last legs and she was really really mangled.

Then, Lincoln, Nico, and I punched Queen Banana so hard in the face, she got two swollen black eyes and Lincoln tied her up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked her hard in the stomach and sent her flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Queen Banana is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Terrorvonairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and

The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Terrorvonairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Lincoln: Now, Lynn, take it easy.

Then, the geodes on Lincoln's Harmony United Bracelets glowed, and something appeared on the left Bracers on his siblings, cousins, and parents: it was their own Harmony United Bracelets in their favorite colors along with geodes in their favorite colors: but the rainbow creatures carved on them are what matches the siblings: Lanaia and Liberty - Thunderbird, Lori - Fairy, Leni - Coyote, Luna - Mermaid, Luan - Fox, Lynn - Kangaroo, Lee - Dragon, Lyra - Owl, Laney - Dryad, Lucy - Vampire Bat, Lana - Snow Owl, Lola - Phoenix, Lisa - Tech Angel, Lily - Owl, and Leo - Phoenix, Lynn Sr. - Dryad, Rita - Bear, Albert - Bear, Samuel - Fish, Lance - Bull, Sharon - Dove, Shane - Heron, Shelby - Hawk, Shiloh - Dragon, Han - Dragon, Landon - Raven, Dipper - Phoenix, and Mabel - Unicorn.

Nebula Lanaia: Oh whoa!

Lincoln: Looks like my family's also gotten their Harmony United Bracelets, now all that's left are our ancestors.

Gabriel: I hope the next one is an Akuma that I remember making

Me: Me too.

Lola: Same here.

Audrey: And guys I want to make it up to Chloe. I want to do some family bonding with her in the city before we head out to face Darkseid.

Me: That you can do.

Chloe: I would like that mom.

Anne Marie: Can I come too?

Audrey: You sure can Anne Marie.

Me: Awesome.

I then made a huge ice cream sundae for the mascots!

Manaphy: OH BOY!

Poromon: LETS EAT!

They got to eating!

Nico: Nice job Wigglytuff.

Wigglytuff: Thanks Nico. That was fun!

Then...

The mascots came out and were stuffed.

Me: Excuse you!

Poromon: That was good!

Me: Glad you liked it.

Poliwag: Yep. (To Wigglytuff) Want some beer?

Wigglytuff: Oh no thanks. I'm allergic to beer.

Xenia: And don't bring home any drugs or cocaine.

American Dad Roger Smith: Can I come too!?

All of us: NO!

He pouted.

Nico: Oh NRG, what do you like to do in your free time?

NRG: I like teaching everyone about what my home planet is like.

Me: Wow!

Qin: It's intensely radioactive from what I remember.

Nico: Yeah.

Lola: Yep.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them, and one of them is The Avatar of The Shot Card.

Nico: Uh oh!

Lincoln: Don't worry, she only uses her power on villains.

Me: Good. So NRG, Nora Normavennikova, Hannah Kyoto, Charlotte Romanov A.K.A. Sailor Prypiatos, P'andor and Galena Kosmodemyanskaya aka Another NRG are up and we got Another Furnace (Invincible), Manky Kong, Zingos, Universe 666 Nitro, Flame (Vrains) and Radiation Boy.

Nico: Yep.

Qin: Radioactive.

Me: Yep.

But then...

KRASMASH!

I was hit on the head with a wood barrel!

Me: OW!

Nico: You okay?

Me: Yeah.

Nico: OKAY WHO IS THE WISEASS!?

Qin: YEAH!

Nico: THERE THEY ARE!

Nico: Celestia Eatos and Luna Dreadscythe!

Rafael: It's an honor to meet gene-slammers of my signature monsters.

Celestia Eatos: Same here. And good to see you again Nico.

Nico: You too.

Me: That is so awesome though. By the way girls are the rest of the Anothers friendly or Hostile?

Luna Dreadscythe: Friendly and you are gonna be surprised who the Another Aquaman is.

Me: Whoa! This will be cool.

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by using her powers to shoot energy blasts at those five banshees which sent them running back to their rooms after she caught them trying to kill Lincoln, and they hated her big time!

Qin: WHOA MAN!

Xenia: Nice!

Me: Pleasure.

Sasha Shot: Same here.

Xenia: Yeah!

Sougo: (gets out Donbrothers Ridewatch) Your dad might've clashed with the Justice League initially

Geiz (gets out Zenkaiger Ridewatch): But he's really grown

Sougo got DonMomotaroArmor while Geiz got ZenkaizerArmor

Nico: He sure has.

Lorelai: I know he has and I'm proud of him.

Qin: Yeah.

Lincoln: Lets separate you girls first.

We did so.

Me: Lets get it on!

Nico: (Gets out Furnace's Ridewatch) Feel the burn!

May: (Gets out Zingos Ridewatch) ZINGOS!

Universe 666 May: (Gets out Universe 666 Nitro's ridewatch) BLOW IT UP!

Maria: (Gets out Flame's ridewatch) BURN!

Nora: (Gets out Manky Kong's ridewatch) Smash and crash!

They used the powers of Furnace (Invincible), Manky Kong, Zingos, Universe 666 Nitro, Flame (Vrains) and Radiation Boy and blasted the Anothers all over!

Qin: YEAH!

Poromon: YEAH!

Then Fighting Bull-Frog, Pyrribbit, Rasputin the Mad Frog, Captain Bufo, Dicky Moe and Croak came.

Me: WHOA! FROG POWER!

Nico: Nice team Fighting Bull Frog!

Fighting Bull Frog: Thanks.

Me: Bullfrag's team next.

Nicole: OH FUCK! That means Jiraiya is gonna be on that team!

Naruto: Pervy sage!

Bullfrag: I'll keep Jiraiya in check

Me: You better. Nicole wants to make sure his head gets mounted on a pike for his perverse antics!

Bullfrag: I know.

?: Boy that is rough.

Elemental HERO Clayman came!

Me: WHOA! Elemental HERO Clayman!

Elemental HERO Clayman: (In a girls voice) Looks like it's time for some fun.

Nico: Gaia Clayman! Wow!

She reverted back.

Gaia Clayman: Good to see you Nico. I got this. CLAY SMASHER!

She jumped the ground and smashed the Anothers and I caught the Ridewatches and purified them!

Me: YEAH!

Nico: Nice job!

Gaia Clayman: Thanks! That was fun!

Me: It sure was. Do you have any good memories of Nico?

Gaia Clayman: I sure do. When me and Nico were exploring a cave and we found a massive vein of diamonds and it made me and my family rich.

Nico: That was an awesome find there.

Me: Wow I can tell!

Nico: Yep.

Nico and Gaia hugged.

Nico: I've missed you.

Gaia Clayman: Same here.

Me: When we get home I got to report to the Hokage about Mei.

Nico: Okay then.

We went back home to Earth and I went to the Leaf and reported about Mei.

Lincoln: No, it's not, it's in the hands of the clone of Hypernova Eta Carinae Stardragon, the hypothetical Akuma of Yusei Fudo and a master of stars and space and he looks very much like Majestic Star Dragon. He was made because of the crimes of Kalin and vowed to destroy his former best friend.

Lincoln got out his sketchbook, and we saw it: Hypernova Eta Carinae Stardragon looks very much like Majestic Star Dragon, but with a dark blue aura surrounding it.

We got a move-on, and we spotted our target: the clone of Hypernova Eta Carinae Stardragon who has The Dark Shot Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Shot Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Shot Card and he began sucking out all its energy powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Shot Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Shot Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow Book, and in the place of the Dark Shot Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Nico: Awesome! Now, for our final target: the clone of Hypernova Eta Carinae Stardragon.

The clone of Hypernova Eta Carinae Stardragon fired a massive blast of stars and space at Lincoln, but he absorbed it and it made him stronger.

Lincoln: Hah! Nice try, alright, let's get him.

Robin Hood went after the clone of Hypernova Eta Carinae Stardragon, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

Let's get him!

Lincoln, Super Brother and his harem and sisters and team, Robin Hood, Alexander Avalon, Ricky, Rufus, Margie, Sherlock Hound, Skippy the Bush Kangaroo, Red Savarin, Rayman, Juniper Lee, Von Lycaon, and Sly Cooper went after the clone, and they fired extremely powerful blasts of rainbow, green, royal blue, royal red, royal green, black and blood red, red and yellow, purple and red, magenta and pink, white and black, blue, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, nature, leaves, darkness, dark magic, black magic, Satanic Magic, fire, flames, lightning, snow, ice, snowflakes, ice crystals, kangaroos, wolves, witches, ogres, raccoons, devil hounds, demons, devils, owls, foxes, phoenixes, and angels at him, and they exploded with incredible power as they hit him. Then, Von Lycaon and Skippy the Bush Kangaroo punched him hard with their gauntlets and kicked him with their greaves and he got hit hard, and Red Savarin slashed at him with his massive greatsword and shot him with bullets and stun blasts and Sly Cooper whacked him hard with his new cane, same with Alexander Avalon, Ricky, Rufus, and Margie when they hit him on the head with a swing of their staffs.

Then, Skippy balanced himself on his tail and delivered a hard kick to the clone, and he screamed in agonizing pain.

Lincoln continued smashing the clone hard with his extremely massive godly superhuman strength, and he was no match due to Lincoln's extremely incredible godly superhuman speed and reflexes overpowering him and he even attacked him using the immense power and abilities of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of The Ancient Gods and Goddesses, and we did the same as well.

Varie: UNREAL! Our speed and reflexes are still even faster than ever!

May: We can't keep track of our own movements and we're even more stronger than ever! Look at how we're continuing to smash him all over the place!

Qin: That clone doesn't stand a chance due to Lincoln's rapid evolving and extremely incredible godly superhuman speed and reflexes overpowering him, now he's at the mercy of The True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid Angel of Gotham Royal York.

Luna: Along with J.D., Nico, Ymir, Camie, and Eli and all of us.

Then, Lincoln fired blasts of elements and energy at the clone and he got beaten up real good and he was mangled!

Nico: We did it, we took care of The Dark Shot Card, and we took down the clone of Hypernova Eta Carinae Stardragon.

Me: That was one intense battle we fought.

Lincoln: You said a mouthful. Either way, we took down another of Alecto's minions and took down yet another Dark Clow Card.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Cannon on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Archer on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Cannon, and she has a fire greatsword, and with her are the eight girls.

Lincoln: (GASPS) Brigid Vulcania, Avatar and Gene-Slammer of Laval Cannon.

Brigid Vulcania: That's right, and I got them away from the clone of Hypernova Eta Carinae Stardragon and The Dark Shot Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Shot Card when I sucked out its powers and absorbed the clone of Hypernova Eta Carinae Stardragon. (To Brigid Vulcania) And it's so good to see you again, Brigid.

Brigid Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Brigid Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Brigid Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Brigid Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Brigid Vulcania's waist and hugged her, and Enya Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Brigid Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Brigid Vulcania, Avatar and Gene-Slammer of Laval Cannon, she's Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Cannon. She's The Volcanic Lava Cannon Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Brigid Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Cannon, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Cannon, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Brigid Vulcania despises her parents who were actually racist assholes and monsters who hated their kids because of their powers with a blazing passion, because before the parents got killed, it turns out they hated Lincoln with a blazing passion and they knew if he gets married to The Volcanic Laval Masters of Courage, they would lose their punching bags and lose out on their chance to take out even more of their hatred and anger on them!

Nico: Honestly, after what we heard from Adara, your parents were absolute pieces of shit!

Adara Vulcania: Honestly, if they hadn't been killed, they would've tried something else to kill us and all of Team Loud Phoenix Storm.

Lincoln: Just because of their racist hatred towards their own kids, remind me that I'm gonna send those piles of garbage to The Black Abyss, and now that you're here, Brigid.

Lincoln with his massive muscular arms still wrapped around Brigid Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Brigid Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Brigid Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Brigid Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Brigid Vulcania.

Brigid Vulcania had a smile on their faces and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Brigid Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Brigid Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Brigid Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Brigid Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the eight girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the eight girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the eight girls are Ruriko, Aona, Yuki Takino, Nagisa Satou, Hotaru Shimizu, Kano Yamada, Kohinata, and Kokoro from The Catcher in the Ballpark!

Lincoln: Oh whoa, it's Ruriko, Aona, Yuki Takino, Nagisa Satou, Hotaru Shimizu, Kano Yamada, Kohinata, and Kokoro from The Catcher in the Ballpark!

Nicole: Wish Brigid hadn't told the guys to run. These girls are really good baseball players, Lynn and her friends would easily get along with them.

Lincoln: That's true, and if anyone tried to attack them, one baseball to the head would stop them. Are you girls okay?

Ruriko: Yes, we're okay thanks to you.

Then, when Ruriko and the other seven girls saw who it was that saved them from The Dark Shot Card and the clone of Hypernova Eta Carinae Stardragon, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his Ruriko: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Yuki Takino: (Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Ruriko, Aona, Yuki Takino, Nagisa Satou, Hotaru Shimizu, Kano Yamada, Kohinata, and Kokoro with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down another Dark Clow Card and Lincoln sucked out its powers and absorbed yet another of Alecto's forces.

May: That's for sure.

Lincoln: And with Alecto finally dead, all that's left is to put an end to his plan.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long orange hair, orange eyes, she was dressed in an orange two-piece bikini, she has massive fire-colored angel wings, and she has a fire greatsword in hand.

Lincoln: (GASPS) Bianca Burritolairaira, Queen of The Burritolairairans of Planet Burritolairaira.

Nico: The only female Burritolairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Bianca Burritolairaira, Queen of The Burritolairairans of Planet Burritolairaira, she's Lincoln's Guardian Angel from the planet of Burritolairaira in The Forbidden Zone, she's The Queen of The Burritolairairans who rules Burritolairaira, a planet of endless burritos, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Burritolairaira where he would meet The Burritolairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Burritolairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Burritolairaira and its core into his body and Burritolairaira's Sun into his body to preserve their legacy. Bianca Burritolairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of burritos, fire, flames, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of burritos, fire, flames, the ability to grow even stronger, and all the powers of The Burritolairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Burritolairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of burritos, fire, flames, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Burritolairaira and its core and Burritolairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them imprisoned in tortillas and burned alive and banished forever to The Black Abyss with the power of Burritolairaira.

Me: That's incredible.

Bianca Burritolairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Chocolateyairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all burritos, fire, flames, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Burritolairaira and its core and Burritolairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Bianca Burritolairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient

male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Hailey.

Nico: Wow...!

Bianca Burritolairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Bianca Burritolairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Bianca Burritolairaira with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Bianca Burritolairaira: That's my special gift to him: Burritolairaira's Blessing of Divine Fiery Burrito Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood.

(Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Bianca Burritolairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Burritolairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Shot Card of all its powers and absorbed the clone of Hypernova Eta Carinae Stardragon after we took him down, we were training intensely in the gym doing

900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Brigid Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Brigid Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Enya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Brigid Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Brigid Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my

enormous rainbow angel wings, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

Alexander Avalon: What the?! I thought we'd be going after them in the future!

Sakura Avalon: I got a feeling Anti-Cosmo sent Zirconia along with the other clones after us! Now that Alecto Slytherin's gone, he's trying to take charge.

Lincoln: If that bat-winged evil genius thinks he's gonna get away with it, he's got another thing coming!

Lincoln flew out and he fired massive barrages of rainbow, white, golden yellow, and blue energy blasts which hit Zirconia and the other clones of the hypothetical Akumas and the clone of Jonny Vilax, and that caused The Dark

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and stabbed them into The Dark Dream Card, The Dark Sweet Card, The Dark Dash Card, The Dark Big Card, The Dark Create Card, The Dark Change Card, The Dark Freeze Card, The Dark Firey Card, The Dark Arrow Card, The Dark Bubbles Card, The Dark Wave Card, The Dark Through Card, The Dark Libra Card, The Dark Snow Card, The Dark Voice Card, The Dark Cloud Card, The Dark Dream Card, The Dark Sand Card, The Dark Dark Card and The Dark Light Card, and The Dark Twin Card, and he began sucking out all their elemental powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting

large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Dream Card, The Dark Sweet Card, The Dark Dash Card, The Dark Big Card, The Dark Create Card, The Dark Change Card, The Dark Freeze Card, The Dark Firey Card, The Dark Arrow Card, The Dark Bubbles Card, The Dark Wave Card, The Dark Through Card, The Dark Libra Card, The Dark Snow Card, The Dark Voice Card, The Dark Cloud Card, The Dark Dream Card, The Dark Sand Card, The Dark Dark Card and The Dark Light Card, and The Dark Twin Card were weakened to a very severe degree.

Alexander Avalon: Alright, now's our chance! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened The Dark Dream Card, The Dark Sweet Card, The

Dark Dash Card, The Dark Big Card, The Dark Create Card, The Dark Change Card, The Dark Freeze Card, The Dark Firey Card, The Dark Arrow Card, The Dark Bubbles Card, The Dark Wave Card, The Dark Through Card, The Dark Libra Card, The Dark Snow Card, The Dark Voice Card, The Dark Cloud Card, The Dark Dream Card, The Dark Sand Card, The Dark Dark Card and The Dark Light Card, and The Dark Twin Card Card, and the light destroyed them and the cards were rendered blank and they went into The Dark Clow Book, and in the place of the cards were black onyx spheres with green ominous light and black and green auras surrounding them. But, then, the black spheres shattered, and the black and green auras released negative energy which we absorbed and they made us stronger.

Zirconia: NO! NO! DAMN IT! I was hoping to end them before they went after Darkseid, that way, Anti-Cosmo could launch his attack on Fairy World!

Lincoln: What was that? So, you knew we were going after Darkseid today, and Anti-Cosmo's going to launch his attack on Fairy World, huh?! Well, too bad for him, that ain't happening, and you all have just sealed your fates.

Zirconia: ATTACK!

Zirconia and the clones of Nightmare Hellrose Dragon, Darkfairy Decay Dragon, Planetary Chimera, Doomwing Dark Dragon, EL TORO DEL FUEGO, Mega Blizzard and Doomblizzard, InfernoSuzakumon, IrisVarodurumon, ZeusThundramon, MermaidJormungandrmon, YellowstoneVolcanomon, ArkSequoiamon, Blizzard Queen Snowfall, Princess Cryocold, MammothFrostdramon, and 460 Below,Psycho Fire, Psycho Water, Psycho Lightning, Psycho Wind, Psycho Leaf, Psycho Snow, and Psycho Dark, Jonny Vilax, Volcanic Dragon, Ich-Shukaku, EclipseHraesvelgrmon and ByazekubyoktoLobomon, and Lord and Lady Thunder charged at Lincoln.

Lincoln: Hah! Seriously?! You just never learn, do you, Zirconia?

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and stabbed them into the chests of Zirconia and the clones of Nightmare Hellrose Dragon, Darkfairy Decay Dragon, Planetary Chimera, Doomwing Dark Dragon, EL TORO DEL FUEGO, Mega Blizzard and Doomblizzard, InfernoSuzakumon, IrisVarodurumon, ZeusThundramon, MermaidJormungandrmon, YellowstoneVolcanomon, ArkSequoiamon, Blizzard Queen Snowfall, Princess Cryocold, MammothFrostdramon, and 460 Below, Psycho Fire, Psycho Water, Psycho Lightning, Psycho Wind, Psycho Leaf, Psycho Snow, and Psycho Dark, Jonny Vilax, Volcanic Dragon, Ich-Shukaku, EclipseHraesvelgrmon and ByazekubyoktoLobomon, and Lord and Lady Thunder, and he began absorbing them and assimilating all of their elemental powers, magic, powers, strengths, and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting

large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Zirconia began growing weaker as all his powers was being sucked out of him one at a time and was pumped into Lincoln.

Zirconia: (Groans) He's sucking us dry, we can't take much more of this!

Then, when Lincoln was done and the stingers changed back, nothing was left of Zirconia and the clones of Nightmare Hellrose Dragon, Darkfairy Decay Dragon, Planetary Chimera, Doomwing Dark Dragon, EL TORO DEL FUEGO, Mega Blizzard and Doomblizzard, InfernoSuzakumon, IrisVarodurumon, ZeusThundramon, MermaidJormungandrmon, YellowstoneVolcanomon, ArkSequoiamon, Blizzard Queen Snowfall, Princess Cryocold, MammothFrostdramon, and 460 Below, Psycho Fire, Psycho Water, Psycho Lightning, Psycho Wind, Psycho Leaf, Psycho Snow, and Psycho Dark, Jonny Vilax, Volcanic Dragon, Ich-Shukaku, EclipseHraesvelgrmon and ByazekubyoktoLobomon, and Lord and Lady Thunder.

Then, Lincoln came back inside and he then sucked out all of the remaining energy in the souls of Zirconia and the clones, and while the clones faded, Lincoln banished Zirconia to The Black Abyss, and Lincoln let out an extremely loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

Me: WHOA!

Nico: Damn! Lincoln, you sucked out all the magical and elemental powers of the remaining Dark Clow Cards and absorbed Zirconia and the remaining hypothetical Akuma clones Alecto Slytherin had unleashed!

Erosa Eroticaira: And you let out that extremely loud and massive roar of dominance and power and pounded your chest like a Alpha Male gorilla and you flexed your massive muscles as fire burst out of your massive biceps and massive muscles. (Smirks) You always enjoy letting out that dominant and hot alpha male beast out, Linky.

Lincoln: You got that right, no one messes with my friends and family and gets away with it.

Lincoln continued working out, and we heard Anti-Cosmo's angry scream.

Nico: Heh, he found out they failed, and now, he's pissed.

Lincoln: Let him get pissed, I'm gonna enjoy beating him up and draining The Dark Earthy Card he has in his hand.

Me: The last Dark Clow Card, this should be good.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Wind Elemental Realm.

Braeden Carnes: This is our next stop: The Wind Elemental Realm.

Lincoln: Wow, it's really beautiful.

Rainbow Dash: You said it, all of us Pegasi would feel right at home here. So, who's our next target?

Braeden Carnes: That would be The Demon Generals: Himiko Vines, Poison-Serpent, Copperbolt, Diablo, Spirit-Curse, Spirit-Shadow, Titanus, Machine Dragoon, Amon Blood Statham, and Dragontron.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: The Demon Generals: Himiko Vines, a blue unicorn filly with long spiky blonde mane is also tied up in an off-centered ponytail using vines, and blonde short tail with red sashes. Braeden Carnes: Himiko Vines, Poison-Serpent, Copperbolt, Diablo, Spirit-Curse, Spirit-Shadow, Titanus, Machine Dragoon, Amon Blood Statham, and Dragontron, The Demon Generals, I should've known.

Dragontron: You're not stopping us this time, Carnes! Soon, The Elemental Realms and this world will be ours!

Lincoln: No, that's not happening, Demon Generals. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Himiko Vines, Poison-Serpent, Copperbolt, Diablo, Spirit-Curse, Spirit-Shadow, Titanus, Machine Dragoon, Amon Blood Statham, and Dragontron and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Himiko Vines, Poison-Serpent, Copperbolt, Diablo, Spirit-Curse, Spirit-Shadow, Titanus, Machine Dragoon, Amon Blood Statham, and Dragontron.

Himiko Vines, Poison-Serpent, Copperbolt, Diablo, Spirit-Curse, Spirit-Shadow, Titanus, Machine Dragoon, Amon Blood Statham, and Dragontron: You can't do this to us!

Then, The Demon Generals were sealed into the Traps that went back into Braeden's hand.

Dragontron: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Dragontron. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Himiko Vines: Maybe, I think it's time for a career change.

Dragontron: Alright, fine.

They came back home.

Me: So, that was the seventh part down.

Lincoln: And five more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, my harem and I were heading to Miho Beach in Japan, and joining me was Lincoln and his harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry

and accessories, and he had his weapons holstered in case of trouble.

I snapped my fingers, and I was in a red and white speedo with a phoenix and flame surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, my jewelry and accessories, and I had my weapons holstered in case of trouble.

My harem were dressed in colored two-piece bikinis, colored sandals, and they had their weapons holstered in case of trouble.

And Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble.

Lincoln: We're here in Miho Beach.

Me: You said it, Lincoln, and we'll get a nice relaxation before we get after Darkseid today.

My harem and I and Lincoln and his harem dived into the waters and began swimming, and we also saw the marine life that live there, then we went back to the beach, and Lincoln's harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying, and my harem also gave me a deep tissue massage which not only relaxed my muscles and entire body, but they also released a ton of tension I'd been carrying.

Then, Lincoln did the same thing giving his harem a deep tissue massage, and when he was done with that, they were relaxed, and I did the same thing giving my harem a deep tissue massage, and when I was done, they too were relaxed. Then, we had an awesome game of volleyball, and we went to a workout area Lincoln created, and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his muscles, same with my harem as they got an extremely massive and deep atomic red blush on their faces when they saw me lift massive 999 Septillion ton-lb barbells in my large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over me especially when I started showing off by flexing my muscles.

Lily the Mermaid: (Swooning) Linky's still such a handsome and manly wolfman hunk.

Varie: Same with J.D.

?: KNUDSON!

Suddenly, we saw Doomsday coming after us!

Me: Doomsday! Lincoln, let's get him.

Lincoln: You got it.

Lincoln and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and we stabbed them into Doomsday and we began absorbing him and we assimilated Doomsday's Retroactive immortality absorbed by our True Immortality, Reactive evolution, Condition infinitum, Self-sustenance, Self-resurrection, Bone retraction, Solar absorption, Regeneration, Energy absorption, Natural weaponry, Space survivability, Supernatural strength, Supernatural durability, Supernatural speed, Supernatural agility, Supernatural stamina, Supernatural reflexes, Supernatural endurance, Supernatural acrobatics, Omega effect immunity, Soullessness, Intangibility cancellation, Ergokinesis, Telepathy immunity, Heat immunity, Cold immunity, Radiation immunity, and Possession immunity, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

And my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and my large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above my Bracers and ankles and beside my thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on my 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on my bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Me: (GROWLS) Same here!

Then, when Lincoln and I were done and the stingers changed back, Lincoln and I sucked out every last bit of energy from Doomsday's soul and we sent him to The Warp and Lincoln and I let out a loud and massive roar of dominance and power as we pounded our chests like two Alpha Male gorillas and fire exploded out of our massive biceps and muscles.

Then, we had some lunch, and then, as the sun was about to set, Lincoln went up to his harem and he hugged them in his abnormally massive and powerful muscular arms, and his harem placed their hands on Lincoln's massive hairy pecs, and I went up to my harem and I hugged them in my abnormally massive and powerful muscular arms, and my harem placed their hands on my massive hairy pecs, but Lincoln and I weren't done. Then, we had our harems lying down on two massive beach towels with Lincoln on top of his harem and me on top of my harem.

And then, Lincoln shared a passionate and romantic kiss with his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

And I also shared a passionate and romantic kiss with my harem and I slowly sank my fangs into their right trapeziuses and I began feeding on the blood of my harem, and my rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flared up extremely as I gained an extremely astronomically huge and massive power boost and I also gained the very same powers as them, and my abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and my enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath my enormous rainbow angel wings spread out and my large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above my Bracers and ankles and beside my thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on my forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on my

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico saw Lincoln and I were covered in kisses on our faces, bodies, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you and J.D. really had a good time at Miho Beach, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Me: (In Heaven) So...worth...it!

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Doomsday came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, J.D. and I used our Cell stingers and absorbed him and assimilated all his powers and abilities, and we sucked out his energy and banished him to The Warp until Superman's big day against Lex Luthor.

Me: You got that right, Lincoln. Before we get rid of Lex Luthor, we're going to get rid of Doomsday first and on your rescue, Nico.

Nico: Smart move.

Lily the Mermaid: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Varie: Same with J.D.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold,

jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our final showdown with Darkseid starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori,

Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: Yep.

Sophocles: (to Audrey and Chloe) If you two want to spend quality time instead of going after Darkseid, that's fine. We already got enough numbers against him

Audrey: We do. Just to bond.

Chloe: Yeah.

Me: Okay then.

Poromon: We're heading out too as well.

Me: Okay.

They went down to the surface and into the city.

The mascots went into the city.

Poromon: Such an awesome day!

Poliwag: You said it!

Aquaman: I hope nothing bad happens to the mascots

Me: They will be fine.

But then the alarm went off.

Me: Uh oh.

We saw on the computer that there was something going on in Gotham Royal York City Square.

Me: There's a disturbance downtown!

Nico: Lets go!

We were off.

Earlier the mascots we walking and they heard a scream!

They arrived in the Gotham Royal York City Square and saw a woman being terrorized by a SLIME MONSTER!

Poromon: OH YUCK! Lets go!

The mascots went and faced it!

Poliwag: HEY YOU UGLY SLIME FREAK! Who do you think you are!?

Monster: I am. AAAAH AAAAHH AAAAHHH AAAAAAAAAAACHOOOOO!

IT SNEEZED AND DRENCHED THE MASCOTS ALL OVER IN DISGUSTING SLIME!

Booger Beast: THE BOOGER BEAST!

We arrived.

Me: WHAT THE FUCK ARE YOU!?

Poromon: He's called the Booger Beast!

Me: OH SICK!

Qin: YUCK!

Xenia: DISGUSTING!

Aligned Knock Out: If you sneeze on my finish, so help me!

Freakazoid: I AM NOT Facing you again! You are too gross for me! I am outta here!

He left.

Me: I don't blame him one bit for leaving.

I fired waves of energy and blasted him and then contained the Booger Beast.

Skids: You guys okay?

Poromon: Other than the fact that we're covered in snot, we're fine.

Qin: YUCK!

Lola: Disgusting!

Varie: YUCK!

May: That was so gross.

Nico: No kidding there.

But then...

ZZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAPPPPPPPPPPPP!

A powerful blast of lightning hit May and electrocuted her!

May: (SCREAMS IN AGONY)

Me: WHOA!

Ed: Zappity Zap Zap.

She was burned badly all over!

Manaphy: MAMA!

May: I'm okay! (Faints)

FWOMP!

Me: What did that!?

Laney: Look there!

We saw a Mega Pachirisu!

Me: Whoa! A Mega Pachirisu!

Dawn: Aww so cute!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Manaphy: YOU STUPID JERK!

Manaphy went and challenged it!

Manaphy: JUST WHO DO YOU THINK YOU ARE HURTING MAMA LIKE THAT!?

Manaphy and the Mega Pachirisu then brawled in a ferocious fight cloud!

Nico: GEEZ!

POW WHAM BIFF SMASH WHOMP ZONK BASH BAP KROW CRASH!

May then grabbed Manaphy.

May: Geez!

Sheena used her powers.

Sheena: WHOA! The Mega Pachirisu is a girl named Triia Thunderbird.

Miannda: (GASP) My sister!

Me: Lets go help her!

Me and Miannda went over to her.

Miannda: Triia it's me Miannda.

She used Spark on Horsea but she put her clone in front of her

The clone got zapped with lightning.

ZZZZZZZZZZAAAAAAAAAAAAAAAAAAAAAAAAPPPPPP!

Ed: Zappity Zap Zap!

Me: Ouch! Okay then.

I snapped my fingers and she reverted back and she was a girl with blue hair, blue eyes, lightning angel wings and had Mega Pachirisu on her forehead and had a thunderbird over a storm cloud on her arm as a cutie mark and she had a voluptuous body.

We wrapped her in a blanket and brought her over.

Me: There.

Jiraiya: Boy what a beautiful...

POW!

Nicole punched him in his face!

She woke up to see Horsea's smiling face

Triia Thunderbird: (Groans) Huh? A Horsea?

Horsea: You hit my clone with lightning!

Maria picked her up.

Miannda: Are you okay sis?

Triia Thunderbird: Miannda!

She hugged her!

Miannda: I'm glad you're safe!

Triia: Same here.

Me: You were turned into a Mega Pachirisu by Dark Gale.

Triia: Oh man! I was fighting the Utrom Shredder's forces while searching for my sister.

Me: Whoa man!

Qin: Wow!

Manaphy hopped over to her and had a vicious glare on her face.

Triia: Cute Manaphy.

Manaphy: WHY YOU LITTLE!?

She then grabbed her neck and was strangling her like how Homer does Bart!

Nico: GEEZ!

May grabbed Manaphy.

May: Manaphy calm down.

Manaphy: But mama?

May: I know but calm down.

Triia: She sure is protective of you.

May: I know.

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new blue and aqua blue clothes and a lightning sword.

Triia: I look amazing.

Me: You sure do.

We returned home.

When we got home the mascots went to the tub.

Later as we were watching TV...

Poromon: (SCREAMS IN THE BATHROOM!)

Me: UH OH!

We went to the bathroom!

Nico: Poromon are you alright!?

We saw Poromon hiding in a drawer!

Poromon: DON'T LOOK AT ME!

Nico: Why?

Poromon came out and he was BALD!

Poromon: I've scrubbed all my feathers off! I'M BALD AND NAKED!

WE GASPED!

Jake the Dog laughed at him!

Me: JAKE! SHUT THE FUCK UP! This is not funny!

Finn: Not cool man!

Jake: Sorry!

Nico: Poromon your feathers will grow back.

Mae Teipei got on her jumpsuit. It was purple.

Mae Teipei: Ready for this.

Poromon was hiding in a towel.

Poromon: I'm not coming out of this towel till my feathers come back!

Nico: That will be tomorrow.

Qin: Yep.

Lego Luthor contacted us.

Lego Luthor: Hello everyone. The final battle against Darkseid is upon us.

Energon Scorponok: We know. But to get to Apokolips, we'll need to activate a Boom Tube.

Lego Luthor: There's a Boom Tube Generator at LexCorp. We'll use that.

Me: Awesome!

Nico: Great. And thanks for informing us of mission the last several days.

Lego Luthor: My pleasure. After all, Lincoln isn't the only one who can do that.

Lincoln: Too true.

Me: We can hook up the Boom Tube to the ship and we'll be on our way.

Xenia: Good idea.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud! Darkseid!

Eli: It's time!

Lincoln: Yep, he's finally lost it!

Lincoln sounded the alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's Darkseid, he's finally out for blood and he's enraged that Nico absorbed The Anti-Life Equation, and now, he's out for revenge!

EVERYONE GASPED!

Aquaman: I knew it, I knew we'd be going after Darkseid, now we can finally do away with him.

Nico: Lincoln, I hope you have a plan to deal with that demonic son of a bitch.

Lincoln: Yep, and it's something J.D. and I came up with.

Nico: A joint planning, this should be good. Alright, team, it's time to head out, Darkseid's time in the universe is finally up!

Lincoln: This shall be his final resting place, and he and Apokalips will be destroyed forever.

The previous group came.

Golden Glider: Can me, Pinky & The Brain, Black Adam, Jet, Kite Man, Mole Man, Golden Glider, Magneto, Jack O Lantern, Toad and Melter go with you guys?

Brain: And what happened to Poromon?

Poromon: I scrubbed all my feathers off and I'm bald!

Qin: We had a run in with a booger monster and it drenched him.

Me: Don't fucking ask.

Nico: And yes you all can come with.

Vegeta: Bokrua, which Gene Slammer do you think you'll meet next?

Nico: Elemental HERO Bubbleman next.

Qin: Water power!

Nico: Yep!

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his and his large gold halo and second smaller halo of light in the center and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo that's behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figures were in the vision: it was the three overarching antagonists in the Spawn Comics, Gaia, God, and Satan from Spawn, and they want revenge on Spawn. When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got some serious trouble!

Me: Oh man, was that...?!

Lincoln: The three overarching antagonists in the Spawn Comics, Gaia, God, and Satan from Spawn, and they want revenge on Spawn.

Spawn: So, those three want revenge on me. Well, they're in for quite the rude awakening.

Emily Edelstein: Let me and Lincoln face them, and once Lincoln sucks out and absorbs their powers and sucks out all the energy in their souls and send them to The Black Abyss, you can destroy their bodies, Al.

Spawn: Sounds fair.

Lincoln: That's a good idea, Emily.

Nico: Been two years since we faced any of your old enemies, Spawn. Alright, team, let's deploy The U.S.S. Valorous Phoenix and head for Apokalips.

Lincoln: Darkseid's time in this universe is finally done, we're not going to let him get away with his plans any longer, and once we get done with him forever, Gaia, you and your children are next.

Emily Edelstein: I cannot forgive the three of you for what you've done, divine retribution is coming for you and your sons, Gaia! You're finished!

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we deployed The U.S.S. Valorous Phoenix and we headed for Apokalips to finally destroy Darkseid once and for all and send him and all of Apokalips to The Black Abyss, and once we get done with Darkseid forever, Emily Edelstein and Lincoln are going to destroy Gaia, God, and Satan from Spawn and after Lincoln absorbs them and sends their souls to The Black Abyss, Spawn's going to shoot their bodies dead as added retribution.

We were off to LexCorp to get ready.

We arrived.

Me: We're here.

Black Adam: Let's call Melter, David Cain, and Weather Wizard

Melter: Well firstly I'm right here.

Black Adam: Oh sorry.

Me: And we can call them in now.

We did so.

David Cain: We're ready for this.

Lego Cheetah: Sorry I'm late. It took a while to get Man Bat to agree to help out.

Airi: I can see that.

Me: We're ready for this though.

Qin: Yes we are.

Lola: Yeah.

Nuova Shenron: Now, about that Boom Tube

Lego Luthor: Coming right up

He went and got it and handed it to Nico.

Me: Awesome.

Qin: Lets hook her up.

We went and did so to the ship.

Kite Man: Lets activate it.

Me: Here goes nothing.

We got the ship going and I pressed a button and a beam of light fired and opened up a wormhole!

Nico: Here we go.

We were off.

We flew in and we arrived at Apokolips in the prime universe.

Me: There it is. Apokolips.

Xenia: Scary place.

Melter: We're in enemy territory now.

Nico: All hands red alert! Man Battlestations!

The alarms sounded and we were ready.

We landed and saw Apokolips.

Ravager: It's like we're in Hell.

Me: Sure feels like it.

White Lightning: I've heard how bad Darkseid is. I'm looking forward to ending him!

Me: So am I. What he did was horrible.

Qin: Yeah.

Camie: This will be intense.

Lincoln: Alright, we're here on Apokolips, so before we go after Darkseid, I got a massive battle plan.

As soon as we called the entire M.O.E. here, Lincoln pulls up a hologram of Apokolips and he zoomed in on the citadel, Darkseid's lair and Darkseid himself.

Lincoln: Now, as we already figured out, our main target is Darkseid, the demonic ruler of Apokalips, and he's finally out for blood and enraged that Nico absorbed The Anti-Life Equation two days ago, and now, he's out for revenge.

Me: Exactly.

Nico: We took down Granny Goodness, Kalibak, and Virman Vundabar when we went after Team Buktu and sent them to The M.O.E., and yesterday, we got rid of Steppenwolf. Now, all that's left is Darkseid.

Me: Yep, and if I'm not mistaken, Desaad is also there too.

Lincoln: Darkseid's torturer, he's not getting out of this easily, and I dealt quite the blow these past few days with using Anti-Matter infused Omega Beams to suck the life and energy out of the many Parademon hordes. But, here on Apokalips, it's not gonna be easy, there's gonna be many hordes of Darkseid's loyal warriors, so there's no need to hold back, we're gonna kill every last one of them and send them to The Black Abyss. We'll also need to find out if there are other survivors here so we can get them to the infirmary.

Vypra: Leave that to us, we'll get them to the infirmary.

Lincoln: Once the hordes of Darkseid's warriors are taken down, we go after Desaad and kill him as well, he'll have some nasty surprises in store, so we need to be ready for him. Finally, after Desaad is dealt with, then we face Darkseid. He's gonna be a tough opponent just like with Thanos, so we need to go all out on Darkseid in the same way we killed Thanos all those years ago, and once we suck out all of Darkseid's powers and abilities, then we really let loose on him.

Me: Awesome.

Lincoln: But, here's where we do out grand finale to wipe out Darkseid and Apokalips forever. J.D., we're going to use The Spirit Bomb to destroy Darkseid and Apokalips, but you'll need to contact King Kai and get him to contact the Kais of the East, West, and South, we're gonna need all the energy from everyone all over the entire universe to do it!

WE GASPED!

Nico: Whoa! Now, that's what I call a detailed battle plan and an explosive finale.

Me: (Smiles) Leave that to me, Lincoln.

This is where he dies once and for all.

We flew out, and we saw many massive hordes of Darkseid's loyal warriors coming right at us, along with many Parademons.

Nico: This is their final stand, so it makes sense they would mobilize for a final battle.

Me: But, this will be their final battle.

Suddenly, more Parademons, this time, sent by Darkseid have shown up.

Nico: Darkseid, you really are a damn monster.

Me: He has and always will be a monster.

Lincoln: He's not getting away with this.

Lincoln fired powerful Omega Beams infused with Anti-Matter, and they hit the massive hordes of Parademons and the next incoming massive hordes of Parademons sent by Darkseid, and then, Lincoln sucked out all of their energy and it went into Lincoln as he grew much stronger, and The Parademons were turned to desiccated corpses. Then, he saw more Parademons appear, and he used Simone De Bastien and Shang Tsung's powers and he sucked out their souls, and he used his own soul sucking powers along with the other powers of many soul stealers to suck out the souls of the next group of Parademons and he absorbed them and drained their souls of energy and sent them to The Black Abyss.

Then, we proceeded to slay the massive hordes of Darkseid's loyal soldiers and we were killing and disemboweling them left and right and Lincoln, Nico, Super Brother, Eli, and I used our Cell stingers and absorbed them, and while we were doing that, Vypra sent many of The M.O.E. to find survivors, and they found the survivors inside the dungeons of Darkseid's citadel, and they got them to the infirmary.

Vypra: We got the survivors to the infirmary.

Vypra saw we were really covered in blood.

Lord Drakkon: Yikes, you guys really made a mess!

Electro: Same with all of us.

Nico: We're gonna need one serious bath after this. Alright, now for Desaad.

?: Knudson!

We then saw our target, Desaad, Darkseid's torturer.

Me: Speak of the Devil. Desaad, I should've known you'd be the next to show up.

Desaad: You will never get near Lord Darkseid, this is where you will die, I will torture all of you to death!

Nico: Take your best shot!

Me: Bring it Desaad.

Desaad charged at us!

SHEEN!

But, he ran right into the 620'11" massive, wide, double-edged gold blade of my massive greatsword and as I removed it and holstered it on my back, a massive geyser of blood exploded out of Desaad!

Me: Nice try Desaad.

Desaad: (Weakly) You've gotten stronger!

Me: Training and each passing battle has helped me greatly.

Vypra: Desaad you deserve much more than Darkseid.

Nico: She's right about that.

Vypra: Darkseid is only using you as a pawn. Work for me and you will be greatly rewarded.

Nico: Yeah.

Me: So what do you say?

Desaad: I'll do it.

Me: Good choice.

Vypra: Medic!

The M.O.E. Medic Corp took him to the infirmary.

Bai Tza: Oh man, you...you defeated Desaad just like that!

Nico: Wow...!

Me: I've really gotten that much stronger since the last time I faced him. Alright (Rainbow Eyes turn blue) Now, for the final showdown.

Lincoln: Time to die, Darkseid.

Me: Almost.

Lincoln: WHOA! I just had a Premonition! Aquaman's Akuma is coming! His name is Krakenquake! The Hypothetical Akuma of Aquaman and he looks like the Legendary Kraken that was defeated by the legendary hero Perseus in Greek Myth. He was made because of Orm killing everyone in Atlantis and killing everyone on the surface world and vowed to destroy Orm with the force of the mighty Kraken and the God of the Seas, Poseidon himself

WE GASPED!

He showed us a sketch of him and sure enough he looked like the legendary Kraken from Greek Myth.

Lola: WHOA!

Xenia: He is huge!

Me: He does look like the legendary Kraken from Greek myth!

Lincoln: Thank goodness I never saw him back 2,400 years ago.

Nauthilax: He's a fish out of water here. Just like me.

Me: Yep. And We're going to need some legendary help on this.

I knelt and prayed to Zeus and he sent Perseus to help!

Me: Perseus!

Perseus: It's an honor to meet you in person J.D.

Me: Same to you Perseus. Thank you for helping us.

Perseus: My pleasure.

Then there was a rumble and out came KRAKENQUAKE!

HE WAS HUGE AND SCARY!

Me: HOLY SHIT!

Perseus: It'll be just like how I defeated the Kraken before. I have something to help us in this bag.

Me: Let me guess, the head of Medusa.

Perseus: You know me well J.D.

Me: Read so much about you in books and myths.

We went to face him and he saw us.

Krakenquake: WHERE IS ORM!?

Me: He is in a better place!

Toad: Aquaman? Is that you?

Krakenquake: NOT ANYMORE! NOW DIE!

Melter: YOU NEED TO CALM DOWN!

Krakenquake roared!

Me: Guess that's out of the question! Lets get him!

We fired waves of energy and blasted him all over the place with intense fury!

Melter fired energy waves too and blasted him!

Krakenquake: My turn!

He went at us and swung his tentacles!

Me and Perseus jumped and held up the head of Medusa! In his eyes he looked and roared in agony! He turned into a HUGE STONE STATUE!

Nico: That would be the biggest garden ornament ever.

Me: I agree there.

I fireda MASSIVE energy blast and it hit it and blew it to smithereens!

He was blown apart and sent to the M.O.E.

Bad Juju: That's another Akuma of a Justice League member dealt with.

Me: Yep. Just like how Perseus dealt with the Kraken in the ancient Greek myth.

Qin: It sure is!

Cozy Glow: I slain Kronos like he did.

Nico: I remember that!

Perseus: I heard all about that Cozy Glow. Well done.

Cozy Glow: Thank you.

Perseus: If you need me again just call.

Me: Will do.

We shook hands.

He left.

Me: We'll see him again.

Nico: We will.

KRABOOM! SLASH!

Then, we looked to see Zachary Hart, Alexander Michaelson, and Adrian Acmetropolis taking down the last of Darkseid's troops with their drill lance, greatsword, and death scythes, and we saw Aodhan Vulcania firing massive blasts of fire and lava at more of them and slashing all of them into slivers with his massive greatsword and blasting more of them with his gun, and they were punching, kicking, and slashing at them with unimaginable power and strength!

Eli: Looks like they're sweeping things up.

Then, we saw them about to fight Darkseid who fired Omega Beams at them, but Lincoln formed many powerful gem shields around Zachary Hart, Alexander Michaelson, Adrian Acmetropolis, and Aodhan Vulcania.

Nico: Oh God, we got to get in there to save them!

Lincoln: Oh man, I should've never sent them out there!

Nico: It's okay, Lincoln.

Me: He's right, your quick thinking saved them. Now, let's end Darkseid for good!

Nico: Time to end that monster once and for all.

Magneto: Let's not keep the ruler of Apokolips waiting.

Suddenly, the spirits of The Justice League appeared and they attacked Darkseid with fury along with sudden blasts of red, white, golden yellow, and blue energy, stars, aura energy, white, golden yellow, and blue heavenly flames, elemental forces, magic, mythical beasts, phoenixes, and angels from Alexander Avalon. Then, the spirits converged and then...

KRABBBBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMMM!

A massive explosion erupted as a Thunderbird Screech, Dragon Roar, Wolf Howl, Tiger Roar, and Phoenix Cry was heard, and we appeared.

Me: Hello Darkseid!

Darkseid: J.D. Knudson and all of Team Loud Phoenix Storm, so you have arrived.

Me: It's been six years since I killed you, Darkseid, and now, this is where we finish what was started long ago.

Darkseid charged at me, but I blocked his sword with my massive greatsword, and we were clashing like crazy as fires sparked all over the place, but I overpowered him and slashed him hard which broke his sword in half. Then, he fired Omega Beams at me, but I deflected them with my massive greatsword and gem shields and sent them right back at Darkseid.

Darkseid: Impossible! How?! How have you gotten that much stronger?!

Me: Years of constant training and being purified did just that, Darkseid, and I knew one day you would, but we're ready for you.

Lincoln: And we're gonna make sure you for good along with all of Apokolips, Darkseid.

Darkseid: We'll see. And Saiyan Nico Chan. You have something that belongs to me. The Anti-Life Equation.

Nico: Oh you mean what's in me?

Darkseid: Yes.

Grounder: Come and get it!

Darkseid: (smirks evilly) Gladly.

I teleported and kicked Darkseid in his face and punched him mercilessly and kicked him in his stomach and teleported behind him and punched him in his back and kicked him down and smashed him into the ground.

Then, Lincoln, Nico, Super Brother, Eli, and I morphed the tips of our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf tails into Cell's stingers and we stabbed them into Darkseid and we began sucking out his powers and assimilated Darkseid's Enhanced intelligence, Indomitable will, Intimidation, Deception, Leadership, Expert tactician, Hacking, Master combatant, Weapon proficiency, and New God physiology: Omega Effect, Supernatural strength, Supernatural mobility, Supernatural durability, Supernatural regeneration, Supernatural survivability, Invulnerability, Self-sustenance, Flight, Levitation, Extrasensory perception, Telepathy, Telekinesis, Nigh-Absolute Immortality absorbed by our True Immortality, Existence erasure, Non-physical interaction, Odynokinesis, Paralysis inducement, Information analysis, Spatiokinesis, Chronokinesis, Time travel, Mind control, Teleportation, Cosmic awareness, Technokinesis, Size-shifting, Materiokinesis, Reality warping, Petrification, Power nullification, Thermokinesis, Fire manipulation, Earth manipulation, Magma manipulation, Electricity manipulation, Air manipulation, Water manipulation, Pathokinesis, Corruption, Summoning, Animakinesis, Ergokinesis, Energy blasting, Weather manipulation, Energy absorption, Life manipulation, Healing, Aura, Resurrection, Portal creation, Abstract existence, Homing attack, Regeneration, Life force absorption, and Illusion creation, and our abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and our enormous angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large angel wings underneath our enormous white angel wings spread out and our large gold halos and second smaller halos of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind our heads and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on our obliques and sides and the rainbow flame patterns on our forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on our 999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoos on our bare chests glowed.

Lincoln: Ooh yeah, this feels incredible. RRGH!

And Lincoln, Nico, Super Brother, and I also flexed our muscles even more which really aroused our harems even more, and at the same time, Darkseid began growing weaker as all his powers were being sucked out of him one at a time and was pumped into Lincoln, Nico, Super Brother, Eli, and I.

Darkseid: (Groans) They're sucking me dry, I can't take much more of this!

Then, when Lincoln, Nico, Super Brother, Eli, and I were done and the stingers changed back, Darkseid was severely weakened to a degree and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles same with me, Nico, Eli, and Super Brother!

Me: YEAH! Nico... (Winks at him) Give it to him.

Nico: With pleasure.

Darkseid fires his Omega beams at us but we dodged it.

Mole Man: Um, just letting him absorb might be easier said then done.

Maria: No harm in fighting him a little while longer.

Me: Okay then. Might as well give him a little show.

I teleported again and punched him in his face and kicked him.

Me: Lets see how my purification affected my Surekill moves! (Echoing) FLARE UP! RAGE OF INFERNO! 超弾動閃煌斬

I SWUNG MY SWORD AND FIRED A MASSIVELY INTENSELY STRONG AND POWERFUL VORTEX OF FIRE AND LIGHT AND IT HIT DARKSEID AND EXPLODED WITH INCREDIBLE AND UNBELIEVABLE POWER!

UNBELIEVABLY POWERFUL AND ULTRA POWERFUL EXPLOSION OF UNFATHOMABLE FURY AND POWER!

THE EXPLOSION BLASTED A HUGE HOLE THROUGH HIS STOMACH AND HE REALLY FELT ALL THAT!

Nico: HOLY SHIT!

Qin: That was powerful!

Ymir: Way to go J.D!

Luna Nightshroud: WOW! That was incredible!

I saw blood dripping from him.

Me: Well well, seems you can bleed after all! That proves you are no god!

Darkseid was enraged hearing me say that!

Dakrseid: I hope you appreciate, Nico Chan, that everything that happens from this point is on your hand. The skies will rain fire, the oceans will boil, the streets will run red with the blood of billions. Only then, after your last pitiful hope is extinguished, will I end your life. Let's go.

Jet: For once, we agree. Let's fucking go!

Me: SHUT UP DARKSEID! Like we hadn't heard that one already more than enough before!

Nico: What you have planned, it's not going to work!

Me: Darkseid's playing mind games on us! It's not going to work!

Nico: YEAH!

Xenia: We are not cowards like you Darkseid!

Ymir: YEAH!

Me: Superman told us everything how you brainwashed him as well as how you murdered that cop! Daniel Turpin! His blood is already on your hands!

Superman: I'll never forget that!

Darkseid: Had I known one human's death would pain you so, I would've killed more. And I still can.

Merrick: Not on our watch!

Me: You think you killed so many Darkseid? HA! Your crimes are nothing compared to those of Thanos! He wiped out most of all life in the entire universe! If we hadn't stopped him, he would have done so! Thankfully we did! We killed him and that is what secured our place as the most powerful force in the entire universe! And also the Multiverse! We don't bow down to ANYONE like you!

Nico: THAT'S RIGHT!

Qin: The only one who should be bowing down is YOU to US!

Darkseid: It is the other way around. Because that is where you belong. Underneath my heel.

Me: Wrong answer!

Wind Man: Man Bat?

Lego Man Bat roared and charged at him and kicked him down.

I teleported and blasted him all over!

I kicked him in his face and fired 2 powerful massive energy blasts and they hit him and exploded!

MASSIVE AND INTENSELY POWERFUL FIERY EXPLOSIONS!

Pinky: Can we watch TV together?

BLANG!

Brain bashed Pinky with a mallet!

Pinky laughed crazily and stupidly!

Pinky: (LAUGHS STUPIDLY AND CRAZILY) NARF!

Qwilfish: Will you please focus?!

Qwilfish charged at him!

He blasted him with energy and water!

The blasts hit him!

Lincoln fired waves of lightning and blasted him all over!

David Cain charged at Darkseid and kicked him in his face.

Lincoln, Super Brother, Aquaman, Nico, and I and the rest of us went after Darkseid and we fired extremely powerful blasts of rainbow, white, golden yellow, and blue energy, aura energy, fireworks, rainbows, storm clouds, gold halo rings, quintessence, life energy, illusions, crosses, planets, sea creatures, nightmare creatures, sports equipment, leaves, plants, pumpkins, dark lightning, pumpkin fire, swords, fruits, animals, music notes, psychic blasts, jewels, starships, imps, butterflies, moths, spades, hearts, aces, diamonds, clubs, Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, Crystals, Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, Explosions, Fairies, Vampires, Tigers, Buffalo, Thunderbirds, Phoenixes, Elemental Dragons, Werewolves, Demons, Banshees, Spirits, Fiends, Zombies, Elemental Angels, Alicorns, Angels, Archangels, Outer Gods, Mammoths, Pegasi, Windigos, Tortoises, Succubi, Incubi, Hydras, Qilins, Centaurs, Sauropods, Theropods, Mermaids, Basilisks, Cockatrices, Cerberus, Perytons, Griffins, Sphinxes, Hippogriffs, Manticores, Shadow Wisps, Sylphs, Golems, Animals, and Mythological Animals at Darkseid, and they exploded with incredible power as they hit him.

Then, we attacked him with powerful slashes from our massive greatswords leaving bleeding scars on her and Lincoln left many more by firing rainbow energy slashes with his gold-plated claws and his massive greatsword and he even fired red and blue wolf fire at him as well and I also left many more by firing rainbow energy slashes with my gold-plated claws and fired blue wolf fire as well same with Nico, and Lincoln, Nico, and I and the rest of us attacked him hard with punches, kicks, and karate chops and they're super mega-painful because of our massive godly superhuman strength, and it was really pissing Darkseid off even more.

Suddenly, Lincoln's massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings spread out and four halos of rainbow energy formed with intricate designs inside it behind him and a massive halo of gold energy with intricate designs formed above his head with intricate designs.

Then, Lincoln charged and smashed his rainbow energy infused left fist into the stomachs of Gaia, God, and Satan from Spawn and a cluster of rainbow, white, golden yellow, and blue heavenly flames exploded out behind them. Then, Lincoln formed a very massive glowing rainbow energy blade surrounding the 620'11" massive, wide, double-edged gold blade of his massive greatsword.

Lincoln attacked them with two powerful energy slashes, and then...!

Lincoln did one final powerful energy slash that hit Gaia, God, and Satan from Spawn hard, and a massive explosion erupted as the gold chains exploded into pieces, and Lincoln landed and Gaia, God, and Satan from Spawn were on their last legs.

RRGH!

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, Gaia, God, and Satan from Spawn began growing weaker as all their powers were being sucked out of them one at a time and was pumped into Lincoln.

Gaia, God, and Satan (Spawn): (Groans) He's sucking us dry, we can't take much more of this!

Spawn also shot them in the head. Then, when Lincoln was done and the stingers changed back, nothing was left of Gaia, God, and Satan from Spawn, and Lincoln sucked out all of the remaining energy in the souls of Gaia, God, and Satan from Spawn and banished them to The Black Abyss, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and Emily Edelstein's new body, clothes, weapons, jewelry, Third Eye, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long purple wolf tails, large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold star ring-shaped frame around it with embedded purple gems behind the gold halo with four large orbiting gold rings on each corner and four large Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold star ring-shaped frames around them with embedded purple gems behind the gold rings behind her head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large purple planets orbiting around her legs, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 smaller purple planets orbiting around her waist, smaller planets orbiting around her fingers, medium sized purple planets orbiting around her wrists and ankles, and enormous rainbow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large rainbow angel wings underneath her enormous rainbow angel wings are permanent.

Emily Edelstein: And this where it ends for you and your sons, Gaia, and this is goodbye and good riddance. Thanks for helping me get rid of Gaia and her sons, Lincoln. You too, guys.

Lincoln: (Smiles Warmly) You're welcome, Emily.

Me and Nico: Our pleasure, Emily.

Suddenly, Emily Edelstein wrapped her arms around Lincoln's waist as he lifted her up to his face as her breasts pressed against Lincoln's massive pecs and her stomach pressed against his twelve-pack abs, which'd brought an atomic red blush to Lincoln's face, and he wrapped his abnormally massive and powerful muscular arms around her waist, which took her by surprise and brought an atomic red blush to her face. Then, as Lincoln leaned down to Emily Edelstein's face, they kissed passionately as she moved her hands onto Lincoln's massive pecs, and behind them was a Thunderbird, Phoenix, Dragon, Tiger, Mermaid, Angel, Fairy, Succubus, Incubus, Windigo, Alicorn, Demon, Vampire, Werewolf, and Doves flying in the air, and we saw a herd of Buffalo and many animals running across the field and elemental forces behind them and we cheered wildly. Then, Lincoln and Emily Edelstein sucked in and absorbed the elemental forces and they came back to us as the display vanished.

Brittney: We got rid of another of Spawn's enemies, three of them being the overarching enemies of the whole thing.

Lincoln: Our Lord told me of what they've done, and he said they were to be destroyed once we found them.

Spawn: Looks like we just did another of the good Lord's work.

Me: That's for sure. So, Lincoln, who's the next girl we're meeting on your next rescue tomorrow?

Suddenly, we saw the symbol of The Volcanic Laval Masters of Courage and Laval Coatl.

Lincoln: (GASPS) The symbol of The Volcanic Laval Masters of Courage and Laval Coatl.

Adara Vulcania: There's only one person who fits this: Nina Vulcania, Avatar and Gene-Slammer of Laval Coatl, and you guys are going to love meeting her, Nina Vulcania, Avatar and Gene-Slammer of Laval Coatl, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Coatl. She's The Volcanic Lava Coatl Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Nina Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Coatl, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Coatl, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Nina Vulcania despises that dirty no-good Vic McGillicuddy with a blazing passion!

WE GASPED!

Me: Whoa!

Lincoln: I knew Vic was nothing but scum, and she swore if she ever saw him again, she'd skin him alive along with that ugly lizard of his.

Nico: Damn straight.

Red X: And that's how you kill a Lord of Apokolips!

MetalSeadramon: We did it! Heroes AND villains.

Me: We won together!

Lego Superman: Well, Lex. I don't know what to say except thank you.

Lego Luthor: Don't mention it. Ever.

Lego Batman: I hate to admit it, Joker. But if it weren't for you and the others, we wouldn't have won.

Lego Joker: Thanks, Batsy. But next time, it's back to business as usual!

Lego Luthor: (genuinely smiles) But if you ever need us again, we'll be there.

Lego Joker: (smiles as well) After all, what are friends for, right?

Bonz: Couldn't have said it better myself.

Dayu: This has been an epic series of adventures.

Harpymon: It sure has

Me: Holy cow! No kidding! These last 12 days were epic!

Qin: They sure were!

Xenia: Wow!

Lincoln: They sure were!

Me: And the best part out of all this is, We've seen the last of Team Buktu and Darkseid!

Nico: Thank god for that! Great job today everyone! Great job!

Superman: (To the viewers) This was an amazing bunch of adventures for us. Hope you all loved them.

Lori: We are literally throwing a massive celebration party tomorrow, and tomorrow's the baby shower for Lily the Mermaid.

Lincoln: Hold on, let's head for the hospital and find out how many kids she's gonna have.

We headed for the hospital.

Doctor: Oh my Goodness! Lincoln, I think you've surpassed your own father at the amount of kids your mom's given birth to! Your future wife is going to give birth to thirty kids: ten boys and twenty girls!

WE GASPED AT THE SUDDEN REVELATION! LINCOLN AND LILY THE MERMAID ARE GOING TO HAVE THIRTY KIDS!

Lincoln and his siblings and family: THIRTY KIDS!

Me, Nico, Eli, Rita, and Lynn Sr.: THIRTY KIDS?!

NICO, ELI, LYNN SR., RITA, AND I FAINTED!

FWOMP!

Lily the Mermaid: (ASTONISHED) Thirty kids?! (SQUEALS IN EXCITEMENT) Linky, this is truly wonderful news!

Lincoln hugged Lily the Mermaid and kissed her on the lips and cheek.

Lincoln: I am so happy to hear the news! Uh, we should wake Nico, Eli, J.D., Mom, and Dad up!

Lana: I got it.

Lana took off her shoe and it had stink lines coming off it, and she waved it in our faces and we woke up!

Me: OH! LANA!

Nico: P.U.! LANA!

Lynn Sr.: Thanks for that, honey. But, oh man, I can't believe it! Lincoln, you're gonna have thirty kids with Lily the Mermaid!

Me: How is that even possible?!

Rita: You saw how many kids we had, right, and we've also met many families who also had many kids as them, right?

Me: Oh, right.

Nico: Still, congratulations, you two! And this was also due to Lily the Mermaid's transformation this morning, right?

Lincoln: Yep.

Suddenly, we saw a rainbow tattoo appear on her womb: a rainbow tattoo of a Rainbow Sun and heart with a cross and rainbow wings.

Me: Whoa, what's that?

Faith Fertilitaira: That's The Mark of Fertilitaira, this not only symbolizes the pregnancy of one of Lincoln's future wives ensuring the baby growing in them is as strong and healthy as them, but this also means their wombs and bodies are where the children of our man will be given birth to, and Lincoln being the excessively fertile and excessively virile young man that he is, he also bears that same mark on his private parts, and due to the intense session of intense lovemaking and sex he has with us, we also have the same mark.

The rest of Lincoln's harem showed us they also have The Mark of Fertilitaira on their wombs.

Erosa Eroticaira: And it also shows any pervert that we belong to our man, Lincoln Loud, and if they so much as try to take us, they're in big trouble with him.

Nico: Damn straight, I'd react in the same way if any asshole tried to take my future wives from me.

Me: Same with Clyde and Naruto, we'll tear their asses apart if that happens!

We returned home, and hours later, night fell on the city, and Lincoln's harem and Guardian Angels were heading to the hot springs in Lincoln's room.

Lily the Mermaid: We finally did it, Darkseid is finally gone forever!

Anna Anyanova: Along with Apokalips. Plus, you've got an awesome baby shower for tomorrow, Lily.

?: Along with a celebration to celebrate the final end of Darkseid and Apokolips.

Then, just as they were about to enter the room, they caught the scent of roses and a strong cologne in the air, and as they opened the door, there in the hot waters of the now expanded hot springs was Lincoln in the hot waters, but they also saw his towel was on the rack along with his orange speedo, and when his harem saw him, they had an atomic red blush on their cheeks and their noses gushed out blood.

Lincoln: (Seductive Voice) (Flexes his massive arms and his massive biceps bulged even more with more veins forming) (Smirks) Like what you see, ladies?

They could only nod, and they went up to Lincoln as they stripped off their clothes leaving them in their two-piece bikinis and they joined Lincoln and the hot water's minerals really did wonders for them. Then, they went to the massive expanding sauna, and the hot steam really did wonders in opening their pores.

Finally, they got out and the girls were on top of Lincoln as they kissed passionately.

Lily the Mermaid: (Rubs Lincoln's massive pecs)(Seductive Voice) My God, you're still the same intense kisser from long ago, and getting pumped full of Regina Fesstertox's Perfect Gene-Slammer serum and Perfect God serum along with her patented muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions has already gotten you ready for another...passionate night. You ready, you now even more handsome massive hulking hunk of a wolf?

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him.

Then, Lincoln wrapped his arms around Lily the Mermaid's waist and laid her on his bed with him on top of her and he kissed her passionately as he still had his arms around her and she had her hand on his towel around his waist about to remove it and leave him in the nude with the rest of his harem joining in.

Lincoln: (Seductive Voice)(Smirks) You bet. Alright then, I hope you're ready, ladies. (Seductive Wolf Growl)

Lincoln used his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails to push the door shut, and then, the barrier activated, but it also turned deep red thanks to the magic of Lincoln's Mark of The Incubi activating.

Alexander Avalon: I can't believe it. We took down The Dark Shot Card, and Lincoln took down The Dark Dream Card, The Dark Sweet Card, The Dark Dash Card, The Dark Big Card, The Dark Create Card, The Dark Change Card, The Dark Freeze Card, The Dark Firey Card, The Dark Arrow Card, The Dark Bubbles Card, The Dark Wave Card, The Dark Through Card, The Dark Libra Card, The Dark Snow Card, The Dark Voice Card, The Dark Cloud Card, The Dark

Dream Card, The Dark Sand Card, The Dark Dark Card and The Dark Light Card, and The Dark Twin Card Card, and tomorrow, I got a feeling we're going to take on the dark version of The Earthy Card, that's the final card, but we're ready for it.

Alexander Avalon went back inside: the hunt for The Dark Clow Cards was about to come to an end as we go after The Dark Earthy Card tomorrow.

Tommy Oliver's day to shine

IN HONOR AND MEMORY OF JASON DAVID FRANK.
RANGERS FOREVER!

In the early morning hours at 11:25 PM, Lincoln had a dream, and he saw four figures hiding out and living in Toronto, Ontario. But, there were no ordinary four figures, they were Mangle Tia, daughter of Lincoln's future wife, Mangle Teto. Springtrap Natalie, daughter of Lincoln's future wife, Springtrap Neru. Circus Baby Tika, daughter of Lincoln's future wife, Circus Baby Tara. and Ballora Gaia, daughter of Lincoln's future wife, Ballora Gloria. Lincoln woke up from the dream, but he wasn't the only one, Mangle Teto, Springtrap Neru, Circus Baby Tara, Ballora Gloria, Black Alpha, Nico, and I also had the same dream.

Lincoln: Same dream?

Black Alpha: We all did, Lincoln.

Mangle Teto: And it also means that we found out where our kids are at.

Me: They're at Toronto, Ontario.

Nico: Oh man, that's not good at all.

Lincoln: I know right, Nico. Come on, we're going to rescue them, and bring them to the Estate.

Black Alpha: we're on it, Lincoln.

Lincoln, Mangle Teto, Springtrap Neru, Circus Baby Tara, Ballora Gloria, Black Alpha, Me, and Nico were heading to Toronto, Ontario. Then, Lincoln saw a short and slender young looking 14 years old human-animatronic hybrid who has gray mechanical body but the head and hands has fair skin, dark pink and white hair with metallic drill-shaped pigtails and movable white robotic fox ears, and mismatched eyes; a yellow left eye and a blue right eye. She wears a white sleeveless blouse, white gloves, white tutu ballet skirt, black shorts, dark gray thigh high socks, and black ankle heeled boots. A tall and slender young looking 14 years old human-animatronic hybrid who has pale gray skin with black gothic eye markings on her face, grey eyes, and long dark olive yellow and white hair in a left side-ponytail that extends down to her knees with movable olive drab robotic rabbit ears but her right ear is missing with wires sticking out of the stump left behind. She wears a white elbow length shirt with dark olive yellow vest, dark olive yellow shorts, gray thigh high socks, and black mary janes. A young and slender 12 years old human-animatronic hybrid who has white skin, reddish and white hair in pigtails that extend down to her knees. wears white short puff sleeve shirt with red vest, black arm sleeves with red wrist bands, red knee length skirt, white thigh high socks, and red mary janes. And a young and beautiful 13 years old human-animatronic hybrid who has white skin, and long dark blue and white hair in a ponytail with a silver tiara on her head. She has a white bandana-like blindfold across her eyes. she wears a dark blue ballerina dress, dark blue arm sleeves, dark blue stockings, and black ballet flats. Lincoln saw who they were, they were Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia.

Lincoln: Excuse me, are you Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia?

Mangle Tia: Of course we are. Who are you?

Lincoln: I'm Lincoln Loud of Team Loud Phoenix Storm, and that's the Dark Knight and Leader of the Elemental Heroes, Black Alpha, my older brother and leader of Team Loud Phoenix Storm, J.D. Knudson, and my second brother and second leader of Team Loud Phoenix Storm, Nico Chan. And there's also someone you know all too well.

Then, Mangle Teto, Springtrap Neru, Circus Baby Tara, and Ballora Gloria came out, and when Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia saw them, they were stunned.

Springtrap Natalie: Mother?

Springtrap Neru: I'm here, my little dark rabbit.

Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia ran up to Mangle Tia, Springtrap Neru, Circus Baby Tara, and Ballora Gloria, and they hugged, and they cried tears of happiness, and we looked on at the scene. Then, Lincoln joined in on the hug, along with me, Nico, and Black Alpha.

Lincoln: And there's something you should know, Teto, Neru, Tara, Gloria, your mothers are one of my many future wives.

Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia: Does that mean...you're our father.

Lincoln: (smiled) What else I wouldn't be?

That filled Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia with joy, as Lincoln picked them up and they hugged, and we had a smile on our faces and tears in our eyes.

Lincoln: Alright, everyone, let's go home. I can't wait until we tell everyone in the morning about this.

We went back home to the Estate, and Lincoln told everyone what happened, and he then introduced Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia to the rest of his siblings, who are now their aunts. We were proud of what Lincoln did in reuniting Mangle Teto, Springtrap Neru, Circus Baby Tara, and Ballora Gloria with their kids, and Mangle Tia, Springtrap Natalie, Circus Baby Tika, and Ballora Gaia now has a loving, strong, brave, and caring father in their life. We went back to sleep.

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a planet of endless donuts, and protected by powerful omnipotent angels, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the males and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb their planet and its core into his body and their planet's Sun into his body to preserve their legacy.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Donutairaira, a planet of endless donuts and protected by powerful omnipotent angels known as The Donutairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Burritolairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Donutairaira and its core into his body and Donutairaira's Sun into his body to preserve their legacy.

Lincoln: That's incredible!

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Donutairaira.

Lincoln landed on Planet Donutairaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: Whoa! So, this is Donutairaira, it truly is a planet of endless donuts.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as tasty as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a brown and pink sun and moon on his chest, he has long brown hair going down to his shoulders, pink eyes, brown angel wings, he has on a brown and pink loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Darvon Donutairaira, King of The Donutairairans of Planet Donutairaira.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Dahlia Donutairaira. (GASPS) Now, I remember, I've been here before to Donutairaira eight years ago.

Then, all of the other male Donutairairans came to Lincoln.

Darvon Donutairaira: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Darvon Donutairaira chuckled.

Lincoln: And there's something I need to tell you.

Darvon Donutairaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Darvon Donutairaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Darvon Donutairaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Darvon Donutairaira and the other septillion male Donutairairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and incredible godly powers and immense excessive virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a brown and pink aura with donuts surrounding him as he pounded his chest like a gorilla.

Lincoln: Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome!

Alan Almightairaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Lincoln flew deeper and deeper into the planet, and he found it: the core of Planet Donutairaira, the inner and outer cores of the planet and the million other planets consisted primarily of iron and nickel and are extremely infernally hot with the temperature at more than 999,999,999,999,999,999,999,999,999,999 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Donutairaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Donutairaira's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The

Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning)(Thinking) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few

hours later. Then, as morning came, Lincoln and his harem and kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: This was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Donutairaira, a planet of endless burritos and protected by powerful omnipotent angels known as The Donutairairans, the males who spent their lives fighting proved their manly virile dominance and they had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies to prove it and they were not only natural born fighters, but they also had immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and they were given incredible godly powers and immense virility and male fertility, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to their planet where he would meet the male Burritolairairans and when he'd arrive, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the males into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Donutairaira and its core into his body and Donutairaira's Sun into his body to preserve their legacy.

He finished and returned the book to Lincoln's room, but we were immediately stunned.

Me: WHOA! So, there was a planet of endless burritos in The Forbidden Zone! Wow!

Darvon Donutairaira: (Through the rainbow Thunderbird and animals on Lincoln's forehead) That is correct, J.D., Lincoln came to Donutairaira eight years ago, and years later, I saw the kind of man he would grow up to become.

J.D. 2: Darvon Donutairaira! Your Majesty, it's been vast eons since we last met.

Lincoln: And Lily, Homer, got a little something for you.

Lincoln made a massive platter of donuts: cream-filled, jelly-filled, chocolate-glazed, and covered in sprinkles!

Lily and Homer's mouths went wide open and they drooled like crazy, and they ate the donuts.

Homer: Mmm, Donuts.

Lily: So good!

Sadie Emperyous: They're just as good as the ones I always make.

Nico took a bite, and his taste buds went nuts!

Nico: WHOO! Oh man, that's so good! Workers in big companies are gonna love these!

Captain Whitten: Including police officers. Can you make two dozen of these for the officers at The Gotham Royal York Police Department and for us too?

Lincoln: Sure.

Lincoln made two dozen donuts and got them to Sheila and Tom and their colleagues at the GRYPD and The NYPD.

Lily the Mermaid: We should also make sure they also get some fresh-brewed coffee as well.

Lincoln: They're heading to Lynn's Table, and that's where we're going now, Lily. Alright, now let's finish breakfast and head to Lynn's Table for the baby shower.

Nico: Awesome.

Tommy woke up to see Dragonite staring at him.

Dragonite: Morning Tommy.

Tommy Oliver: Morning Dragonite.

Dragonite: It's time to wake up and get ready.

Tommy Oliver: Oh right!

Tommy woke up and got his stuff on and went to the table for breakfast.

Me: Morning Tommy.

Tommy Oliver: Morning guys.

Me: We have a big day today. Lily's baby shower is first and then the rescue.

Nico: Awesome!

We gave him breakfast.

We later finished breakfast and we headed to Lynn's Table for the baby shower for Lily the Mermaid.

At Lynn's Table we were here for Lily's Baby Shower. We were all dressed in our special clothes.

We were at Lynn's Table for Lily the Mermaid's baby shower, and we also made sure that Vypra and the M.O.E. heard everything, and we went all out with a mermaid theme and with elemental forces as well.

Lily the Mermaid: Wow, you guys went all out for our baby shower.

Me: We sure did.

Vypra: When we found out you were pregnant with thirty kids, we freaked out and did tons of wild takes! Who gets pregnant with thirty kids?!

Nico: Ms. Rita got pregnant with Lincoln and his siblings, and you know how huge their family is!

Eli: I couldn't keep count of how many siblings Lincoln had!

Lincoln: Yeah, it leaves anyone with a nasty headache.

Me: I know. Also A toast to the End of Team Buktu and Darkseid!

All of us: HERE HERE!

We clinked our glasses.

Vypra: So glad we never have to see those jerks again.

Me: I am too.

Dark Spicer: Yeah no kidding!

Bullfrag: Me too!

Me: Yeah!

Bullfrag: And Nico just so you know, me, Alinta Seraphina, Anna Boonchuy, Frog (Chrono Trigger), Annabelle Boonchuy and Jiraiya are ready for the rescue. Just give the word.

Nico: Will do. And Bullfrag, I want to thank you, Fighting Bull Frog, and your teams for coming.

Bullfrag: No problem. This will be fun.

Alinta Seraphina: We're excited for this too.

Me: We sure are Alinta.

Alinta Seraphina: You got that right.

Jiraiya: Just because I'm a super pervert most of the time doesn't mean I can help out and give you guys a hand.

Me: I know that sensei. I know. But Nicole still has her eye on you just in case.

Nicole gave the I'm watching you bub fingers.

Nico: Alinta, what do you like to do in your free time?

Alinta Seraphina: I haven't really thought about it. Mostly it was for me and my sisters to help Lincoln and protect him.

But if we were to think about it it would be to teach music to kids.

Me: That would be fun.

Lisa Simpson: Teaching music is a great job for you.

Alinta Seraphina: Thanks.

Sunny Bridges: Me and Musa can help with that.

Alinta Seraphina: I would like that. Me and my sisters would.

Musa: Awesome.

Me: Cool.

Nico: Yeah! Whew! Man I'm so glad we don't have to deal with Team Buktu ever again.

Lincoln: Me too Nico. Me too.

Xenia: That is for sure.

Ymir: Yeah these last 12 days were brutal.

Lily the Mermaid: They weren't that bad.

Me: No but they still had a very emotional toll on us.

Nico: Yeah no kidding. But Lily we're so happy for you. Wow! 30 kids! That has to be a record for 1 day!

Lily the Mermaid: I know.

Me: Yeah. But it was crazy acting like villains.

Nico: And we got to see things in the perspective of the villains for a change. We learned that they aren't so different from us.

Me: It sure was intense. In the Prime Universe we were heroes. But there we were villains. Only for a while.

Lego Superman: True but you prevailed and your plans and act paid off.

Me: It sure did.

Nico: And the final battle was the biggest of all. We took down Darkseid of the Prime Universe.

Me: I know. After 6 years.

Nico: Yeah. Man that was intense.

Superman: I realize that Darkseid's crimes weren't as severe as Thanos .But he still brainwashed me. And that caused the Cadmus incident.

Me: And murdered Daniel Turpin.

Superman: That too.

Me: Darkseid was nowhere near as bad as Thanos.

Superman: Yeah that is for sure. But I'm just glad me and the Justice League don't have to deal with him anymore.

Amanda Waller: Me too. And J.D. you and everyone did good in destroying Darkseid and Team Buktu.

Me: Thanks Ms. Waller.

Amanda Waller: But just so you all know my neighborhood watch program will always be ready should you go on the Ridonculous Race or any big events like that.

Nico: We greatly appreciate that Ms. Waller.

Me: Also correct me if I'm wrong but I thought it was Lex Luthor that did the Cadmus Incident not Darkseid.

Superman: Oh right! I forgot about that. I stand corrected.

Me: No worries Kal.

Hydrax: I killed Evil Sasuke for you, J.D. Don't I get a reward?

I had her in an embrace.

Me: This answer your question?

Me and Hydrax then kissed.

Everyone: Aww!

Lincoln: (Sees the jerks) And since we're here...!

We turn our attention to Walter Peck, Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, and The Platypus Brothers, and the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III.

Nebula Lanaia: Let's wake the jerks up.

Lincoln approached the clone of Flip, and...!

Lincoln: GET THE HELL UP, YOU REPULSIVE MUTANT!

POW! BELLOW!

LINCOLN PUNCHED THE FLIP CLONE HARD IN THE FACE!

THE FLIP CLONE BELLOWED IN RAGE AFTER WHAT LINCOLN DID!

Flip Clone: (BELLOWS INCOHERENTLY)

Eli: Sorry, but I don't speak Neanderthal!

Then, we saw it: Lincoln knocked out all his teeth, and the blood on the floor turned into blood red rubies!

Luna: Dude, he knocked out that mutant's teeth! All of them!

Luan: Yikes!

Lynn: Dang. That was brutal.

Lincoln: That was just a light tap, Lynn.

We didn't believe it: to us, that's a hard punch to the face that led to the shattering of the Flip clone's teeth.

Nico: That was no light tap. That was a full-blown punch!

Me: Yep.

Schnozmo: Oh great, what are you going to do to us now?

Timmy Turner: Shut your mouth, you big nose con artist! You know what we're going to you jerks! Lincoln!

Lincoln: Already on it!

Suddenly, the fiery phoenixes also brought in two old enemies Clover hoped never to see again: Black Knight and Gelee.

Clover: WHAT THE HELL?! (GROWLS)

Lincoln: Clover...? Why are you...? Wait, did they do something in the past that got you pissed off at them? Tell me.

Clover: Okay.

Alya: Oh no! Now, we're going to face Dad's Akuma, Animan!

Me: WHOA! I remember him! We only faced him briefly during the fight with Kimberly Ventrix's dad.

Nora: That's not good! Where's he at?

Lincoln: (Beastly Voice) He's on a jungle planet known as Ulvon.

Nicole: WHOA! Ulvon is all the way over on the other side of the galaxy.

Me: Oh man, so it's going to be a primal battle against him.

Nico: Looks like it.

Then, we headed out to Ulvon to help Nocturne Jungle unlock his Rainbow Power and take down Animan.

We went to the ship and we were off.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14234.7: The U.S.S. Valorous Phoenix is en route to the jungle planet of Ulvon and we're heading there to take on Animan, Alya's dad Otis's Akuma and it's going to be a brutal battle.

Me: I have a feeling this will be intense.

Nico: How did Otis get akumatized?

Lê Chiến Kim: I was in a huge competition with him at the zoo and it annoyed him all to hell.

Gabriel: And I turned him into Animan.

Me: Remind me what powers does he have because we only fought him for a short while.

Marinette: He can turn into any kind of animal in the animal kingdom. Bears, Panthers, Lions, Tigers, all of them.

Poliwag: Even the cute ones!?

Marinette: Yep.

Me: Wow! A shapeshifter!

Xenia: Yep.

Nico: Amazing. I wonder if he can change into alien animals from other planets.

Marinette: I don't think so.

Lisa: We have arrived at our destination!

Nico: On screen.

We saw that we were at a pink planet.

Me: So that's Ulvon.

We landed.

We arrived on Ulvon, and it was everything Lincoln and his rainbow energy aura exploded as he grew stronger, same with all of us.

Me: Whoa! So, this is Ulvon.

Nico: WOW! What a planet.

Xenia: It's amazing.

Alya: Oh dad I hope you're okay.

Me: Man this place is really an awesome jungle.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I haven't been here to Ulvon before, but it's a lot like Naturaira.

Lincoln: I was about to say.

The mascots saw a bunny.

Poliwag: Look! A bunny!

Me: A bunny? What's a bunny doing here on Ulvon?

Lola: Wait! If Animan is a shapeshifter he has to be that.

Alya: Dad Is that you?

He just ran.

Me: I think the way he ran signals that it is.

Alya: Oh dad.

Maria: Nico, how did you get Chloe to change her ways?

Me: Oh that's right! We never heard how you did that.

Nico: I didn't think you did. Well it was back when I was starting out as second in command of the team. It was back in 2018.

FLASHBACK - BEFORE CHAPTER 561

Nico was on his way home after a patrol.

Nico: (Voiceover) I had just finished my patrol and had freetime on my hands. So I went to Paris to help Marinette and Adrien.

Nico flew and saw Adrien and Marinette battling Dark Cupid!

Nico: Oh man!

Nico flew in and then...

SMASH!

Nico bashed him down.

Marinette purified the butterfly and let it go.

Nico: Dark Cupid you have failed this city!

Marinette: Well said Nico. Thanks!

Nico: No problem.

They went into the school and talked.

Nico: Thank goodness I arrved in time guys.

Adrien: We appreciate it Nico and congratulations on being made Second in Command of the team.

Nico: Thanks Adrien. I got finished with my patrol and had time to spare to help you out.

Marinette: We're glad.

?: HEY LOSERS!

They saw Chloe.

Marinette: Hello Chloe.

Nico saw in Chloe's eyes and he saw that she was hurting inside and was upset because her dad was busy as mayor and her mom was away at her fashion work and she was like this because she has no family to support her.

Chloe: Did you... Oh Nico what a surprise.

Nico: Pleasure to meet you Chloe. Chloe please sit down I want to talk to you for a second.

She did so.

Nico: (Voiceover) I hated Chloe because of how she treated everyone at the school and thought she had power over everyone. But when I saw in her eyes I knew she was hurting.

She sat down.

Nico: Chloe listen. Don't take this the wrong way but I can see that you are hurting inside because of your family not being there for you and not paying attention to you and all that. You want your family to notice you but they never have time for you. You only do all that to be noticed because I think all you really want is a friend. You a hurting inside becaus all you need is a friend and just want to be loved to help people. Not to bully people. You are hurting because of that. Aren't you?

She knew Nico was right.

Marinette: Chloe is all that true?

Adrien: Is that why you are a bully girl? We had no idea.

Then like a dam bursting she hugged Nico and then cried hard!

Chloe: IT'S TRUE! IT'S ALL TRUE! (CRYING HARD) MY MOM IS ALWAYS BUSY AND WANTS TO CONTROL ME AND MY LIFE! SHE NEVER PAYS ATTENTION TO ME AT ALL AND MY DAD IS ALWAYS BUSY WITH HIS HOTEL AND WORK! HE NEVER HAS TIME FOR ME EITHER! I BECAME THIS WAY BECAUSE OF THAT! OH GUYS! I'M SO SORRY! I'M SO SORRY! (CRYING)

Nco: Oh there there. It's not too late for you Chloe. You can be a good person and redeem yourself. You can be a good girl and show your parents you can change.

Chloe: (Sniffles) How can I start?

Nico: Well you can start by apologizing to everyone. I can help you.

Nico and Chloe went and did so and she expressed deep apologies from her heart and Nico smiled for her and everyone agreed to be her friend no matter what there.

Nico: (Voiceover) From there on she changed into a much better person and was part of Team Miraculous permanently.

FLASHBACK ENDS

Chloe: I'll never forget that day. Nico saved me from myself.

Me: Wow! So that's how you saved her.

Marinette: Nico used to hate Chloe before Lila.

Nico: Now I don't anymore.

Me: That's a good thing.

Nico: I immediately talked to Audrey after that.

FLASHBACK 2.

Nico: (Voiceover) I went to a photoshoot she was putting on for a new swimsuit line.

Nico got to her and saw her in a beautiful diamond rindstone purple bikini.

Nico: Wow she looks so beautiful in that.

Man: All right lets take a coffee break.

Nico went over to her.

Nico: Mrs. Bourgeois?

Audrey: Oh Nico Chan. Pleasure to meet you.

Nico: Same to you. And may I say that you look absolutely gorgeous and so beautiful in that swimsuit.

Audrey: Thank you very much.

She gave him a photo of her.

Nico: Thank you. I already have a girlfriend but thank you. But I need to talk to you about your daughter Chloe.

Audrey: What about her? She's not in trouble is she?

Nico: Well not in trouble at school, more like she is in trouble with you. What I mean is you aren't giving her too much care and attention and she has been acting rather hard to everyone. Chloe has been a bully to everyone because you aren't giving her the love and care she needs to be a good person and she misses you all the time because she is hurting on the inside.

Audrey knew he was right.

Audrey: Oh no. I can't believe I wasn't there for her that I let this go on.

She had tears streaming down her face.

Audrey: Oh my little girl! I had no idea you were in so much pain because of me. I'm so sorry!

Nico: Be there for your daughter Audrey. It's not too late.

Audrey: You're right.

Nico: (VOICEOVER) And she left for a few days to be a better parent to Chloe and that was the best thing for her.

FLASHBACK ENDS

Chloe: I got to have my heart of stone purified that day.

Me: Wow!

Audrey: And I'm glad Nico helped me.

Nico: Yep.

Nico gave me the photo of her she gave her.

Me: Wow! Audrey you look amazing!

Leni: O.M. GOSH! You totes look amazing in that swimsuit.

Audrey: Thank you Leni.

Rarity: Oh it sure is absolutely gorgeous darling.

Nico: Yep.

Audrey: I do it all. I do summer clothes, winter clothes, swimsuits, dresses, I do it all.

Me: Wow! Have you ever thought at working for Rarity's shop to boost sales for her clothes?

Audrey: I'll look into that but that is a good idea.

Nico: Yep.

Fire: (Spanish Accent) Audrey always did look super amazing and gorgeous in outfits like that.

Nico: She sure did. As for Andre, I had no trouble talking to him.

FLASHBACK 3

Nico went to Paris City Hall.

Nico went in and spoke with Andre.

Andre Bourgeois: Oh hello there Nico.

Nico: Bonjour Mr. Bourgeois. Sorry to come in like this and interrupt you during some political stuff.

Andre Bourgeois: No worries. Please have a seat.

Nico did so.

Andre: What can I do for you Nico? And congratulations on being named Second in Command of the team.

Nico: Thank you and Well actually I'm here to talk about your daughter Chloe.

Andre: She's not hurt is she?

Nico: No no it's nothing like that. She is fine. We need to talk about her behavior at school. She needs you. I just talked to Chloe at school and she is hurting inside. She is bullying people at school because she is hurting because yours and Audrey's job. She doesn't have the love and attention from you and Audrey and is taking her frustrations out on people because of it. She needs your help and is hurting inside because of it.

Andre gasped in shock! His daughter was like this because she was not getting love and care.

Andre: Oh Chloe. I had no idea. I'll talk to her right away.

Nico and Andre went to the school.

Nico: (VOICEOVER) Andre and I went to the school and Andre gave Chloe all the love he can give her. Chloe was saved from herself and her parents promised to be much better people and parents to her.

FLASHBACK ENDS

Nico: And that's how I helped save Chloe.

Me: Wow! So that's how it happened.

Nico: Yep.

Lola: Awesome!

Horsea: (to Poromon and Poliwag) What were you two doing during the whole thing?

Poromon and Poliwag were crying.

Poromon: (Crying) That was so heartwarming!

Poliwag: (Crying) Nico did all that for them.

Qin: Aww they got choked up.

Poliwag: Sorry about that. Me and Poromon were playing video games with Lily.

Poromon: Yeah she is really good at them.

Lily: We were playing Super Smash Brothers Ultimate.

Eddy: For a minute, I thought you were going to do funny things there

Poromon: I think that was before we discovered the joys and love of beer.

Nico: I think it was.

Xenia: I think so too.

Poromon: Yeah but we wanted to have some fun with Lily and play games.

Poliwag: Yeah.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw a strong-looking man who was really tall at 620'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a pink sun and moon on his chest, he has long brown hair going down to his shoulders, pink eyes, massive pink angel wings, he has on a green loincloth, and black sandals, and this was someone Lincoln recognizes all too well.

Lincoln: (Beastly Voice) (GASPS) Sylvester Ulvon, King of The Ulvonairans of Planet Ulvon.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Sylvia Ulvon, I've been here before to Ulvon eight years ago.

Then, all of the other male Ulvonairans came to Lincoln.

Sylvester Ulvon: That's correct, you came here eight years ago when my daughter wanted to introduce me to you. (Smiles) You've grown that much stronger and taller, you're just as tall as me, and you're also even more muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln had an embarrassed blush on his cheeks and muzzle as Sylvester Ulvon chuckled.

?: Oh man, Linky, you're here!

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long pink hair, pink eyes, she was dressed in a pink two-piece bikini, she has massive pink angel wings, and she has a nature greatsword in hand.

Lincoln: (Beastly Voice) (GASPS) Sylvia Ulvon, Queen of The Ulvonairans of Planet Ulvon.

Me: You know her, Lincoln?

Lincoln: (Beastly Voice) Indeed I do, J.D.

Anna Anyanova: And so do we, everyone, this is Sylvia Ulvon, Queen of The Ulvonians of Planet Ulvon, she's Lincoln's Guardian Angel from the jungle planet, Ulvon. she's The Queen of The Ulvonians who rules the jungle planet of Ulvon and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, and all the powers of her people times infinity, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Heavenairaira where he would meet The Heavenairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Ulvonairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Ulvon and its core into his body and Ulvon's Sun into his body to preserve their legacy because long ago, Nathan Tarbol, Oliver Tarbol's ancestor, sought to destroy Ulvon after draining all of the Ulvonairans dry of their power. Sylvia Ulvon came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life, and the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life times infinity, and the ability to grow even stronger, and all the powers of The Ulvonairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and how to fight in the jungle along with survival skills, and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of male Ulvonairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Ulvon and its core and Ulvon's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them imprisoned in trees forever and their souls banished forever to The Black Abyss with the power of Ulvon.

Lincoln: (Beastly Voice) And there's something I need to tell you.

Sylvester Ulvon: I know. You had the vision, it's time.

Lincoln: (Beastly Voice) Yes, it is.

Suddenly, Sylvester Ulvon chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Sylvester Ulvon: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Sylvester Ulvon and the other septillion male Ulvonairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of nature, animals, the jungles, the forests, and all plant and animal life times infinity, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo with intricate designs and The Sun and Moon made of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs and The Sun and The Moon made of light hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (Beastly Voice) (GROWLS) Ooh yeah! This feels incredible. RRGH!

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura was raging like a really massive wildfire and he has a pink aura with leaves surrounding him as he pounded his chest like a gorilla.

Lincoln: (Beastly Voice) Whoa...! This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed and volcanoes erupting on his massive biceps and the image of cannons firing and volcanoes erupting formed on his massive pecs.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln: (Beastly Voice)(GROWLS) RRGH! Ooh yeah, this is so awesome!

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Sylvester Ulvon: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels.

Nico: That's for certain, and the girls in his harem wind up getting driven wild and wind up getting aroused even more from every single act of manliness Lincoln displays.

Me: And all that's left is for him to absorb your planet and its core along with its Sun into his body, and wait, you also included immense virility and fertility as well? That means...!

Sylvia Ulvon: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future

wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us, Sylvia.

Nico: Wow...!

Sylvia Ulvon: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Sylvia Ulvon to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Sylvia Ulvon with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged

even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Sylvia Ulvon: That's my special gift to him: Ulvon's Blessing of Divine Primal Jungle Muscle Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Sylvia Ulvon: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Ulvonairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: (Beastly Voice) That'll be for much later.

Me: Oh boy.

Nico: How are your feathers Poromon?

Poromon: All back.

Me: Awesome! See? Told you they would grow back.

Poromon: You sure did.

Manaphy: We're not going to battle monsters like that ever again.

Me: I don't blame you guys.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the jungle planet of Ulvon to help Nocturne Jungle unlock his Rainbow Power and take down Animan.

Nico: It's been a long time since I last fought him, but he's in for a much worse surprise if he thinks I'm still the same person from long ago.

Me: That's for sure.

We had all of TLPS and The M.O.E. with us.

Arkayna heard a Pokemon cry.

Arkayna: Look guys!

We saw a Seadra in the river.

Me: Cool a Seadra!

Maria: Wow! Horsea looks like you get to have another playmate.

Horsea: I sure do!

Arkayna: Aww you hungry?

Seadra: I sure am. The fruit here is weird.

Me: That's because you're on the planet Ulvon. It's much different than Earth.

Seadra: I see.

Arkayna gave it apples.

Seadra: Thanks!

She ate them.

Seadra: Ahh thanks!

Arkayna: No problem. Want to come with me?

Seadra: I would be honored.

Me: Awesome! Now all the Mysticons have Pokemon Mascots.

Nico: They sure do.

Manaphy then sensed something

May: What is it Manaphy?

Manaphy: I can sense something here. I think one of my kind.

Me: Really? Where?

Manaphy: No idea.

Me: Hmm...

Then the ground rumbled.

Me: What the!?

I saw me rising and saw that I was on a THE SHELL OF A HUGE EARTH CRAB!

Me: WHOA! That is a big crab!

It was a giant greenish-gray armored subterranean crab-like monster with eight two-clawed legs, long arms with huge claws, insectoid head with glowing red eyes and fanged mouth and long antennaes.

Nico: WHOA! That's Earth-Crab!

Shanan: Oh man! That's a Gneissian Terrabrachyura Crab from the planet Gneissia. They are powerful crabs that can smash rocks into dust with their claws and they eat anything!

WE GASPED

2012 and 2003 Mikey screamed like little girls!

Ed turned into Edzilla!

Edzilla: ED SMASH!

Ed pulverized and smashed the crab all over and smashed its shell!

I then jumped and took a vial and injected her!

Me: There!

She reverted back and was a girl with white hair and lilac eyes.

I wrapped her in a blanket and brought her over.

Edzilla: ED STRONGEST THERE IS! (ROARS)

Eddy: (LAUGHS) You tell them lumpy!

Poliwag was licking the girls face.

Me: Poliwag!

Poliwag: I smell and taste burritos and hot sauce on her.

Me: Really? Wow!

Horsea hopped on Seadra's head.

Horsea: Now I have a friend with you Seadra.

Seadra: It sure looks that way.

The girl woke up and was laughing.

Girl: (Spanish Accent) Hey! That tickles.

Poliwag: Sorry. I taste burritos and hot sauce on you.

Me: Are you alright?

Girl: I think so. Where am I?

Me: You're on the planet Ulvon. What's your name?

Etienne Consuela: Etienne Consuela.

Me: The burrito maker and hot sauce maker family! Wow!

Etienne Consuela: That's right.

Poliwag: No wonder I tasted all that on you!

Etienne Consuela: Si.

Shanan: You were turned into what's called a Gneissian Terrabrachyura Crab from the planet Gneissia.

She showed a hologram of it.

Etienne Consuela: Ay caramba! I was making my pork and chicken chipotle Rocoto Burritos and then everything went black.

Me: The Shredder's men got you.

Sydney: Her burritos are really amazing and yummy.

Etienne Consuela: Si and I'm glad you're safe Sydney.

Sydney: Same here.

Me: The High Mage is dead though. But we weren't the ones that killed him.

Lola: Really ugly story.

Nico: It's true.

Etienne Consuela: Oh wow!

Rarity: Lets get you some new clothes darling.

The fashion brigade gave her new clothes and they were purple and blue.

Etienne Consuela: I look amazing and buena.

Me: You sure do.

Eli: That was quite a fun one.

But then a figure jumped on Eli's head.

Eli: OOF! HEY! What the?

He saw it was a Manaphy!

Eli: Hey a Manaphy is on my head!

Manaphy: One of my kind!

Eli picked it up.

Eli: Aw you are so cute.

Manaphy: I knew one of my kind was here!

Nico: Where did that come from?

Me: Must be one of Dark Gale's work.

Manaphy 2 used Heart Swap and then Francis and Maria were swapped in bodies!

Maria: (In Francis's body) What the?

Francis: (In Maria's Body) What the?

They saw each other and screamed!

Francis: (In Maria's Body) WE'RE IN EACH OTHER'S BODIES AGAIN!

Maria: (In Francis's body): NOT THIS AGAIN!

Me: WHOA!

Ymir: Wait this happened to them before?

Me: Oh yeah it sure did. It was back in 2019. Somehow Francis and Maria got switched in their bodies.

Qin: I remember that! That was funny! That was when those Brownie Zombies appeared.

Xenia: Yeah!

Manaphy 2 tried to do Heart Swap with someone else but Manaphy stopped her

Manaphy: Mana mana manamana.

Manaphy 2: (Down) Mana.

She switched them back.

Maria: Ahh! Much better.

Francis: Boy that was still crazy back then.

Sheena: And the Manaphy 2 is actually someone named Maiya Atlantis.

Eli: (GASP) I know Maiya. She's one of the people I helped in Atlantis when Rourke was trying to steal the Great Crystal.

Me: Oh man!

Kida: Its been a long time since we saw her.

Varie: I remember Maiya! Boy feels like its been 10,000 years.

Nico: WOW!

Eli: Maiya thank goodness you're all right though.

Manaphy 2: Mana mana.

Meowth: She said she is glad too.

Me: Wow!

Manaphy and Manaphy 2 danced with each other

May squealed.

May: Oh that is cute!

Qin: So funny!

Rainbow Dash: It's too cute!

Pinkie Pie: OH I CAN'T HANDLE THE CUTENESS!

Kirby: It's as cute and adorable as me!

Poliwag: So adorable!

Horsea: It sure is!

Nico: SO ADORABLE AND CUTE! (HEAD EXPLODES INTO FIREWORKS)

WE LAUGHED!

Me: Cuteness overload! Okay lets get her back to normal.

I snapped my fingers and she reverted back. She was a girl with blue hair and blue eyes and had blue angel wings and had Manaphy on her forehead and on her arm was the symbol of Atlantis with the Shepherd's Journal and a Crystal Necklace on her arm as a cutie mark.

Eli wrapped her in a blanket and brought her over and he got out an Atlantis Crystal Necklace and put it around her neck.

Eli: There.

Nico regrew his head.

Ymir: By the way how did Maria and Francis get abck into their bodies the first time?

Wootox: That was my doing. I switched them the first time and changed them back. Then later on Nico got switched with Dark Ace and I helped get him back in his body.

Nico: I remember that one.

Me: I was suspicious of Dark Ace in Nico's body when he said he wasn't hungry for Chicken Wings and Nico would NEVER Refuse his favorite food like that!

Nico: YEAH! That's why I'm going to get some payback on him.

Me: Yeah no kidding.

She woke up to see Horsea and Manaphy's smiling faces.

Maiya Atlantis: (Groans) Huh? A Horsea and a Manaphy?

Horsea: Manaphy danced with you!

Manaphy: YEAH!

May and Maria picked them up.

Eli: Are you okay Maiya?

Maiya: Eli!

She hugged him.

Eli: Feels like its been 10,000 years.

Maiya: I know. Hasn't been that long though. (Sees Kida and Varie) Kida! Varie!

Varie: Been a long time Maiya.

Kida: You're doing great.

Maiya: I sure am.

Me: You were turned into a 2nd Manaphy by Dark Gale.

Maiya: Oh man! I was researching the history of the mad king Dartz and what lead him to do what he did.

Hannah Fairchild: Dartz was brainwashed by the Orichalcos. It made him into that monster and what lead to Atlantis being destroyed 10,000 years ago. He's my archenemy now in the M.O.E.

Me: Long story on that but we have about 10,000 years of catching up to tell you.

Maiya Atlantis: I can tell it has been a while.

Me: Atlantis is now back on the Surface for the first time in 10,000 years.

Lola: It's true.

Maiya Atlantis: Wow!

Horsea: You didn't try to attack me at all.

Maiya Atlantis: Because I could never do that to anyone.

Me: Really? Wow.

Nico: So far almost all the Pokemon Gene-slammers we met from Dark Gale did that.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new Aqua Blue clothes and a trident.

Maiya Atlantis: I look amazing.

Me: You sure do.

Maiya Atlantis: This will be fun.

Me: Now we've got a job to do.

Me: He's fighting the beasts of Ulvon. We got to stop him.

Lincoln: (Beastly Voice) Leave that to me.

We landed, and Lincoln made the beasts back down.

Eli: Wow, they backed down.

Lincoln: (Beastly Voice) They're actually pretty nice once you get used to seeing them. Now, for Animan.

Animan growled at Lincoln and tried to intimidate, but Lincoln being larger in muscle, taller, and stronger than he is stood his ground, and he took a really deep breath, and then...!

Lincoln: (MASSIVE AND LOUD WOLF ROAR)

LINCOLN LET OUT THE BIGGEST AND LOUDEST WOLF ROAR EVER! THEN, HE WENT RIGHT AT ANIMAN AND HE WAS REALLY REALLY THRASHING HIM ALL OVER THE PLACE BEATING HIM UP WITH MASSIVE GODLY IMMENSE SUPERHUMAN STRENGTH AND ANIMALISTIC BRUTALITY AS HE SLASHED AT ANIMAN WITH HIS GOLD-PLATED DRAGON CLAWS AND RAINBOW WOLF CLAWS: LINCOLN WAS REALLY GOING WILD!

Lincoln was really brutal especially when he goes all out! I was really shocked, I knew from his Guardian Angels that eighteen years of constant training and all that working out at the gym his Guardian Angels built which merged with his room, along with his natural Scottish superhuman strength and bravery, hyperpuberty, and the genes he got from his parents had turned Lincoln into a true Alpha Male beast, but his tactics also improved as well, he was able to take me down in less than a second, and I'm a fully grown Saiyan warrior.

Goku: When Vegeta and I trained Lincoln as well, he took us down in less than a few seconds.

Vegeta: I was also surprised he took us both down, but that proved how much he'd grown and he'd improved a lot when it came to fighting. Even Sebastian when he was still that...monster possessed by that Satanic slime didn't stand a chance.

Anna Anyanova: I remembered that day all too well. Selena's brother coughed up massive amounts of blood and fled in anger as a result when he came to attack Acme Acres again.

Lincoln continued thrashing Animan until he picked him up with both hands and he body-slammed him down onto the floor!

Lincoln: (Beastly Voice) That's right, take that, Animan! Don't you dare think you can mess with this True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid and get out of this without a scratch!

Lincoln let out a massive and loud wolf roar of dominance and power as he pounded his chest like an Alpha Male Gorilla and he flexed his massive muscles even more as they bulged out more and the veins throbbed with power which really aroused his harem even more, and at the same time, he had sweat coming off of him like he was already doing his workouts in the gym because of fighting and trashing Animan and going wild.

Me: HOLY JUMPING BUTT BURPS! LINCOLN WENT ABSOLUTELY WILD ON HIM!

Varie: More like Primal on Animan, yikes!

Luna: This is even more wild than during the times of The Red Moon, that's when he really went wind and tore apart a massive group of Flip's thugs and ripped apart a lot of dead trees.

Lincoln formed and fired a massive ball of energy at Animan and he got hit. He got back up, but boy he was pissed at being humiliated by Lincoln!

Animan: (Growls) How dare you get in my way, Team Loud Phoenix Storm?!

Me: Been 5 years Animan!

Animan: It has been a while. Since we fought during the time with Ventrix.

Me: No kidding.

Alya: Dad stop!

He saw her.

Animan: Alya?

Alya: Yeah dad. It's me.

Animan grabbed Poromon with his teeth. But he got away from him and Poromon pecked at him!

POINK POINK POINK POINK POINK!

Poromon: HEY! I am not on your menu! (Echoing) LIGHTNING JAVELIN!

He fired a blast of lightning and electrocuted him all over!

Me: YEAH!

He then turned into a BLACK PANTHER!

Me: Time to pay, you panther Akuma. KIBAL, LET'S HOWL!

(THE WOLF AND THE MOON BY BRUNUHVILLE PLAYS)

Me: (HOWLS AS I POUND MY CHEST LIKE A GORILLA)

Nico: YEAH! He's in for it now!

Alya: Daddy stop! Don't do this!

Animan: Alya? Oh my baby girl.

He turned into an eagle and grabbed Manaphy. But she dodged him and blasted him down.

Manaphy: I am not your prey!

Alya: Daddy come on! Aren't we going to talk?

He changed back.

Alya: Daddy I've missed you and I was worried when you didn't come home.

Me: Wait what happened?

Alya: He vanished 2 days ago.

Me: And we found him here on Ulvon.

Nico: Wow.

Animan: Oh Alya. I'm sorry I worried you sweetheart. I was told to do this by Hawk Moth.

Me: That was 5 years ago. Also you don't need to do that anymore.

Gabriel: Lily and Team Loud Phoenix Storm saved me and Emile.

Me: Long story.

Nicole, Nico, Eli, Hunter, Troy, Noah, Jake, Gia, Emma, Orion and Lynn Sr. Used their rings and blasted him all over with energy and elements.

He turned into a shark and ate Horsea!

Horsea: HEY!

POW BIFF WHAM SMASH WHOMP!

She bashed inside his mouth and busted out!

Horsea: Okay you asked for it!

She fired energy blasts and blasted him down!

Beast Boy: You aren't the only animal master!

He turned into a Tyrannosaurus and grabbed him and smashed him onto the ground!

Tara: YEAH! Take that!

Animan then turned into SPINOSAURUS!

Me: WHOA! He can turn into dinosaurs too!?

Nico: WOW!

Eli: COOL!

Beast Boy and Animan bashed and pulverized each other all over!

Eli: WOW! Just like what happened in Jurassic Park 3!

Qin: Tyrannosaurus of 67 million years ago and Spinosaurus of 112 million years ago!

Me: 2 dangerous dinosaurs from 45 million years apart! In a fight to the finish!

Nico: YEAH!

Seadra charged at him and blasted him with energy.

Eli: I wonder if he knows how to turn into this!

Eli used Animan's ridewatch and turned into INDOMINOUS REX!

Qin: Indominous Rex! WHOA!

Vypra: This will be brutal!

Eli roared and bashed him all over the place and kicked him!

Eli: Never underestimate the power of all dinosaurs!

Eli then turned into Blue!

Eli was now a Velociraptor!

Eli roared! Animan turned into a wolf!

Eli roared and slashed him all over!

Animan turned into a bison and charged at Poliwag! Poliwag had a Matador outfit on and held up a red cape!

Then...

KRABLANG!

HE HIT AN ANVIL BEHIND THE CAPE!

Me: OLE!

Nico: OLE!

He turned into a tiger and chomped on Mevya!

But Mevya's stench overwhelmed him and he groaned in disgust!

Mevya: That was how I like it! SMELLOGRAM!

LOUD NASTY BELCH!

He really felt that!

Gatomon: Here comes another mad cat! (Echoing) LIGHTNING PAW!

POW!

She punched him down!

Gatomon quietly poured salt on Mevya.

Mevya: HEY! CUT THAT OUT!

Kari: Gatomon!

Animan then turned into an ALLIGATOR SNAPPING TURTLE!

Me: She's a Snapping Turtle!

He jumped and then...

CHOMP!

He bit Thing on his leg and his beak cracked and fell apart!

Thing: He should know better than to bite a rock!

Gatomon: No one eats Mevya but me!

Mevya: HEY! I resent that!

Animan then turned into a Piranha!

Me: He's a Piranha!

He jumped and slashed at Alya and slashed her arm with his teeth!

SHE SCREAMED IN AGONY!

Marinette: Alya!

Me: Uh oh! Now you've done it!

Varie got her healed up.

Eli: That does it! (CALLS LIKE A VELOCIRAPTOR)

Eli ran fast and then Blue and his pack all came!

Animan turned into a GRIZZLY BEAR!

Eli and Blue and his pack came and mauled him all over!

Poromon got out a shotgun!

Poromon: EAT LEAD!

BANG!

He blasted Animan all over!

Me: Take that!

He turned into an Elephant then!

Me: Elephant!

Tusk: WHOA! This will be good!

Me: Lets see him like this!

I got out an Elephant Gun!

I pointed it at him!

KRABANG!

I blasted him down!

Nico: NICE SHOT!

Qin: YEAH!

Animan was not done yet.

Marinette: Now I am going to show you that I am the Reincarnation of Joan of Arc. I found out that she was the very first wielder of the Ladybug Miraculous long before me. I am Judgement and Heaven is Nigh!

(JOAN BY HEATHER DALE PLAYS)

Marinette: (SINGING DIVINELY AS LIGHT AND LADYBUGS SWIRLED AROUND HER)

I am as God made me,

I have no desire for a mouth at my breast or a pot on the fire

I heed the high voices, I go where I'm sent

To mow down the men who refuse to repent

I'm a scythe in a field full of briars

And they won't call me Mother or Sister or Wife
They will know me or not by the strength of my life
I will burn with a light of my own
They'll know me as Joan
They'll know me as Joan
The courage of Catherine, the flames of the forge
The sword of St. Michael, the blood of St. George
I take what I'm given, I follow my truth
I gladly abandon the bloom of my youth
I'm the lashing that falls from the scourge
And they won't call me Mother or Sister or Wife
They will know me or not by the strength of my life
I will burn with a light of my own
They'll know me as Joan
They'll know me as Joan
Christem ducem
Poena fortis
Et sanguinis effusio
Corda terant
Ut te quaerant

Ieso, nostra redemptio

I fight where God tells me, I never ask why

I've bloodied the Devil with steel from on high

I kill without consequence, heed no man's law

I sift out the righteous like grain from the straw

I am judgment and heaven is nigh

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

I will burn with a light of my own

They'll know me as Joan

They won't call me Mother or Sister or Wife

They will know me or not by the strength of my life

They'll know me as Joan

No, they won't call me Mother or Sister or Wife

Marinette floated and fired waves of red energy.

Animan turned into a wolf!

Adrien fired a blast of energy.

Me and Marinette fired waves of energy and blue fire.

The blasts all hit Animan and blasted him down!

Me: YEAH!

Adrien: And the coolest thing, like today, Joan of Arc was in love with Cat Noir back then too.

WE GASPED!

Qin: WHOA!

Nico: So back over 600 years ago Joan of Arc was in love with Cat Noir too!?

Me: WOW! Talk about an amazing love story from over the centuries!

Horsea squirted ink and blinded him.

Me: YEAH!

Ymir: WOW! Joan of Arc must've been amazing!

Marinette: She was!

Nico: She fought in a huge and powerful event in France's history called the Hundred Years War.

Jessie Knudson: That war lasted from 1337 to 1453 and it was for the control of the Throne of the French Monarchy. Joan of Arc fought in that war back in the 15h Century and she was chosen by God to fight in it. She was executed in 1431 and in 1456 she was declared innocent by Pope Callixtus III and then in 1920 she was canonized as a saint.

Ymir: WHOA! That is intense!

Marinette: And she will always be part of who I am.

He turned into a T Rex and roared!

WHEN DINOSAURS RULED THE EARTH!

I fired waves of energy and blasted him all over!

Me: RELEASE THE WOLF! (HOWLS)

I went at him and slashed and blasted him all over!

Maiya: Lets get him!

Eli: YEAH!

They fired a massive wave of energy and blasted him down! Then Animan was separated from Otis!

Alya: DADDY!

She went and helped him!

Me: Now we don't have to hold back anymore!

We went at Animan!

Otis got up and was weakened bad.

Alya: Daddy!

Otis: (Groans) Alya?

Alya: Daddy!

She hugged him!

Otis: Oh my sweet girl! Thank goodness!

Marinette: Lucky Charm!

She got a whip!

She lashed him!

Alya: Daddy now it's your turn to watch me. TRIXX! LETS POUNCE!

She turned into RENA ROUGE!

Otis: My own daughter is Rena Rouge!? Oh wow!

She went at Animan and blasted him all over the place!

Poliwag slapped him with his tail!

WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP WHAP!

Manaphy headbutt him!

WHAM!

Animan turned into a fox and Jirachi rained down anvils on him.

Tentacool blasted him with lasers.

Animan then turned into BIG LENNY!

Me: WHOA! He's Big Lenny!

SpongeBob: WOW! But wait He is a Jellyfish.

He then latched himself onto Squidward!

SpongeBob: Uh oh.

And then...

SUPER TREMENDOUS AND POWERFUL ZAP!

Heidi: He's a Lion's Mane Jellyfish, the largest known Jellyfish in the world.

Suddenly, Lincoln was surrounded by an immense green aura with leaves and plants surrounding him and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use an elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 地獄と天の闇に呼びかけ、この忌まわしき悪を滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌によって天の審判を招き、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (I call upon the forces of nature and The Heavens to bring down this terrible abomination of evil and send him to her place of eternal damnation! Let the souls of the blessed rise and take the form of mighty wolves that bring the damned his eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and darkness formed behind Lincoln and formed into brown wolves with glowing green markings on their paws that look like leaves and they ran at Animan and attacked him with fierce fury.

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into orange wolves with glowing golden yellow markings and they ran at Animan and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Animan, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Then, Lincoln fired 999 massive balls of fire from his left hand and they orbited around Animan and they collided and exploded as they hit him, and he also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more and the immense divine powers of the Ancient Gods and Goddesses.

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

Let your magic run wild

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Lincoln, Nico, and I attacked him with two powerful energy slashes, and then...!

Lincoln, Nico, and I: NOW, GO TO HELL, ANIMAN!

Lincoln, Nico, and I did one final powerful energy slash that hit Animan hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Animan was on his last legs and he was really really mangled.

Then, Lincoln, Nico, and I punched Animan so hard in the face, he got two swollen black eyes and Lincoln tied him up with rainbow energy chains, and as he opened up a portal that led to The M.O.E., Nico and I kicked him hard in the stomach and sent him flying in as the portal closed! We cheered as we holstered our weapons and powered down.

Nico: That should do it, Animan is now in The M.O.E., and we also met your Guardian Angel, Lincoln.

Lincoln: You sure did. Now, there's one last thing to do.

Then, Lincoln flew into the core of Ulvon, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Ulvon's massive Sun and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

Then, we were back on Earth Omega.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Red Savarin: Lynn, you put the bat down now. I know May didn't mean to say that, but the next time you get out a bat to attack Nico's wife, I'm gonna make sure you wind up getting dunked in an industrial barrel of tomato juice.

Lynn: (Smirks) Oh yeah, bring it, Red!

BAD MOVE, LYNN!

Suddenly, Red Savarin picked Lynn up by her jersey and threw her into a barrel of tomato juice where she got scrubbed down.

Lori: Hey, you were warned about that, Lynn!

Lincoln: Exactly. You should be careful about challenging someone who would make their threat come true.

Gabriel: Honestly, Animan I actually remember making

Me: Because of Kim being in competition with Otis.

Gabriel: That's right.

Squidward was being treated for his sting wounds.

Alya had bandages on her arm.

Otis was being treated for his injuries.

Me: Boy what a battle! You guys okay?

Alya: We're fine.

Sylvia Ulvon: But we're glad you all are okay.

Me: Yeah.

Sylvia Ulvon: What did you guys think of my home planet?

Me: It was beautiful.

Camie: And awesome.

Ymir: I'll say!

Sylvia Ulvon: Awesome!

Seadra: That was the most fun I've ever had.

Nico: Nice job Seadra.

Seadra: Thanks! It was fun.

Me: It sure was.

Poromon: Want some beer?

Seadra: Oh no thanks it gives me the farts.

Qin: Oh boy.

Poromon: Okay then.

Poliwag: (Does the puppy eyes) Pwetty pwease?

Nico: Poliwag that's enough.

Seadra: Nice try though pipsqueak.

Poliwag: HEY!

Poromon: We're going to look through some pictures later today.

Me: Ooh nice!

Qin: Look!

Qin found a photo album.

Nico: My photo album from Elementary School!

Me: Ooh! We got to see this.

Erica: We have so many awesome memories in this.

Eddy: Let's see if there are some jealous rivals of Qin

Qin: I'm sure I have plenty of them.

Me: We'll find out later though.

Qin: Yeah.

Bullfrag: I agree there and that will be interesting to see.

Nico: Oh Bullfrag, what do you like to do in your free time?

Bullfrag: I like to teach about what my planet was like.

Me: I remember your home planet Incursea Prime was always caught in a Terrible War.

Kevin Levin: That's right. They were always fighting with themselves and everyone else.

Me: I heard their home planet exploded because of the misuse of the Sword of Azcalon.

Bullfrag: Yeah that's right.

Riley: Holy crud!

Bullfrag: Yeah.

Nico: Now for the Anothers.

Lincoln: (Sensed The Anothers) Ah, and The Anothers are coming.

Eli: (Sensed The Anothers) Lincoln's right, I sense them. WHOA! One of the Anothers is the Avatar of The Earthy Card.

Tech E Coyote: It makes sense they'd appear since Lincoln sucked out the powers of The Dark Dream Card, The Dark Sweet Card, The Dark Dash Card, The Dark Big Card, The Dark Create Card, The Dark Change Card, The Dark Freeze Card, The Dark Firey Card, The Dark Arrow Card, The Dark Bubbles Card, The Dark Wave Card, The Dark Through Card, The Dark Libra Card, The Dark Snow Card, The Dark Voice Card, The Dark Cloud Card, The Dark Sand Card, The Dark Dark Card and The Dark Light Card, and The Dark Twin Card yesterday.

Me: Wow! Lincoln was really busy!

Qin: Yeah!

Me: So Bullfrag, Alinta Seraphina, Anna Boonchuy, Frog (Chrono Trigger), Annabelle Boonchuy and Jiraiya are up and we got Another Fighting Bull-Frog, Pyrribbit, Rasputin the Mad Frog, Captain Bufo, Dicky Moe and Croak.

Nico: Yep.

Qin: Cool!

Nico: There they are!

We saw Another Pyrribbit, Rasputin the Mad Frog, Captain Bufo, Dicky Moe and Croak!

Nico: WHOA!

Qin: This will be good!

Another Pyrribbit: (In a girls voice) It sure will!

They reverted back and were the gene-slammers of Blue-Eyes Zombie Dragon and Flame Cobra!

Nico: Cassia Kaiba and Pyra Cobra!

Cassia Kaiba: Good to see you Nico.

Me: Whoa! The gene-slammers of Blue-Eyes Zombie Dragon and Flame Cobra. Wow!

Pyra Cobra: Yep.

Me: Wow! By the way girls are the rest of the Anothers friendly or hostile?

Cassia Kaiba: Friendly and the Another Tommy is powerful too.

Me: WHOA!

Tommy Oliver: Another me!? This will be intense!

Nico: Sorry we have to do this girls.

Girl Jordan: Lets separate you first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Holoél dark in the Deep

Down beneath the earth you go

Go holoré fast to sleep

They glowed and the anothers were separated.

Me: Action time!

Rolf: YOU HAVE BROKEN THE CELERY STALK ON THE SPINE ON THE SEA URCHIN!

We blasted the Anothers and I caught the Wonder Ride Books.

Me: YEAH!

Rolf: MAY THE FLEAS FROM YOUR COW INFLAME YOUR RHUBARB!

Qin: YEAH!

Maria: Time for backup! (TURNS DIAL) RADIATION FURY 6!

She summoned Furnace (Invincible), Manky Kong, Zingos, Universe 666 Nitro, Flame (Vrains) and Radiation Boy!

Me: YEAH!

And then...

KRASMASH!

Manky Kong threw a barrel and it hit me on the head!

Me: OW! HEY! Cut that out Manky!

Nico: Ouch!

Me: Iknow.

Manky: Sorry.

Nico: Now we wait.

Horsea continued hopping on Seadra's head.

Horsea: Awesome!

Me: Yep. Oh!

We saw Another Fighting Bull Frog and Tommy Oliver!

Me: Whoa!

Qin: Awesome!

Another Fighting Bull Frog: (In a girls voice) It sure is.

She reverted back and it was the Avatar of the Earthy Card!

Lincoln: Terra Earthy!

Terra Earthy: Good to see you again Lincoln.

Lincoln: You too.

Anna Anyanova: This is Terra Earthy, Avatar of The Earthy Clow Card, she's Lincoln's Guardian Angel from Japan and she's a very powerful angel who was born with the powers of earth, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Earthy Clow Card, and the magic of Clow Reed. She's The Earth Master of The Mystic Order of Clow Card Justice, a group of girls who were born with the powers of the stars, the elemental forces, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Clow Cards, and the magic of Clow Reed, and their goal is to not only defend Lincoln, but also defend the world from those who use the powers of dark magic to cause havoc. Terra Earthy is a master of the powers of The Earthy Clow Card and she's a powerful master of earth and magic, and she also defends Sakura from Tory who always he gives her a hard time, and she never messes around. Terra Earthy came to Royal Woods where she met Lincoln, and she taught him how to master the powers of earth, all forms of magic, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Earthy Card, and the magic of Clow Reed, and over time, Lincoln gained the powers of earth, all forms of magic, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, the powers of The Earthy Card, and the magic of Clow Reed, and he was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle and she also knew Lincoln is a True Alpha Werewolf-Vampire hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a beautiful rainbow diamond ring, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she's not only used her powers to keep Lincoln's enemies in line, but she also defended Lincoln from Lori, Lynn, Lola, Lisa, and Luan by firing blasts of mud and earth at them, and they got so mad, they were about to attack her, but Lincoln fired a wave of earth and sent those five flying back to their rooms.

Me: WHOA! Pleasure to meet you.

Terra Earthy: Same here.

Nico: And your friend?

Another Tommy: (In a girls voice) Someone that wants to kill Rita for hurting my brother!

Tommy Oliver: (GASP) That voice!

She reverted back and it was a girl version of Tommy but had orange clothes.

Tommy Oliver: Sam!

She and Tommy hugged.

Sam Oliver: I missed you bro!

Tommy Oliver: Me too.

Me: Your sister no doubt.

Sam Oliver: That's right. And I want to kill Rita for brainwashing Tommy.

Me: You're a little too late on that one. I killed her. I gave her what was coming to her after over 30 years.

Nico: Long story.

Kaito: (gets out Carranger gear) Did Swartz promise you anything?

Zocks: (gets out Ohranger gear) Because we can grant it instead.

They got weapons from said teams.

Terra Earthy: No he didn't because I used my powers and buried him in a mud hole and hardened it and we ran.

Sakura Knudson: That explains why I had to chip him out of the ground like that.

Me: Nice! Too bad that didn't kill him.

Sougo: (gets out American Turbo Ridewatch) You should be proud of Tommy

Geiz: (gets out Zeo Ridewatch) He's become a legend

Me: Wow!

Poromon: Yeah!

Nico and Aqua hugged.

Nico: I've missed you.

Aqua Bubbleman: Same here.

We got a move-on, and we spotted our target: Anti-Cosmo who has The Dark Earthy Card in hand. Lincoln fired an energy blast that hit him that forced The Dark Earthy Card to come out and took on its true form. Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chest of The Dark Earthy Card and he began sucking out all its earth and nature powers and magical powers, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels really good! RRGH!

Then, when Lincoln was done and the stingers changed back, The Dark Earthy Card was weakened to a severe degree.

Alexander Avalon: Alright, now's our chance to finally end it! Serenity, Sakura, Sarah!

Alexander Avalon raised his staff, same with Serenity, Sakura, and Sarah, as the magic circle appeared beneath their feet.

Alexander Avalon, Serenity Avalon, Sarah Avalon, and Sakura Avalon: Powers of Light and Dark, hear our plight, descend upon this world and undo the dark magic of Salazar Slytherin!

They fired beams of light from their staffs that hit the weakened Dark Earthy Card, and the light destroyed it and the card was rendered blank and it went into The Dark Clow

Book, and in the place of the Dark Earthy Card was a black onyx sphere with a green ominous light and a black and green aura surrounding it. But, then, the black and green aura released negative energy which we absorbed and it made us stronger.

Suddenly, The Dark Clow Book glowed with bright light surrounding it: it was being purified, and as the bright light faded, the cover and the back of the book changed to orange with gold and on the gold ribbon on the front of the cover was only one word "Loud" along with The Sun and on the back is The Moon, and The Clow Cards were no longer blank, they had the characters from before, but they had smiles on their faces and the cards on the front and back are orange and gold and the magic circle is a gold version of Sakura's Magic Circle.

Nico: That's so awesome! Now, for our final target: Anti-Cosmo.

Anti-Cosmo: (GROWLS) That stupid Zirconia, I can't believe he and the other hypothetical Akuma clones failed to kill you all! That's it, I will destroy you all and plunge the world into eternal chaos!

Lincoln: That's not happening, buckethead! Alright, let's tear him apart!

Robin Hood went after Anti-Cosmo, and he fired extremely powerful blasts of green, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, leaves, plants, nature, arrows, foxes, owls, phoenixes, and angels which exploded as they hit them, then he attacked him with the blades on his bow leaving scars on him, and he fired arrows at him that transformed into many arrows with leaves surrounding them and he got hit all over the place.

RRGH!

Then, when Lincoln was done and the stingers changed back, Anti-Cosmo was severely weakened, and Lincoln sucked out all of Anti-Cosmo's energy and knocked him out and sent him to The M.O.E, and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire burst out of his massive biceps and massive muscles!

We cheered as we holstered our weapons and powered down and we returned home to The World Tree Estate.

Nikoderiko: Are you sure we should let him into The M.O.E.? From what we heard, he really caused you guys trouble.

Nico: That may be true, but we since had Foop and Anti-Wanda in The M.O.E. and we put in the other Anti-Fairies as well, and we had to throw Anti-Cosmo in after Lincoln sucked out his powers.

Me: As insurance he doesn't try anything.

Lincoln: Yep, but we finally did it, The Dark Clow Card Cataclysm is done, and The Dark Clow Cards were destroyed. Plus, The Dark Clow Book was purified and the blank cards became Star Cards for me, now we're finally rid of the final trace of Alecto Slytherin for good.

?: Aw, I missed out on the fight.

Then, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, long crimson red hair with yellow streaks with orange flower in her hair, crimson red eyes, massive fire colored angel wings, she has The Volcanic Laval Masters of Courage symbol on her right arm and the pendant on her necklace, The Laval Crest on her forehead, and Laval Coatl on her crimson red skirt, crimson red short-sleeved blouse, orange sleeveless midriff top with Laval Coatl on it, crimson red bridal gloves, orange stockings, crimson red knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, fire, flames, lava, phoenixes, and angels on the coattails, and on the back is Laval Coatl, and she has a fire greatsword, and with her are the nine girls.

Lincoln: (GASPS) Nina Vulcania, Avatar and Gene-Slammer of Laval Coatl.

Nina Vulcania: That's right, and I got the girls away from Anti-Cosmo and The Dark Earthy Card, and you guys did good taking them down.

Me: We sure did.

Lincoln: We took care of The Dark Shot Card when I sucked out its powers and absorbed the clone of Hypernova Eta Carinae Stardragon. (To Nina Vulcania) And it's so good to see you again, Nina.

Nina Vulcania: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Nina Vulcania had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Nina Vulcania was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Nina Vulcania: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Nina Vulcania's waist and hugged her, and Nina Vulcania was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you two since you were seventeen, and as you can see, I really grew a lot since then.

Nina Vulcania: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, beard stubble on your jawline, and chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this is Nina Vulcania, Avatar and Gene-Slammer of Laval Coatl, is Lincoln's Guardian Angel from Michigan, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Lava Coatl. She's The Volcanic Lava Coatl Master and member of The Volcanic Laval Masters of Courage, a group of courageous girls who are the Avatars and Gene-Slammers of The Laval Duel Monsters and they're born with superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and their goal is to protect and defend Lincoln from his enemies, and they are the bravest, strongest, and courageous of Lincoln's Guardian Angels. No one was able to defeat them in battle, and if they dared to anger them, they were going to get burned in a pretty nasty way. Nina Vulcania came to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Pyrokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Coatl, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Pyrokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of fire, flames, lava, heat, hot temperatures, The Immortal Phoenix, and all the creatures of fire, and the powers of Laval Coatl, and Lincoln was already born with immortality and invincibility, and she also helped him seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a fire greatsword and he also gave her a phoenix tattoo, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lynn and Lola a lot with using lava and fire, and Nina Vulcania despises that dirty no-good Vic McGillicuddy with a blazing passion!

Nico: You don't have to worry about that dirty no account, Vic McGillicuddy, he's in prison forever and we also gave that daughter of his the heave-ho to The Xaikora Prison last year.

Lincoln: And we also sent that slimy lizard of Vic's to an animal shelter, not to mention what he did in allying with Porter C. Powell, he's still nothing but an absolute slimebag, but we don't have to see him again, and now that you're here, Nina.

Lincoln with his massive muscular arms still wrapped around Nina Vulcania's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Nina Vulcania: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Nina Vulcania with crimson red gems on the gold lightning bolts and crimson red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Nina Vulcania: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and an Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Nina Vulcania.

Nina Vulcania had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Nina Vulcania's waist, and he leaned down to her face and kissed her on the lips, and with Nina Vulcania's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Nina Vulcania had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Nina Vulcania: (In Heaven) My God. And Lincoln, tell the guys to run to their rooms, the nine girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the nine girls, and when

Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the nine girls are Meg Raspberry, Fine Cavendish, Sophie Hayter, and Inori from Once Upon a Witch's Death and Lilly, Carmilla, Zophia, Lynga, and Loewe from The Brilliant Healer's New Life in the Shadows.

Lincoln: Oh whoa, it's Meg Raspberry, Fine Cavendish, Sophie Hayter, and Inori from Once Upon a Witch's Death and Lilly, Carmilla, Zophia, Lynga, and Loewe from The Brilliant Healer's New Life in the Shadows.

Nicole: I think Nina was right telling the guys to run, these girls are sexy and cute.

Lincoln: Thank goodness your Dad snatched Jiraya when he and the others ran, otherwise I'd punch him hard in the face again to get another beating. Are you girls okay?

Meg Raspberry: Yes, we're okay thanks to you.

Then, when, Meg Raspberry and the other eight girls saw who it was that saved them from The Dark Earthy Card and Anti-Cosmo, their faces turned atomic red and their noses gushed out blood upon seeing the 620'11" tall, handsome heartthrob hulking wolfman with abnormally massive and powerful upper and lower body muscles covered in light brown fur, tan fur covering his massive pecs, hands, and twelve-pack abs, sturdy tan muzzle with beard stubble on his jawline and thick brown goatee on his chin, long wild rainbow hair going down to the upper part of his back with white streaks and Meg Raspberry: Oh wow, you're Lincoln Loud of Team Loud Phoenix Storm.

Lincoln: That's right, and it's a pleasure to meet you all.

Lincoln made clones of himself, and he and his clones went up to the girls, and they hugged their waists in their abnormally massive and powerful muscular arms, and they leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they wrapped their arms around the thick muscular necks of Lincoln and his clone, and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

He then slowly unlatched his fangs from their necks as their necks healed and the puncture marks sealed up, and he also kissed where he bit them.

Sophie Hayter:(Seductive Voice and rubs Lincoln's massive pecs) You too, big, tall, muscular, and handsome.

Suddenly, nine Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Meg Raspberry, Fine Cavendish, Sophie Hayter, Inori, Lilly, Carmilla, Zophia, Lynga, and Loewe with colored gems embedded in the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of the Buddha and Jade Necklaces of Shangdi along with white and gold accented Elemental Chokers of Eternal Love on their necks and rainbow Thunderbird wedding rings on their left pinkies.

Maria: Okay, guys, come on out.

We came back out.

Maria: We took down the final Dark Clow Card and Lincoln sucked out its powers and sent Anti-Cosmo to The M.O.E.

May: That's for sure.

Lincoln: And with that, Alecto's plan has finally been destroyed for good.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 250'11" in height, she has the body of a goddess and large breasts, tanned skin, long pink and brown hair, pink eyes, she was dressed in a pink two-piece bikini, she has massive pink angel wings, and she has a donut greatsword in hand.

Lincoln: (GASPS) Dahlia Donutairaira, Queen of The Donutairairans of Planet Donutairaira.

Nico: The only female Donutairairan that only you know, Lincoln.

Lincoln: That's right.

Anna Anyanova: And we also know her too, this is Dahlia Donutairaira, Queen of The Donutairairans of Planet Donutairaira, she's Lincoln's Guardian Angel from the planet of Donutairaira in The Forbidden Zone, she's The Queen of The Donutairairans who rules Donutairaira, a planet of endless donuts, and she's also far more powerful than her own people: in addition to being a natural born fighter and having immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, but she was also born with angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and all the powers of her people itself times infinity, and the ability to grow even stronger, and just like Almightairaira, they also fended off The Infernairans and drove them off, and just like with The Almightairairans, when The Reincarnation of Amaterasu was forever purified, they would send a message to him in a dream inviting him to Donutairaira where he would meet The Donutairairans and when he'd arrived, they would perform a rite: the rite of The Reincarnation of Amaterasu absorbing the male Donutairairans into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, he would absorb Donutairaira and its core into his body and Donutairaira's Sun into his body to preserve their legacy. Dahlia Donutairaira came to Earth and Royal Woods where she met Lincoln, and she swore to protect Lincoln from the wrath of his enemies and she also trained him in mastering the immense powers of immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of donuts, the ability to grow even stronger, and all the powers of her people, and over time, Lincoln gained even more immense superhuman strength, immense regeneration, immense superhuman durability, immense superhuman senses, immense superhuman speed, and immense superhuman endurance, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of donuts, the ability to grow even stronger, and all the powers of The Donutairairans times infinity, and he was already born with immortality and invincibility and his powers also grew infinite-times stronger, and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle and she also helped him grow in intelligence, power, and knowledge. Plus, she also taught Lincoln in everything she knew when it came to fighting and she also gave him the power to grow even stronger, along with even more incredible powers from the deities her people worshipped along with infinite levels of virility and male fertility, but it made his already massive and godly superhuman strength even more massive than ever, and she knew that Lincoln had undergone the rite of The Reincarnation of Amaterasu absorbing the septillions of trillions of souls of the male Donutairairans gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of donuts, the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally, Lincoln absorbing Donutairaira and its core and Donutairaira's Sun into his body to preserve their legacy. Lincoln made her an awesome greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she hates all of Lincoln's enemies with a blazing passion, and she swore to have them imprisoned in donut prisons and banished forever to The Black Abyss with the power of Donutairaira.

Me: That's incredible.

Dahlia Donutairaira: Thanks, and I know last night, Lincoln had undergone the rite of absorbing the septillions of trillions of male Donutairairans along with my father into his body gaining their vast countless eons of combat experience, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of all donuts, and the ability to grow even stronger, and incredible godly powers and immense virility and male fertility, and finally absorbing Donutairaira and its core and Donutairaira's Sun into his body to preserve their legacy.

Arpina Infernaira: That's right.

Me: Wait, you also included immense virility and fertility as well? That means...!

Dahlia Donutairaira: We knew Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely high virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever.

Rita: We had no idea about it before. But, during Lincoln's check-ups with Dr. Feinstein, he did show us all of what you just told us.

Nico: Wow...!

Dahlia Donutairaira: I know that shocked you all especially Regina's journal about Lincoln's health reports, but everything I told you is all true, and it's good to see you again, Lincoln, but wow, you've really grown a lot in height and muscle mass since last I saw you.

Suddenly, Lincoln pinned Dahlia Donutairaira to the floor and he wrapped his massive muscular arms around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and then, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Dahlia Donutairaira with pink gems on the gold lightning bolts and pink crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

Then, he helped her up as he sat on the couch and he kept her close to his body as she took the time to rub his massive hairy pecs, twelve-pack abs and his massive muscles.

But, then, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more like what happened yesterday.

Dahlia Donutairaira: That's my special gift to him: Donutairaira's Blessing of Divine Donut Power Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 620'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Dahlia Donutairaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Donutairairans both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

After Lincoln drained The Dark Earthy Card of all its powers and sent Anti-Cosmo to The M.O.E after we took him down after Lincoln sucked out his powers, we were training intensely in the gym doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, and we were really sweating like crazy, even doing yoga to clear our minds, and we were also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get our massive and long brown wolf tails even more stronger than ever as well and we were really sweating up a storm, and when Nina Vulcania saw Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and he was sweating up a storm, she had an atomic red blush on her face, hearts in her eyes, and her nose was really gushing out blood.

Nina Vulcania: My God, I was right that Lincoln's really grown into a 620'11" tall, really huge, handsome, sexy, and extremely super strong manly wolfman, just look at those abnormally massive and powerful upper and lower body muscles and his twelve-pack abs really hard at work doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses and really working out with those 999 septillion-lb barbells and he's not even getting tired, incredible, and he's also doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings, and he now looks even more ripped than ever. He's definitely been continuing on bodybuilding and working out even more for many years, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes, he'd gained the powerful and massive body that all bodybuilders could only dream of. If anyone tried to mess with him now, they were in for a world of hurt and trouble, and he's always been there to defend and protect us from Chandler, his goons, Pablo, Anderson, and Hawk and Hank at school or out in public, and he was also quick to defend

us from Lori, Lynn, Lola, Lisa, and Luan if they get out of search control again, along with Killjoy Huggins.

Lincoln: Yep, and I've also trained a lot under a lot of very powerful teachers, J.D. and Nico included, Enya, and I can still defend myself, and in addition to getting stronger and larger in muscle mass, I've also gotten smarter as well.

Nina Vulcania: That's incredible, and we'd already known just how strong you were long ago ever since you did some wrestling and working out with some of the other Guardian Angels long ago, and we're so proud of just how much stronger you've gotten, and just how much taller you've gotten, along with getting that much bigger in muscle mass, and you've also been getting smarter as well.

Nico: You got that right, plus, we heard all of the stories from Lincoln about you girls and about how you all helped him in his training to become an emerging hero before Team Loud Phoenix Storm was formed, and how he grew from the little boy from seven years ago into the really huge, really strong, and really powerful wolf man we know today.

Nina Vulcania: I knew it was only a matter of time before he told everyone that story.

And when my harem saw me doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, and regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, squats, and going a few rounds with the punching bags, even doing yoga to clear my mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,0

And when Nico's harem saw Nico doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous yellow angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large yellow angel wings underneath his enormous yellow angel wings and he was sweating up a storm, they had an atomic red blush on their faces, hearts in their eyes, and their noses were really gushing out blood.

We saw Lily the Mermaid in a very large hover chair, and she was really heavy.

Lincoln: How are you holding up, Lily?

Lily the Mermaid: I'm holding up pretty good. But, I know it's going to happen.

Me: The second it does, we're heading for the hospital.

Nico: That's for sure.

Then, Lily the Mermaid went to get a glass of water, but then, just as she was about to drink...!

GLASS SHATTERS! SCREAMS OF PAIN!

Lincoln ran in and he saw Lily the Mermaid's water really broke!

Lincoln: (GASPS) Lily, is it...?!

Lily the Mermaid: It's time!

Me: SHIT! PEOPLE, IT'S TIME TO MOVE! GET TO THE HOSPITAL!

We immediately got cleaned up and rushed to the hospital and Lincoln was in the room with Lily the Mermaid.

Lily the Mermaid: (SCREAMS) OH GOD, OH SWEET MERCY, IT HURTS! LINCOLN LANDON LOUD, THIS IS ALL YOUR FAULT! IF YOU EVER GET ME PREGNANT LIKE THAT AGAIN, I SWEAR TO GOD, !'M GONNA CUT THAT GIANT CROTCH OF YOURS OFF AND SHOVE IT DOWN J.D.'S THROAT AND MAKE YOU PEE IN HIS STOMACH! Eli: OH MAN!

Laney: YIKES!

Laney used her smelling salts and she woke us up.

Nico: Thanks, Laney. Man, that was really nasty!

Then, a few minutes later, Lincoln came out with Lily the Mermaid, and they had not thirty, but thirty-three newborn babies: ten of them are boys and twenty-three of them are girls, and they were not only healthy and strong, but we also felt something very powerful in the babies.

Me: Oh wow! Wait, you guys actually have thirty-three newborns?!

Eli: That doctor made quite the error!

May: True. But, aw look at them, they're so cute.

May was right: the ten boys had their dad's white hair and light brown mixed in from their mom, but each of them had colored streaks and mermaid tails over their butts matching the elemental forces of Fire, Ice, Water, Wind, Lightning, Earth, Lava, Light, Darkness, and Crystals, and the twenty-three girls had their mom's light brown hair and white mixed in from their dad, but each of them had colored streaks and mermaid tails over their butts matching the elemental forces of Wood, Stars, Time, Nature, Gravity, Blood, Magic, Rainbow Crystals, Rainbow Super Lightning, Rainbow Fire, Sand, Blue Fire, Bubbles, Steam, Nebulonic Gas, Suns, Aurora, Light Magic, Dark Magic, Black Magic, Satanic Magic, Moonlight, and Explosions.

And they have the most gorgeous blue eyes: a mixture of Lincoln's deep sapphire blue eyes and Lily the Mermaid's aqua blue eyes.

Me: And they also have colored mermaid tails matching the elemental forces and their eyes: they're a mixture of Lincoln's deep sapphire blue eyes and Lily the Mermaid's aqua blue eyes, that's so cool.

Varie: Lincoln, Lily, congratulations.

Lily the Mermaid: (Weakly) Thanks, Varie.

Suddenly, The Mark of Fertilitaira on Lily the Mermaid glowed, and she was suddenly restored to full strength and energy.

Nico: Whoa, Lily's back to full strength and energy, how is that?

Faith Fertilitaira: One of the main powers of The Mark of Fertilitaira, after childbirth, The Mark of Fertilitaira restores the new mother to full strength and energy.

Lincoln: I knew that was the case. But, you still need your rest, Lily, and I'll be leaving a clone of myself to also stay with you.

Lily the Mermaid: (Smiles) That's so sweet, thanks, Linky.

Lincoln got Lily the Mermaid and their thirty-three newborns to the nursery and Lincoln made a clone of himself to keep Lily the Mermaid and their thirty-three newborns company and the alarm was on silence, and we went back to the gym and continued working out.

Rarity: That was...rather...scary!

Me: I know. She made all of us faint with the labor pains.

Maria Santiago: Not to mention the mess on the hospital bed! That was the most painful birth she'd undergone, that was worse than the surgeries I'd seen.

Ronnie Anne: Yeah, that probably tops all the gnarly stuff you'd told me about at the hospital, Mom.

Then, Lincoln, his harem and kids, and Braeden Carnes headed for The Undead Elemental Realm.

Braeden Carnes: This is our next stop: The Undead Elemental Realm.

Lincoln: Whoa, this place sure is spooky.

Starlight Glimmer: You said it, The Undead Skylanders would feel right at home here, especially Cynder. So, who's our next target?

Braeden Carnes: That would be The Dark Elemental Guardians: Drago-Bat, Spring-Leaf, Sand-Spikes, Soul-Mac, Crab-Mage, Jetstorm, Nio-Claws, Fire-Draco, Maul the Demon Changeling, and Omni-Dragon.

?: You got some nerve showing up, Carnes!

Then, they saw the targets: The Dark Elemental Guardians: Drago-Bat, a black prehistoric bat with dark tan brown legs and arms to his claws and bone-wing structure, and has red eyes.

Lincoln: No, that's not happening, Dark Elemental Guardians. We're ending this for good.

Lincoln, his harem and kids, and Braeden Carnes went at Drago-Bat, Spring-Leaf, Sand-Spikes, Soul-Mac, Crab-Mage, Jetstorm, Nio-Claws, Fire-Draco, Maul the Demon Changeling, and Omni-Dragon and blasted them with energy blasts and elements and knocked them down.

Then, Braeden Carnes got out his specially made Traps and threw them, and they began sucking in Drago-Bat, Spring-Leaf, Sand-Spikes, Soul-Mac, Crab-Mage, Jetstorm, Nio-Claws, Fire-Draco, Maul the Demon Changeling, and Omni-Dragon.

Drago-Bat, Spring-Leaf, Sand-Spikes, Soul-Mac, Crab-Mage, Jetstorm, Nio-Claws, Fire-Draco, Maul the Demon Changeling, and Omni-Dragon: You can't do this to us!

Then, The Dark Elemental Guardians were sealed into the Traps that went back into Braeden's hand.

Omni-Dragon: Curse you, Braeden! WE'LL GET YOU FOR THIS!

Braeden Carnes: It's over, Omni-Dragon. But, I'm not killing you nor any of the others, all of you are just as much a part of The Elemental Lands as The Elemental Heroes, I intend to redeem you all and free you from this cursed path you set out on.

Drago-Bat: Maybe, I think it's time for a career change.

Omni-Dragon: Alright, fine.

They came back home.

Me: So, that was the eighth part down.

Lincoln: And four more to go. But, so far so good, and it's just like our adventures in The Skylands.

Nico: You said it.

Braeden Carnes: That's right. Soon, we'll be reunited once more, and the person responsible for this will pay.

We got a shower, and then, Lincoln, Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS are heading to South Haven, Michigan, and joining them are the rest of his harem.

Lincoln snapped his fingers, and the 620'11", handsome and extremely muscular wolfman had on his large orange and white speedo with a Thunderbird and a lightning bolt surrounded by elemental forces and stars on it with rainbow flames coming off the speedo, orange sandals, his jewelry and accessories, and he had his weapons holstered in case of trouble.

And Lincoln's harem were dressed in colored two-piece bikinis The Musiqidandi Sisters and Zoey Tsukino made for them, colored sandals, and they had their weapons holstered in case of trouble. Plus, we found out Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS had feelings for Lincoln, and Lincoln also had feelings for them too, and he saved them from a group of musclebound thugs and he sucked out their muscle mass, virility, testosterone, strength, and energy which killed them all.

Pomni the Jester Hedgehog: Wow, we're here in South Haven, it's so beautiful.

Lincoln: You said it, Pomni, and it's perfect for our first date. Shall we?

Lincolnn, Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem dived into the waters and began swimming, and they also saw the marine life that live there, then they went back to the beach, and Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem harem also gave Lincoln a deep tissue massage which not only relaxed his muscles and entire body, but they also released some tension he'd been carrying.

Then, Lincoln did the same thing giving Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem a deep tissue massage, and when he was done with that, they were relaxed Then, they had an awesome game of volleyball, and they went to a workout area Lincoln created, and Lincoln's harem got an extremely massive and deep atomic red blush on their faces when they saw Lincoln lift massive 999 Septillion ton-lb barbells Lincoln summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails, and they were really swooning over him especially when he started showing off by flexing his massive muscles.

Lily the Mermaid Clone: (Swooning) Linky's still such a handsome and manly wolfman hunk.

?: (LOUD DEMONIC ROAR)

Suddenly, Lincoln and his harem saw Gohma Vlitra coming after them!

Mithra: Gohma Vlitra.

Lincoln: I'll get rid of that beast.

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into Gohma Vlitra and he began absorbing him and he assimilated Gohma Vlitra's Immense supernatural powers, Energy blasts, Pyrokinesis, Typhokinesis, and Ergokinesis, and completely purified the immense Mantra inside it from the millions of souls it devoured for eons, and Lincoln's abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when Lincoln was done and the stingers changed back, Lincoln sucked out every last bit of energy from Gohma Vlitra's soul and he sent him to The Warp and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and fire exploded out of his massive biceps and muscles.

Then, they had some lunch, and then, as the sun was about to set, Lincoln went up to Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem and he hugged them in his abnormally massive and powerful muscular arms, and his harem placed their hands on

Lincoln's massive hairy pecs, but Lincoln wasn't done. Then, he had Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem lying down on a massive beach towel with Lincoln on top of Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem.

And then, Lincoln shared a passionate and romantic kiss with Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem and Lincoln slowly sank his fangs into their right trapeziuses and he began feeding on the blood Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS and the rest of his harem, and Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light hovering above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln and I slowly unlatched our fangs from the right trapeziuses of our harems as they healed and the puncture marks sealed up, and we also kissed where we bit them. We came back home to The World Tree Estate, and Nico and I saw Lincoln was covered in kisses on his face, body, and twelve-pack abs.

Nico: (Whistles) Wow, it looks like you really had a good time at South Haven, eh, Lincoln?

Lincoln: (In Heaven) It...was...so... AWESOME!

Suddenly, eight Elemental Thunderbird Necklaces of Eternal Love appeared on the necks of Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi along with eight white and gold accented Elemental Thunderbird Chokers of Eternal Love appearing on their necks and eight rainbow Thunderbird wedding rings on their left pinkies.

Lily the Mermaid clone: And now, Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS are in your harem, Linky.

Pomni the Jester Hedgehog, Ragatha the Doll Fox, Emily the Ram Angel, Verosika the Lady Squirrel Demon, Bloody the Bunny, Mumu the Bunny, Efi Oladel, and NiGHTS showed the marks on their right trapeziuses Lincoln made.

Jenna: We had trouble though.

Lincoln: Unfortunately, we did. Gohma Vlitra came after us!

EVERYONE GASPED!

Nico: Oh shit!

Lincoln: Don't worry, I used my Cell stingers and absorbed him and assimilated all his powers and abilities and purified the Mantra from the countless souls he'd devoured eons ago, and I sucked out the last of his his energy and banished him to The Black Abyss.

Me: Smart move.

Lily the Mermaid Clone: But, our date went smoothly, and we not only gave Lincoln a deep tissue massage, but he also gave us the same deep tissue massage, and he had us swooning when he lifted massive 999 septillion ton-lb barbells he summoned in his large and strong hands and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long wolf brown tails, and we were really swooning over him especially when he started showing off by flexing his muscles and his enormous white angel wings and
999,999,999,999,999,999,999,999,999,999,999,999,999,9

99,999 large white angel wings underneath his enormous angel wings had spread out and they generated a cool breeze cooling us down and fire and wind exploded from his massive biceps and muscles.

Lily the Mermaid: That's good.

Serena Logan: Lincoln really got that confident and bold, we really made him into a really strong and powerful manly wolfman.

Rarity: Well, you all helped in that matter.

Lincoln: She's right on that one, Serena.

Maria: Too bad Flip's kicked the bucket, now I can't give him the finger anymore.

Nico: You know, we made a clone of that mutant.

Lincoln: That's right, along with clones of Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III to join Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, The Platypus Brothers, and Schnozmo who are still imprisoned at Lynn's Table.

Eli: That's right.

Maria: Oh right, I forgot. Well, let 'em have it.

We then saw Lincoln form a viewing window, and then, Lincoln snapped his fingers.

SNAPS FINGERS!

We saw a massive funnel appeared in mouths of the clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III,

and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers, and then, massive cartons of the extremely powerful laxatives that Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta appeared over the funnel.

Eli: (GASPS) ARE THOSE...?!

Nico: (Fiery Godly Voice) The extremely powerful laxatives Shizuka and her sisters used on Killjoy Huggins and Lewis Travolta?!

Luna: DO IT, BRO!

Then, the extremely powerful laxatives were dumped into their mouths and the funnel was removed. Then, their stomachs gurgled and rumbled, and then...!

MASSIVELY LOUD AND EXTREMELY WET FART!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers farted and massive tons of gold, jewels, gems, and other currencies exploded out of their asses like crazy!

The clones of Flip, Flop, Slip, Icky Vicky, Trina Riffins, Dark Amy, Billy McLean, Pablo, Anderson, Margie, and Brad Uppercrust III, and in the mouths of Bubble Bass, Lewis Travolta, NO MA'AM, Mindy, Schnozmo, Walter Peck, and The Platypus Brothers stopped farting like crazy and we were laughing hysterically.

Lincoln: That's still as hilarious as ever! (LAUGHS)

Nico: Man, those laxatives are really powerful, I still remember when you tried that prank on me years ago, Connor, but that failed.

Eli: Because of you using Walker's powers.

Connor Chan: Okay, that was still as hilarious as ever!

Nico: When the next humiliation session starts, we've got much worse for them. (SMIRKING LIKE A DEMON)

Me: Oh man, are they in trouble.

Later it was time for another awesome Skylanders adventure.

Nico: Who's next?

Me: TD Gwen, Ingrid Third, Starlight Glimmer, Animated Optimus Prime, Cozy Glow, Tirek, Bat Spin, Krypt King, Funny Bone, Short Cut, Shade Man and Shadow Man are up.

Qin: COOL!

Cozy Glow: Awesome!

Tirek: This will be interesting and we're going to get a shot in.

Me: You sure are.

Lincoln: I got a fun place for this one and you will love it.

Me: Okay.

We went into the simulator and it activated and we saw that we were on a HUGE CHILI PLANET!

WE GASPED!

Lincoln: Welcome to the forbidden planet of Chiliraira.

Me: WHOA! So this is Chiliraira!

Qin: WOW! So spicy!

Laney: Incredible!

Nico: Look at all the chili pepper trees!

Qin: And hot sauce rivers! Amazing!

Animated Optimus Prime: Thanks for inviting me.

Nico: You're welcome. This will be awesome and fun.

Qin: Yeah!

Lola: This is amazing though.

I ate a chili pepper.

Me: (Eating)

KRABBBBOOOOOMMM!

Me: WHOA! Spicy! And yummy!

I then ate a bunch of peppers!

Me: (EATING) MMM! Nico I dare you to eat 5,000 peppers in one sitting!

Nico: YOU'RE ON!

WE GASPED!

Nico began eating and I did the same.

We ate all those peppers!

And then suddenly...

EXTREMELY MASSIVE AND INTENSELY FIERY EXPLOSION OF INCREDIBLY POWERFUL FORCE!

THE EXPLOSION WAS SO INTENSELY POWERFUL THAT IT WAS FELT EVEN IN THE CONTROL ROOM!

Our fire auras were really intensely strong!

Luna Loud: HOLY WOW DUDES! That is a true planet of Full Heat Nirvana!

Qin: WOW!

Lincoln: We weren't kidding about this planet.

Me: WOW! You sure weren't!

Nico: Amazing!

Me: Nico?

I took 2 barrels and filled them up with hot sauce!

Me: Ready?

Nico: Lets do it!

Me: GO!

We gulped it all down!

(GULPING)

Lori: IT WAS LITERALLY NICE KNOWING THEM!

Lucy Loud: I'll be sure to say something nice at their funerals.

We drank it all down and then...

INCREDIBLY SUPER POWERFUL FIERY EXPLOSION OF SUPERNOVA POWER!

We had our heat auras and fire auras flared up with intense fury and power!

Me: WOW! That was intense!

Lola: NO KIDDING!

Tirek: That is awesome!

Cozy Glow: You said it!

Nico continued eating.

We were later done.

Me: WOW! What a rush!

Lola: WOW! That was incredibly intense!

Lana: LOOK OUT!

They ducked and then a bunch of peppers went into our mouths and we swallowed them.

But then...

SUPER POWERFUL MASSIVE EXPLOSION OF BIG BANG INTENSITY STRENGTH!

OUR FIRE AURAS WERE GLOWING INTENSELY STRONG!

Me: HOLY SHIT! WHAT THE FUCK WAS THAT!?

Lincoln: THOSE WERE GUATEMALAN INSANITY PEPPERS!

EVERYONE GASPED!

Nico: Where did they come from?

Lincoln: From Homer's third Akuma, Nightmare Cajun Insanity! The 3rd Hypothetical Akuma of Homer Simpson and he is a nightmare horse that represents all things spicy! He has intense fire and pepper powers! He was made because of Chief Wiggum humiliating him with his super spicy chili and vowed to make sure he pays with his spicy heat!

WE GASPED AGAIN!

He showed a sketch of him and he was a horse of fire and demonic nature and ha a cutie mark that looked like the Guatemalan Insanity Peppers!

Nico: WHOA!

Me: HOLY CRAP! He is one insanely spicy Nghtmare Horse!

Qin: No kidding!

Homer: I never forgot how everyone called me a big baby!

Animated Optimus: You still love donuts, right?

Nightmare Cajun Insanity: Yes and beer. As well as wanting to see beer robots.

Homer: He really is me!

Xenia: Yep still him.

Me: Sorry Homer but you need to calm down.

Nightmare Cajun Insanity: Not until Wiggum dies!

Me: What about Bart?

Nightmare Cajun Insanity: HE LAUGHED TOO AND I WILL KILL THAT LITTLE!

Nico: Too late! He's at the Arcade!

Me: YEAH! So...

I fired waves of water and cooled him down.

Me: We're going to need something better than water! (Spins Magisword Bracelet)

DAIRY PRODUCT MAGISWORD!

I fired waves of milk and they hit Nightmare Cajun Insanity and he was knocked out cold.

Me: There we go!

Qin: WOW! That is one spicy Akuma.

Lola: No kidding!

Then MASKERMIND CAME!

Me: Maskermind!

Maskermind: Holy crud! You guys picked a really spicy planet for us to fight on!

Qin: Well it was Lincoln's idea.

Me: Me and Nico loved it.

Nico: Like it?

Maskermind: You guys have REALLY awesome spicy taste!

Qin: No kidding there!

Maskermind: But it fits you guys perfectly. Lets dance!

Bat Spin: (Transylvanian Accent) NO REST FOR THE WICKED!

Krypt King: I'VE GOT THE EDGE!

Funny Bone: I'VE GOT A BONE TO PICK!

Short Cut: CUT TO THE CHASE!

We went at him and blasted him all over the place with intense fire and energy.

Me: After this, me and Nico are definitely going into the bathroom. I just have that feeling.

Nico: Same here!

Qin: Here comes another couple of dead toilets!

Nico: We can always get more.

Me: That won't be necessary Nico. I always have a bunch of spare toilets for installation in the basement.

Nico: Oh. Okay then.

Lana: And I will install them.

Nico: Perfect.

Starlight Glimmer, Cozy Glow and Tirek fired waves of energy and blasted Maskermind all over the place!

Bat Spin fired bats.

Krypt King fired waves of energy blades from his sword!

Funny Bone turned into a sawblade and slashed him.

Short Cut snipped at him with his scissors!

Me: YEAH!

Nico: Like that?!

Animated Optimus: How about this!

He fired waves of lasers and blasted him.

TD Gwen and Shadow Man fired darkness blasts and smashed him all over!

TD Gwen, Ingrid Third, Starlight Glimmer, Animated Optimus Prime, Cozy Glow, Tirek, Bat Spin, Krypt King, Funny Bone, Short Cut, Shade Man and Shadow Man: UNDEAD DOOM BLAST STORM!

They fired waves of skulls, bones, blood, ghosts and tombstones and they combined and the blasts all hit them and knocked him down!

MASKERMIND DEFEATED!

Maskermind tried crawling away.

Starlight Glimmer: Ah ah ah. You're not going anywhere except in here!

She held up a grey Undead Trap and a vortex sucked him in.

Maskermind: Hey! You're not supposed to use magic against MEEEEE!

He got sucked into the trap! And he was locked in it!

Maskermind: If I'm guilty of anything it's caring too much, and possessing a bunch of people, but is that really so wrong? Wait, don't tell me! I can read your mind!

Starlight Glimmer: Oh really? What am I thinking?

Maskermind: You're thinking of having a passionate night with Lincoln today and want to have kids.

Starlight Glimmer: (Blushes) You're right!

Me: Wow! He is good!

MASKERMIND TRAPPED!

Starlight Glimmer: But you still have to obey me now! As princess of the Undead Skylanders you have to listen to me now.

Maskermind: "Eh, well I suppose I can get in to being good. Get it? Get into? Haha, I like that one!"

Me: BOO!

Nico: Bad!

Luan: And people say my jokes are terrible!

Nico: Your powers even work in there?!

Maskermind: Yeah they do!

Qin: Wow!

Nico: That was silly though.

We left the simulator.

Me: WOW!

But then...

LOUD STOMACH GRUMBLES!

Me: OH SWEET ROTTEN EGGS!

Nico: BATHROOM!

We ran to our bathrooms!

[Me and Nico ran into our bathroom. Everyone heard us groan, then the toilets flushed, then we came out]

Me: Phew!

Patrick: I wouldn't go in there for a couple days. Or weeks.

[Mine and Nico's toilets came out of our bathrooms groaning]

Mine and Nico's toilets: Please, please, somebody put us out of our misery! [toilet jumps into Squidward's and Eli's hands, coughing] Have mercy on our souls...! [toilets dies]

We were busy watching TV, and many of us were doing work-outs to continue staying in tip-top shape, especially Lincoln doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,998 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Same with Super Brother doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of crunches, wing push-ups, one-finger push-ups, squats, regular push-ups, pull-ups, lat pulldowns, bicep curls, leg curls, and chest presses with 999 septillion-lb barbells to get his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings even stronger than ever, and going a few rounds with the punching bags, even doing yoga to clear his mind and doing 900,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 reps of tail bicep curls to get his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails even more stronger than ever along with his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 large white angel wings underneath his enormous white angel wings.

Lincoln: We don't have long before our next mission starts, so I still like to keep myself busy.

Me: That's true, and we're also doing work-outs just like you, Lincoln.

Nico: Yep.

Then, we saw Lincoln deadlift an extremely mountain-sized massive 999-septillion ton barbell with ease, and we were stunned.

Eli: Whoa!

And of course, the constant workouts that Lincoln has been doing had also caused his harem to get massive atomic red blushes on their faces, hearts in their eyes, and their noses were really bleeding upon seeing their hotter, sexier, manlier hunk of a future husband.

Lily the Mermaid: (Turned On) My God, Linky truly is one hunky muscle god.

Girl Jordan: (Turned On) Big time.

We finished our workouts, and Lincoln sprayed us with water and soap and we were all clean. Then, his harem kissed him on his face and steam whistled out of his ears and his face turned atomic red.

Lance Loud: Honestly, Lynnie, I'm still that surprised that Lincoln's attracted a ton of girls.

Lynn Sr.: Even Rita and I were stunned, and after hearing all of the trouble he's been through because of Chase Young's Dark Side turning Principal Huggins, Chandler, Lori, Lynn, Lola, Lisa, and Luan into those monsters from years ago, they wanted to protect him and make them pay.

Rita: But, in the end, those Dark Sides finally got The Black Abyss and they'd since healed and repaired things with Lincoln.

Me: You got that right.

Qin: Yeah!

Kimberly: Time to look in that yearbook

We did so.

Qin: Hey look guys! There's a picture of us as the Quantum 5 busting Adrienne Velcrova for picking on the disabled.

Me: Who is she?

Erica: She was a queen bee bitch I hated that always made fun of people who are disabled.

Me: Man what a cold-hearted bitch! Picking on the disabled is low

Qin: Yep. She got expelled and sent to juvie for 5 years.

Me: Good riddance.

They turned a page.

Ellie Singh: Oh look! There's the time where Nico brought Poromon and Poliwag to school and everyone loved them!

Poromon: We were the cutest ever back then.

Poliwag: And we still are some of the cutest.

Me: You still are some of the cutest and always will be.

Qin: Yeah. Hey look! There's me and Erica and Poliwag humiliating Beverly Henderson.

We saw a picture of her being stripped naked by Qin, Erica and Poliwag! Everyone laughed at her!

Me: WHOA! Who was she?

Qin: A mean queen bee girl that was in every way like Chandler was before. She was a heartless bully and hated everyone and wanted to rule us. But we got her exposed and her family disowned her and sent her to the ADX prison in Colorado.

Me: WHOA! You sent her to the Alcatraz of the Rockies!? That's a little extreme isn't it?

Qin: Maybe so but she deserved it.

Me: Wow! She has to spend 23 hours a day in isolation. That has to be rough.

Qin: Yeah and with some of the country's most dangerous people there.

Xenia: Wow!

Lemon Hearts: Kengo, remember when me, Maria, and Lily met you?

Kengo: How can I forget. That was awesome and fun.

Maria: It sure was!

Lily: I still can't believe I went bonkers on Squidward like that.

Eddy: Let's see if there's any jealous friends of Qin in here.

Tommy Oliver: I hope there isn't.

Me: Actually I think we just found a couple to start. Beverly Henderson and Adrienne Velcrova.

Nico: Yeah.

Qin: Yeah that's true.

Missy: Yeah.

They turned a page.

Missy: Hey look guys! There's me solving the complex math problem of the 20th dimensional string equation and the theory of Hyperspace Subspace Dimensional Travel.

Me: (Whistles) That is very impressive!

Lisa Loud: I must concur on that.

Nico: That made my head spark so much that I had to have a refrigerator full of ice put on my head.

Me: Ouch.

Qin: Yeah no kidding.

They turned a page.

Qin: Wow look guys! There's Nico singing Ghost Riders in The Sky by Spiderbait during Karaoke Day at school!

Me: Wow that's one of my favorites.

Nico: That was fun.

Qin: And look! There's me singing Two Worlds from the movie Tarzan there.

Me: Wow you guys were awesome! And look.

I pointed to a girl looking at Qin with intense hatred.

Qin: That's Emily Beaumont. She hated me ever since kindergarten because she was jealous of how beautiful I was.

Me: Wow! She sure looks like someone that would hate you.

Poromon: She and her friends made Qin's life hell and made her drink beer after that!

Me: WHAT!? How the fuck did she get beer into school?!

Nico: She snuck it in when her parents weren't looking. She got her drunk and made her do crazy stuff. But I exposed her and she got expelled and sent to a boarding school in Russia.

Me: Geez!

Maria: I remember we helped you fight your enemies

Kengo: Yeah you sure did.

Lemon Hearts: That was awesome and cool.

Lily: I agree there. And you guys met SpongeBob and you loved Krabby Patties.

Kengo: They were tasty.

We turned a page.

Nico: Hey look! There's me and Candy's first date. We had an awesome date at the Jersey Boardwalk and had really awesome chicken wings there.

Candy: That was the most fun I've ever had.

Me: You two looked so happy back then.

Nico: We sure did.

Me: What lead you guys to break up? I'm sorry if it's too painful to talk about.

Nico: No worries.

Candy: We broke up because me and my family moved away to Hawaii.

Me: Oh man! I'm sorry guys.

Nico: It's okay.

Scrapper: The important thing is that you two are back together.

Me: That's true. At least it wasn't a really bad date.

Nico: That is true.

Ellie Singh: Yeah.

They turned the page.

Ellie Singh: Hey look! There's us giving a nasty gang of bullies terrorizing our a massive beatdown!

It showed a picture of the Quantum Five and the Mascots standing on top of a broken, battered and bloody gang of bullies that they beat up and everyone cheered wildly for them.

Me: WHOA! You guys really did a number on them.

May: Who are those jerks?

Nico: That was Fred Brennos and his gang.

Me: I remember Fred Brennos! I busted him for doing a huge drug operation 4 years ago.

Nico: Really?! Whoa! I didn't know he was doing that.

Me: I was out doing a routine patrol.

Nico: I see.

Me: Boy he was causing problems back then to you guys and now he showed up in the city and did so here? What are the chances of that?

Qin: Big.

But then...

BAP POW WHOMP BIFF SMASH WHAM CRASH ZONK BASH KATOW THWACK ZOWIE ZING CRACK KRACKOW! WRESTLING BELL DING! CAR HORN! LION ROAR! PIG SQUEAL! ELEPHANT TRUMPET! SEAL BARK! CAT YOWL! HORSE WINNIE! FEROCIOUS SCREAMS OF AGONY AND FIGHTING!

Nico: GEEZ! Something is going on!

Qin: Oh Crackhouse Mickey and Donald are pulverizing the living shit out of Minnie and Goofy for all the years of pain and abuse they went through because of them.

Me: They deserve it.

Nico: Yeah! I hope they get all the bones in their bodies broken into dust

Lily: And we defeated Kevin.

SpongeBob: I was expecting it to be someone that Lily knew that caused problems. But I didn't expect it to be Kevin of the Jellyspotters.

Lily: Yeah no kidding. But the only one that ever caused me more problems than anyone was well... I don't really know.

Me: Lily out of all of us you are the only one on the team that doesn't have practically any enemies that has caused you any problems.

Lily: You're right on that.

Nico: Lucky you.

Lily: Yeah I know.

G1 Inferno: Eddy, I hope you realize that thanks to you jinxing us, either Beverly Henderson or Adrienne be turned into an evil version of Scalebreath.

Eddy: Sorry guys.

Qin: I want them to come at us. Because I want to get some well deserved payback.

Me: I don't blame you guys. But man you guys had a lot of great times.

Xenia: Yeah you sure did.

Nico: Yeah good times there.

Qin: I agree there.

Nico: Yeah. So fun.

Lola: Those were great times for you guys.

Poromon: They sure were.

Nico: But then again, it might not be them.

Me: You never know Nico. You never know.

Qin: Yeah.

We turned a page.

Poromon: Hey look guys! Here's me and Poliwag doing a comedy show! We did all kinds of really funny jokes!

Poliwag: Everyone loved our cheese jokes!

Me: Did they really?

Poliwag: Yep. Why was the cheese feeling so happy and optimistic?

Me: I don't know! Why?

Poliwag: Because it's gouda brie a good day!

RIMSHOT!

WE LAUGHED!

Luan: (LAUGHS) Gouda one!

Eddy: (LAUGHS) That was a good one!

Nico: (LAUGHS) It sure is!

Me: Love cheese jokes!

Qin: Me too!

Nico: Same here!

Then the Alarm went off.

Me: Uh oh!

We went to the computer!

Me: Uh oh! There's a disturbance in the park! Lets go!

We were off!

We went to the park and saw a Copperajah! It was eating all the peanuts from a peanut stand!

Me: Whoa! A Copperajah!

Ironhide (Beast Wars): And it sure loves peanuts.

Nico: Where did that come from?!

Me: Must be one of Dark Gale's work.

Ymir: I thought elephants can't eat peanuts.

Me: Yes that was proven to be just a myth as they are vegetarians. But Trumbipular is the exception because he likes them.

Nico: Yep.

Sheena: That Copperajah is a Golem named Natasa Claymore.

Emeth: (GASP) Oh my god! It's my sister!

Me: WHOA! This will be interesting.

Qin: I'll say!

Me: Lets go help her.

We went and did so.

Emeth: Natasa it's okay. It's me Emeth.

I held out a bag of Honey Roasted Peanuts.

Me: I was saving these earlier this morning. I bought these on a jog earlier. I wasn't hungry.

Emeth: Oh.

She came over to me and took them and ate them.

She liked them.

I pat her.

Me: She likes them a lot.

Nico: While she's distracted!

I snapped my fingers and she reverted back. She was a girl with brown orange hair and had blue eyes and had brown angel wings and had a voluptuous body and had Copperajah on her forehead and had the Alchemy Symbol of Earth and a golem on her arm as a cutie mark.

We wrapped her in a blanket and brought her over.

Me: Whew!

Emeth: We golems being rock monsters are heavy creatures.

Me: I can see that.

Qin: Yeah.

She woke up.

Natasa Claymore: (Groans) (Czech Accent) What happened? Why does my mouth taste like peanuts?

Emeth: You ate a lot of peanuts sister.

Natasa Claymore: Emeth!

She hugged her!

Natasa Claymore: I'm glad you're okay.

Emeth: I was saved by J.D. on one of his rescues and I'm in his harem now.

Me: Long story on that. Also you ate lots of peanuts.

I pointed to a cart and then to the bag of peanuts I gave her in her hand.

Natasa Claymore: Oh man!

Me: Also it was because you were turned into a Copperajah by Dark Gale.

Natasa Claymore: That explains why I was eating peanuts. (LOUD BURP!) Excuse me!

She ate them.

Natasa Claymore: I was looking for my sister Emeth. I was worried about her.

Me: Well she is safe with me and all of us.

Manaphy: WHEW! And Mama didn't get hit this time.

May: Thank goodness for that.

Me: I know.

Emeth: Several instances happened with Manaphy going after people where May got attacked and Manaphy fought back.

Horsea: It was me who got hit before.

Me: Nasty story on that.

Natasa Claymore: I see.

Rarity: Lets get you some new clothes darling.

The Fashion Brigade gave her new brown and orange clothes and a powerful lava sword.

Natasa Claymore: I look amazing!

Me: You sure do.

Rei Miyamoto saw her huge breasts.

Rei Miyamoto: Your breasts are huge! Bigger than mine!

Natasa Claymore: I get that a lot from people.

Nicole: And I sense that a certain Super Pervert is wanting to get at you!

She fired a wave of energy and it hit a tree and exploded!

MASSIVE EXPLOSION!

It sent Jiraiya flying and he was blasted back to the Leaf.

Me: Man he just never learns.

We went back home.

We were watching TV.

Etienne put on her jumpsuit.

Rage Mage: Lego Luthor isn't informing us about missions anymore. I'll miss that.

Me: I know

Etienne's jumpsuit was purple.

Etienne: Buena.

But then a familiar beep was heard on the computer. It was the Mighty Morphin call beep.

Me: Oh. I know that beep.

Tommy Oliver: Haven't heard that one in a while.

We went to the computer and answering it was Zordon!

Me: Zordon good to see you again.

Zordon: And you too J.D. I'm afraid we got grave news. King Mondo is back and he is out for revenge.

Me: King Mondo!? Oh man! We faced him less than a year ago.

Zordon: Yes you did and he is out for revenge on the rangers. He is going to battle you guys on Cybertron.

Optimus Prime: Cybertron!? Fitting there since he is a machine.

Me: Yeah.

Zordon: First come to Angel Grove and the Akuma of Tommy Oliver is waiting there. Then head to Cybertron fast.

Me: We're on our way.

When we saw it, we knew it meant trouble.

Lincoln, me, and Nico: Oh crud! King Mondo's back!

Eli: That good-for-nothing machine! He just doesn't know when to quit!

Me: Just like Zordon said!

Lincoln: Well, it's time we taught him another painful lesson.

Lincoln sounded the silent alarm and everyone came in.

May: We heard the alarm, what's wrong, Lincoln?

Lincoln: Everyone, we've got a huge emergency, I just had a vision and I saw who it was that we're going to confront today: it's King Mondo, and he was back once again for revenge on us.

EVERYONE GASPED!

Tommy Oliver: King Mondo's back again for more?! What a sorehead! But, now we can do away with him forever.

Me: You said it, Tommy.

Nico: This is gonna be another awesome battle against another Power Rangers main villain. Alright, team, let's get to Angel Grove and end King Mondo.

Lincoln: That machine spreading tyrant's days are finally done, this is where he dies once and for all.

The previous group came.

Baron Mordo: Can me, Control Freak, Myotismon, Red X, Blizzard, MetalSeadramon, Bonz, Dayu, Harpymon and Puff go with you guys?

Nico: You sure can guys.

Me: This is gonna be a really powerful one.

Qin: We should get more calls from Zordon more often.

Me: Good idea.

Rage Mage: It may not be Lego Lex Luthor but it's just as awesome.

Mr. Boss: Nico, which Gene Slammer do you think you'll meet next?

Nico: A Dark One next. Elemental HERO Necroshade.

Aqua Bubbleman: Ooh! That's going to be Naomi Necroshade! She is a smoking hot one! Keep an eye on Jiraiya when you meet her. She is that hot.

Me: Oh boy. Will do.

Nicole: Thanks for the heads up Aqua.

When we saw it, we knew it meant trouble.

Lincoln: Oh God, we got trouble!

Me: Oh crap, was that?

Lincoln: Gerard Valkyrie, he's back from the dead and he wants revenge on Ichigo and The Soul Society for destroying him.

Rukia: Are you kidding me?!

Then, we spotted Cogs heading here to attack us, but Lincoln fired waves of lightning that electrocuted and blew them up!

Michelle Augustus: Rukia, let me and Lincoln deal with Gerard, if you ask me, he's been asking for this for a very long time, and once Lincoln absorbs him and assimilate his powers and abilities and sucks out all the remaining energy in his soul, he's gonna send him to The Black Abyss forever.

Lincoln: That's exactly what I'm going to do to that guy, Michelle.

Nico: It's been a long time since one of your old enemies showed up, Rukia, but either way, he's not getting away with this. Alright, team, let's get going to Angel Grove and then to Cybertron.

Lincoln: King Mondo's time is finally up, this is where we put an end to his reign of terror forever, and once we get done with him, you're next, Gerard Valkyrie.

Michelle Augustus: You've done too many awful deeds in Yhwach's name for far too long, Gerard, now this is where you die once and for all.

Lincoln put up a powerful rainbow energy field around The World Tree Estate and we headed to Angel Grove to destroy King Mondo and send him to The Black Abyss forever, and once we got done with him, Michelle Augustus and Lincoln are going to take down Gerard Valkyrie and Lincoln's going to absorb him and send him to The Black Abyss.

We were off to Angel Grove.

We arrived.

Me: Good to see Angel Grove again.

Kimberly: Good to be home.

Trini: I'll say!

Tanya Sloan: It sure is.

Me: Boy for 30 years, this has been the iconic home town of the Power Rangers.

Qin: Yep.

Control Freak: Before we call Evil Star, which video game monster should I summon?

Nicole: I got an idea. How about Quadraxis from Metroid Prime 2: Echoes?

Control Freak: Good idea!

Me: And Evil Star is coming.

Evil Star came.

Evil Star: I'm here guys.

Me: Awesome.

Qin: Now that Rita Repulsa is gone Angel Grove can rest easy.

Me: Lord Zedd is still at large though. But we'll be ready for him later.
